Tax Increment Financing (“TIF”) DEFINITIONS

- Tax Increment Financing (“TIF”): A tool which captures new assessed value and property taxes from new development in a designated allocation area. New assessed value is also referred to as incremental assessed value.
- Economic Development Area: An area with a plan to increase employment opportunities, attract new businesses, or retain or expand business.
- Allocation Area: A sub-area within an Economic Development Area. The Allocation Area designates which particular properties will be subject to TIF.

TIF – How Does It Work?

- Base AV – The Net Assessed Value of the allocation area at the time the allocation area is established.
- Incremental AV – Increases in assessed value after the allocation area is established.
- But-For Test – This test assures overlapping taxing units that capturing the incremental AV within each Allocation Area is essential for development to occur.
 - The incremental AV captured would not have occurred “but for” the creation of the various Allocation Areas.

TIF – Impact on Overlapping Taxing Units

- The General Fund of school district's is not funded by property taxes since the Circuit Breaker law passed in 2008. Revenues for the school general fund are derived from state appropriations and not local property taxes. Annual funding for the school general fund is determined by the State tuition support formula.
- Referendum Funds – Referendum funds are exempt from circuit breaker impacts. By law, TIF increment AV contributes to the tax base of referendum funds.

Example: An allocation area is created for a multi-use property on what was undeveloped land. The base AV of the undeveloped land is \$100,000. The property when complete has a net assessed value of \$1,000,000.

BACKGROUND (Includes description, background, and justification)	A transfer of funds from one appropriation to another means removing monies from one category such as “supplies” and moving it to another such as “contractual services”. Due to various circumstances and reasons sometimes throughout the year budget appropriations in their respective funds need to be transferred to avoid drawing a negative balance. When this occurs, the respective department provides a written and signed transfer request to the Controller's Office. All transfers require Department Head approval before submission to the Controller's Office, whether or not they are between categories (ex. 200's to 300's) in the same department or transfers between departments. Transfers between departments also require City Council approval in addition to Department Head approval. As such, all transfers requiring City Council approval are prepared by the Controller's Office and submitted to the City Council for approval. Upon approval they are processed by the Controller's Office. Money cannot be transferred between funds. Attached is a resolution and its accompanying Exhibit A ("Transfers") requesting authorization for the City Controller to transfer all funds as outlined in the exhibit.

The proceeds of the 2025 Bonds shall be paid over to the Trustee and deposited to the credit of various Funds as hereinafter provided under Section 3.1 hereof.

The 2025 Bonds initially issued and authenticated hereunder shall be registered in the name of the Bond Purchaser.

Section 2.8. Issuance of Additional Bonds. One series of Additional Bonds additional to the 2025 Bonds may be authenticated and delivered for the purpose of financing the cost or estimated cost of completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any. Such Additional Bonds may only be issued on a subordinate basis to the 2025 Bonds and in conformity with the terms of an ordinance adopted by the Issuer approving the issuance of such Additional Bonds.

Prior to the delivery by the Issuer of any such Additional Bonds, there shall be filed with the Trustee:

Such Additional Bonds may bear such date or dates and such interest rate or rates, and have such maturities, redemption dates and premiums as may be agreed upon by the Issuer, at the direction of the Company, and the purchaser of such Additional Bonds.

Section 2.9. Mutilated, Lost, Stolen, or Destroyed Bonds. If any 2025 Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate, upon the written direction of the Issuer, a new 2025 Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated 2025 Bond, such mutilated 2025 Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed

2025 Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

If any such 2025 Bond shall have matured, instead of issuing a duplicate 2025 Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed 2025 Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it. Upon surrender for transfer of any fully registered 2025 Bond at the principal office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to, the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered 2025 Bond or 2025 Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered 2025 Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered 2025 Bond. The Trustee shall not be required to transfer or exchange any fully registered 2025 Bond during the period between the Record Date and any interest payment date of such 2025 Bond, nor to transfer or exchange any 2025 Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

As to any fully registered 2025 Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon shall be made only to or upon the order of the registered owner thereof or its legal representative, but such registration may be changed as hereinabove provided. Section 7.1. Events of Default. Each of the following events is hereby declared an “event of default” under this Indenture:

(a) any event of default as defined in Sections 5.1(a)(i), (a)(ii), (a)(iii) or (a)(iv) of the Loan Agreement shall occur and be continuing; or

(b) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Company by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of all of the Bonds then outstanding hereunder.

