Colors, Finishes and Materials

The colors that appear within this document are created electronically using the latest in computerized design software. You will be asked to approve the actual paint and vinyl samples prior to the start of fabrication and/or install.

Fabrication per UL/NEC 600

All electrical signage is fabricated per UL/NEC 600 standards. Customer (who is purchasing) is responsible for the electricians fees including parts/labor for hook up of the sign.

Site Survey and Verification

The proposed signage in this packet will most likely require a new sign/site survey prior to fabrication. Production will begin only after the permit is issued/approved by the municipality.
