The second Guest Speaker was Brad Waugh, who presented his pictures and his experiences participating in the 1 Mile Run/Walk during Spark! Fishers on June 26, 2024. Brad noted that it was a great opportunity but as the first annual event, not enough people were aware of disabled participants. Cost may have been a deterrent.

Committee Updates:

Housing – Wilbur Sutton – no updates

Employment- Chrissy Pogue and Michele Steltz- the Accessibility Training took place at HEPL on 8/26/24. It was a safe way to practice interviewing skills.

Community Support – Kelly Hartman spoke about the election year- much is changing at the State level.

Networking - Darcy spoke about Farmer’s Market Inclusion Day on 7/13/24. She presented her pictures from the event. It was a great day although very hot. The FACD table may need to be relocated next year, and a table skirt or sign made to identify the organization. 10 vendors did not show up, we may need to reconsider charging to participate.

Adjournment at 6:35 pm.