(c) the Issuer fails to apply collected Pledged TIF Revenues or Taxpayer Payments as required by Article IV of this Indenture.

The insufficiency of Pledged TIF Revenues and Taxpayer Payments to pay debt service due on the 2025 Bonds shall not constitute an event of default hereunder.

Section 7.2. Remedies; Rights of Bondholders.

- (i) If an event of default occurs, the Trustee may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then outstanding, to enforce any obligations of the Issuer hereunder, and of the Company under the Loan Agreement, the 2025 Note, and the Taxpayer Agreements, with the consent and direction of the Bondholders.
- (ii) Upon the occurrence of an event of default, and if directed in writing so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Article as the Trustee shall be directed in writing to exercise by the Requisite Bondholders.
- (iii) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.
- (iv) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed

to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.

- (v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.3. Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the holders of all Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee is obligated to pursue its remedies under the provisions of Section 7.2 hereof before any other remedies are sought.

Section 7.4. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee or the Issuer, be deposited in the 2025 Bond Fund and all moneys in the 2025 Bond Fund shall be applied as follows:

- (a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates (or principal installment dates, as appropriate), with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds (or principal installment dates, as appropriate) due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to (a) to the Issuer, if the Bonds have been paid in full, or (b) if and to the extent the Bonds have not been paid in full, to the Company or its successors or assigns, upon the written request of the Company or to

whosoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over any other installment of interest, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.5. Remedies Vested In Trustee. All rights of action (including the right to file proof of claims) under this Indenture, the Loan Agreement, the 2025 Note, the Taxpayer Agreements, or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.4 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.6. Rights and Remedies of Bondholders. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of all Bonds then outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby

declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.7. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Company and the Trustee shall be restored to their former positions and rights hereunder, respectively, with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.8. Waivers of Events of Default. The Trustee may in its discretion waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, and shall do so upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal and/or premium, if any, and/or interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal and premium, if any, when due, as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 7.9. Rights Under Taxpayer Agreements. The Issuer hereby directs the Trustee to, and the Trustee shall, in its name or in the name of the Issuer, enforce all rights of the Issuer and all obligations of the Taxpayer[s] under and pursuant to the Taxpayer Agreements for and on behalf of the Issuer and the Bondholders, whether or not the Issuer is in default hereunder. Additionally, upon the occurrence of any nonpayment of the Bonds when due, the Bondholders shall have the right under this Trust Indenture to direct the Trustee to enforce the rights of the Issuer under the Trust Indenture and the Taxpayer Agreements, and the obligations of the Owner under and pursuant to the Taxpayer Agreements, and to take any action under this Trust Indenture

that would otherwise be available to the Bondholders upon the occurrence and continuance of an Event of Default (whether or not an Event of Default has actually occurred).

Section 7.10. Insufficient Pledged TIF Revenues. . Notwithstanding any other provision of this Indenture or in any other document relating to the Bonds to the contrary, that any failure of the Issuer to make all or a portion of a scheduled principal payment or interest payment on the 2025 Bonds as a result of (1) an insufficiency of Pledged TIF Revenues, (2) nonpayment or delay in collecting or enforcing Taxpayer Payments, or (3) nonpayment or delay in payment by the Borrower on its 2025 Note issued under the Loan Agreement to evidence the Borrower's repayment obligations thereunder, shall not create a default of the Issuer under this Indenture or any other instrument. After February 1, 2050, all 2025 Bonds shall be deemed to be paid and no longer outstanding for all purposes of this Indenture, all obligations of the Issuer hereunder shall terminate, and under no circumstances shall any payments be due on any 2025 Bonds after February 1, 2050.

ARTICLE VIII.

THE TRUSTEE AND PAYING AGENT

Section 8.1. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the Loan Agreement; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the Loan Agreement, and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated by it or the Paying Agent or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct in connection with the performance of its duties hereunder.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the designated corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in possession of or managing the Trust Estate.

(i) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Trust Estate, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Section 8.1 and under Article VII hereunder the Trustee may require that a satisfactory indemnity bond or other indemnity be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including liability incurred in connection with the enforcement of the terms and provisions of this Indenture, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(m) All moneys received by the Trustee or the Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor the Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture as it shall be directed to in writing by the Requisite Bondholders.

(o) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(p) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. Under no circumstances does the Trustee assume any responsibility or liability for the issuance of the Bonds as obligations the interest on which is excludable from gross income for purposes of federal income taxation or for the maintenance of such tax-exempt status subsequent to the date of issuance of the Bonds.

(q) The Trustee shall not be accountable for the use or application by the Company of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or drawn down by the Company in accordance with the provisions of this Indenture and the Loan Agreement or for the use and application of money received by any paying agent.

Section 8.2. Fees, Charges and Expenses of Trustee and Paying Agent. The Trustee and Paying Agent shall be entitled to payment and/or reimbursement for fees for its services rendered hereunder and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Trustee or Paying Agent in connection with such services. To the extent that TIF is insufficient to pay the Administrative Fees of the Trustee, it is agreed that the Company shall be responsible for unpaid fees of the Trustee. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of interest or principal of, or premium, if any, on any Bond for the foregoing advances, fees, costs and expenses

incurred. In the event of a bankruptcy, the fees and expenses of the Trustee shall constitute administrative expenses.

Section 8.3. Notice to Bondholders if Default Occurs. If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. Intervention by Trustee. In any judicial proceeding to which the Issuer is a party, the Trustee shall intervene on behalf of Bondholders subject to the provisions of Section 8.1(l), upon being directed in writing by the owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding to intervene in such proceeding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. Removal of the Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders. The fees and expenses of the Trustee shall be paid prior to the effectiveness of any removal.

Section 8.8. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or

by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank, having a reported capital and surplus of not less than One Hundred Million Dollars (\$100,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. Concerning Any Successor Trustees. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. Trustee Protected in Relying Upon Resolutions, etc. Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 8.11. Appointment of Paying Agent and Registrar; Resignation or Removal of Paying Agent. The Trustee is hereby appointed as “Registrar” and “Paying Agent” under this Indenture. Any Registrar and Paying Agent may at any time resign and be discharged of the duties and obligations created by this instrument and any supplemental indenture by giving at least 60 days’ written notice to the Issuer, the Company and the Trustee. Any Registrar and Paying Agent may be removed at any time by an instrument, filed with such Registrar, Paying Agent and the Trustee and signed by the Issuer and the Company. Any successor Registrar and Paying Agent shall be appointed by the Issuer at the direction of the Company and shall be a bank or trust Company duly organized under the laws of any state of the United States or a national banking association, in each case having a capital stock and surplus aggregating at least \$100,000,000, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys or securities held by it as Paying Agent to its successors, or if there is no successor, to the Trustee.

Section 8.12. Indemnification. To the extent permitted by law, the Issuer hereby agrees to indemnify and save harmless the Trustee from all losses, liabilities, costs and expenses, including attorney fees and expenses, which may be incurred by it as a result of its acceptance of or arising from the performance of its duties hereunder, unless such losses, liabilities, costs and expenses shall have been finally adjudicated to have resulted from the gross negligence or willful misconduct of the Trustee, and such indemnification shall survive its resignation or removal of the Trustee or the defeasance of this Indenture.

ARTICLE IX.

SUPPLEMENTAL INDENTURES

Section 9.1. Supplemental Indentures Not Requiring Consent of Bondholders. The Issuer and the Trustee may without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture, as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture; or
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or any of them; or
- (c) To subject to this Indenture additional security, revenues, properties or collateral;
or
- (d) To make any other change in this Indenture which, in the judgment of the Issuer, in its sole discretion, is not to the material prejudice of the Company or the holders of the Bonds;
or
- (e) To modify, amend or supplement the Indenture in such manner as required to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar Federal statute hereafter in effect, and, if they so determine, to add to the Indenture such other terms, conditions and provisions as may be required by said Trust Indenture Act of 1939, as amended, or similar federal statute; or
- (f) To issue Additional Bonds in accordance with the provisions of Section 2.8 hereof.

Section 9.2. Supplemental Indentures Requiring Consent of Bondholders. Exclusive of supplemental indentures covered by Section 9.1 hereof, and subject to the terms and provisions contained in this Section, and not otherwise, the Requisite Bondholders shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided however, that nothing in this section contained shall permit or be construed as permitting (except as otherwise permitted in this Indenture) (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate or extension of the time of paying of interest on, or reduction of any premium payable on the redemption of, any Bonds, without the consent of the holder of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any sinking fund applicable to any Bonds without the consent of the holders of all the Bonds which would be affected by the action to be taken, or (c) the creation of any lien prior to or on a parity with the lien of this Indenture without the consent of the holders of all the Bonds at the time outstanding, or (d) a reduction in the aforesaid aggregate principal amount of Bonds the holders of which are required to consent to any such supplemental indenture, without the consent of the

holders of all the Bonds at the time outstanding which would be affected by the action to be taken, or (e) a modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, or (f) a privilege or priority of any Bond over any other Bonds, or (g) the deprivation of the Owners of any 2025 Bonds then Outstanding of the lien thereby created.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Company shall not become effective unless and until the Company shall have consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed by certified or registered mail to the Company at least fifteen (15) days prior to the proposed date of execution and delivery of any such supplemental indenture.

Section 9.3. Legal Opinion. In connection with a supplemental indenture being entered into pursuant to the provisions of this Article IX, the Trustee shall receive an opinion of Bond Counsel to the effect that said supplemental indenture is authorized and permitted by the terms of this Indenture in compliance with all conditions precedent, that it is proper for the Trustee to join in the execution of such supplemental indenture and that the Trustee may conclusively rely on such opinion. The Trustee may conclusively rely on the written determination of the Issuer with respect to a supplemental indenture entered into pursuant to Section 9.1(d).

Section 9.4. Supplemental Indenture Effectiveness Upon Trustee. The Trustee need not enter into or consent to any supplemental indenture which it determines to be materially prejudiced to it.

ARTICLE X.

AMENDMENTS TO THE LOAN AGREEMENT

Section 10.1. Amendments, etc., to Loan Agreement Not Requiring Consent of Bondholders. All rights and obligations of the Issuer and the Company under the Loan Agreement and this Indenture shall terminate, and such instruments shall cease to be of further effect, upon direction of the Issuer, the Trustee shall cancel the Notes and deliver them to the Borrower, shall execute and deliver all appropriate instruments evidencing and acknowledging the satisfaction of this Indenture, and shall assign and deliver to the Borrower any moneys and investments in all Funds established hereunder (except moneys or investments held by the Trustee for the payment of principal of and interest on the Bonds and except for any Pledged TIF Revenues which shall be delivered to the Issuer) when:

- (a) all fees and expenses of the Trustee and the Paying Agent shall have been paid;
- (b) the Issuer and the Company shall have performed all of their covenants and promises in the Loan Agreement and in this Indenture; and
- (c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Company, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be; provided, however, none of the Bonds may be advance refunded if such advance refunding is not permitted by the laws of Indiana.

Section 11.2. Defeasance of Bonds. Any Bond shall be deemed to be paid and no longer Outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal and interest of such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for. At such time, the Trustee shall be provided with a defeasance opinion by nationally recognized Bond Counsel. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such Bonds as aforesaid until (a) proper notice of redemption of such Bonds shall have been previously given in accordance with Section 5.2 of this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Company shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the Owners of the Bonds, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of the Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Company, in Governmental Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the 2025 Bond Fund as and when realized and collected for use and application as are other moneys deposited in the 2025 Bond Fund.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Section 11.2, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Section 11.2 for the payment of Bonds (including premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including the premium thereon, if any) with respect to which such moneys or Governmental Obligations have been so set aside in trust.

Anything in Article IX hereof to the contrary notwithstanding, if moneys or Governmental obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the Owner of each Bond affected thereby.

In determining the sufficiency of the moneys and/or Government Obligations deposited pursuant to this Section 11.2, the Trustee shall receive, at the expense of the Company, and may rely on a verification report of a firm of nationally recognized independent certified public accountants. The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

Section 11.3. Cancellation of 2025 Bonds. If the Bondholders of any 2025 Bonds presents that Bond to the Trustee with an instrument satisfactory to the Trustee waiving all claims for payment of that Bond, the Trustee shall cancel that 2025 Bond and the Bondholder shall have no further claim against the Trust Estate, the Issuer or the Company with respect to that 2025 Bond.

Section 11.4. Application of Trust Money. All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and

applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Paying Agent, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.5. Consents, etc., of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture or the Loan Agreement requires that any such consent or other action be taken by the holders of a specified percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the following persons shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met: the Issuer, any of its members, the Company, or the directors, trustees, officers or members of the Company. For all other purposes, Bonds held by or for the account of such person shall be deemed to be outstanding hereunder. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, bank or bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank or to such banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a bank, bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until the Trustee shall have received notice in writing to the contrary.

Section 11.6. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Company, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and

exclusive benefit of the parties hereto and the Company and the holders of the Bonds as herein provided.

Section 11.7. Severability. If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.8. Notices. All notices, demands, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, with proper address as indicated below. The Issuer, the Company, and the Trustee may, by written notice given by each to the others, designate any address or addresses to which notices, demands, certificates or other communications to them shall be sent when required as contemplated by this Indenture. Until otherwise provided by the respective parties, all notices, demands, certificates and communications to each of them shall be addressed as provided in Section 9.4 of the Loan Agreement.

Notwithstanding the foregoing, the Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and the Loan Agreement and delivered using Electronic Means; provided, however, that the Issuer and the Company, as the case may be, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and the Company, as the case may be, whenever a person is to be added or deleted from the listing. If the Issuer and the Company, as the case may be, elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Issuer and the Company each understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer and the Company, as the case may be, shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Issuer and the Company, as the case may be, and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer and the Company, as the case may be. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer and the Company each agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various

methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer and the Company, as the case may be; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. “Electronic Means” shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Section 11.9. Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.10. Applicable Law. This Indenture shall be governed exclusively by the applicable laws of the State of Indiana.

Section 11.11. Immunity of Officers and Directors. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future members, officer, directors, agents, attorneys or employees of the Issuer, or any incorporator, member, officer, director, agents, attorneys, employees or trustee of any successor corporation, as such, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, members, officers, directors, agents, attorneys, employees or trustees as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

Section 11.12. Holidays. If any date for the payment of principal or interest on the Bonds is not a business day then such payment shall be due on the first business day thereafter with the same force and effect as if made on such date.

Section 11.13. Shortfall of Pledged TIF Revenues. Notwithstanding any other provision of this Indenture, any portion of the principal or interest due on the 2025 Bonds that remains unpaid due to a shortfall in Pledged TIF Revenues shall trigger a Taxpayer Payment in accordance with the terms of the Taxpayer Agreements, but shall not be deemed defeased or otherwise satisfied, shall not be considered paid, and shall continue to be due and owing until the earlier of: (i) full payment by the Issuer; or (ii) the maturity date of the 2025 Bonds. Interest shall not accrue on the interest that remains unpaid beyond the applicable debt service payment date.

ARTICLE III.

PARTICULAR COVENANTS OF THE BORROWER

Section 3.1. Consent to Assignments to Trustee. The Borrower acknowledges and consents to the pledge and assignment of the Series 2025 Note and the assignment of the Issuer's rights hereunder to the Trustee pursuant to the Indenture and agrees that the Trustee may enforce the rights, remedies and privileges granted to the Issuer hereunder, to receive payments under Sections 3.5, 3.7 and 3.9 hereof, and to execute and deliver supplements and amendments to this Loan Agreement pursuant to Section 7.1 hereof.

Section 3.2. Payment of Principal, Premium and Interest; Payments Pledged. (a) The Borrower will duly and punctually pay the principal of, premium, if any, and interest on the Notes at the rates and the places and in the manner mentioned in the Notes and this Loan Agreement, according to the true intent and meaning thereof and hereof as follows: on or before any Interest Payment Date for the Bonds or any other date that any payment of interest, premium, if any, or principal is required to be made in respect of the Bonds pursuant to the Indenture, until the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, it will pay in immediately available funds, a sum which, together with any moneys available for such payment in the Bond Fund (including without limitation any Pledged TIF Revenues), will enable the Trustee to pay the amount payable on such date as principal of (whether at maturity or upon redemption, or acceleration or otherwise), premium, if any, and interest on the Bonds as provided in the Indenture. Section 4.7 of the Indenture provides that the Issuer shall transfer the Pledged TIF Revenues for the payment of the Series 2025 Bonds to the Bond Fund on each January 15 and July 15, commencing on the February 1 or August 1 next succeeding the Funding Date. Such transfers shall be a credit against and serve to reduce the Borrower's obligations to make payments under the Notes and this Loan Agreement.

(b) The Borrower also agrees to pay directly to the Trustee so long as there are Bonds outstanding (i) all Taxpayer Payments as may be due and owing pursuant to the Taxpayer Agreement and the Indenture, (ii) all reasonable fees and charges of the Trustee incurred under the Indenture, as and when the same become due; (iii) all reasonable costs incident to the payment of the principal of, premium, if any, and interest on the Bonds as the same become due and payable, including all costs and expenses in connection with the call, redemption, and payment of Bonds; (iv) all reasonable expenses incurred in connection with the enforcement of any rights under the Loan Agreement, the Taxpayer Agreements, or the Indenture by the Issuer, the Trustee or the Bondholders; and (v) all other payments of whatever nature which the Borrower has agreed to pay or assume under the provisions of the Loan Agreement; provided, however, that the Borrower may, without creating a default under the Loan Agreement, contest in good faith the necessity for any such extraordinary services and extraordinary expenses and the reasonableness of any such fees, charges or expenses. Notwithstanding the foregoing, the Borrower is only obligated to pay amounts under (i) and (ii) above if the Pledged TIF Revenues are insufficient to pay such amount.

(c) The Borrower covenants and agrees with and for the express benefit of the Issuer, the Trustee and the owners of the Bonds that all payments pursuant hereto and to the Notes shall

be made by the Borrower on or before the date the same become due, and the Borrower shall perform all of its other obligations, covenants and agreements hereunder, without notice or demand (except as provided herein), and without abatement, deduction, reduction, diminution, waiver, abrogation, set-off, counterclaim, recoupment, defense or other modification or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and regardless of any act of God, contingency, event or cause whatsoever, and irrespective (without limitation) of whether the Project or the Borrower's title to the Project or any part thereof is defective or nonexistent, or whether the Borrower's revenues are sufficient to make such payments, and notwithstanding any damage to, or loss, theft or destruction of, the Project or any part thereof, expiration of this Loan Agreement, any failure of consideration or frustration of purpose, the taking by eminent domain or otherwise of title to or of the right of temporary use of, all or any part of the Project, legal curtailment of the Borrower's use thereof, or whether with or without the approval of the Issuer, any change in the tax or other laws of the United States of America, the State of Indiana, or any political subdivision of either thereof, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any portion of this Loan Agreement; and the Borrower hereby waives the provisions of any statute or other law now or hereafter in effect impairing or conflicting with any of its obligations, covenants or agreements under this Loan Agreement or which releases or purports to release the Borrower therefrom. Nothing in this Loan Agreement shall be construed as a waiver by the Borrower of any rights or claims the Borrower may have against the Issuer under this Loan Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this Loan Agreement that the Borrower shall be unconditionally and absolutely obligated without right of set-off or abatement, to perform fully all of its obligations, agreements and covenants under this Loan Agreement for the benefit of the holders of the Bonds. Notwithstanding the foregoing, the Issuer, the Trustee and the Borrower acknowledge that the Pledged TIF Revenues are intended to be credited against and serve to reduce the Borrower's obligations to make payments under the Note and this Loan Agreement.

(d) As long as the Bonds are outstanding, the Borrower covenants to pay or cause to be paid all property tax bills for all property in the Allocation Areas (including the Project) owned or leased by the Borrower, its affiliates and its subsidiaries before the tax bills are delinquent, subject to the right to contest in good faith any property tax assessments.

(e) It is understood and agreed that all payments made by Borrower pursuant to this Section 3.2 and the Notes are pledged to Trustee pursuant to the granting clauses of the Indenture. Borrower assents to such pledge, and hereby agrees that, as to Trustee, its obligation to make such payments shall be absolute and shall not be subject to any defense or any right of set-off, counterclaim or recoupment arising out of any breach by Issuer or Trustee of any obligation to Borrower, whether hereunder or otherwise, or out of any indebtedness or liability at any time owing to Borrower by Issuer. Issuer hereby directs Borrower and Borrower hereby agrees to pay to the Paying Agent at its principal office all amounts payable by Borrower pursuant to this Section 3.2 and the Notes.

(f) The Borrower: (i) will not suspend or discontinue any payments of the Loan; (ii) will perform and observe all of its other agreements contained in this Loan Agreement; and (iii) will not terminate this Loan Agreement for any cause, including, without limiting the generality

of the foregoing, failure of the Borrower to complete the Project, the occurrence of any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax laws of the United States of America or of the State of Indiana or any political subdivision of either thereof, or any failure of the Issuer or the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the Indenture, other than a failure by the Issuer to deposit, or cause to be deposited, the Pledged TIF Revenues as contemplated by Section 3.2(a) hereof.

(g) It is understood and agreed that Borrower shall be obligated to continue to pay the amounts specified herein and in the Notes whether or not the Project is damaged, destroyed or taken in condemnation and that there shall be no abatement of any such payments and other charges by reason thereof.

Section 3.3. Maintenance of Existence. The Borrower will maintain its existence and not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with another entity or permit one or more other entities to consolidate with it except as provided in this Section 3.3. Before the Project is substantially complete, the Borrower may dissolve or otherwise dispose of all or substantially all of its assets if (i) an affiliate of the Borrower assumes all of the Borrower's obligations under this Loan Agreement and agrees to complete the Project and (ii) the owners of all of the Series 2025 Bonds and the Issuer consent in writing, which consent shall not be unreasonably withheld. Once the Project is substantially complete, the Borrower may dissolve or otherwise dispose of all or substantially all of its assets with the written consent of the owners of all of the Series 2025 Bonds and the Issuer, which consent shall not be unreasonably withheld. Any sale, lease or other disposition of the Project or any portion thereof is subject to the conditions of Section 3.12 hereof.

Section 3.4. Project Agreement and Taxpayer Agreement The Borrower agrees to perform all material matters provided in the Project Agreement and Taxpayer Agreement applicable to the Borrower to be performed by the Borrower (for the avoidance of doubt, with respect to the Taxpayer Agreement, in the Borrower's capacity as Taxpayer thereunder) and to comply with all material provisions of the Project Agreement and Taxpayer Agreement applicable to the Borrower and the Project, in each case to the extent that a failure to so perform or comply is expressly provided under the terms of the Project Agreement and Taxpayer Agreement applicable to the Borrower to be an event of default by the Borrower or, with the passage of time or the giving of notice, or both, would constitute an event of default on the part of the Borrower under the Project Agreement or the Taxpayer Agreement applicable to the Borrower.

Section 3.5. Indemnity. The Borrower will pay, and protect, indemnify and save the Issuer (including members, directors, officials, officers, agents, attorneys and employees thereof), the Bondholders, the Trustee and the Paying Agent harmless from and against, all liabilities, losses, damages, costs, expenses (including attorneys' fees and expenses of the Issuer, the Trustee and the Paying Agent), causes of actions, suits, claims, demands and judgments of any nature arising from or relating to:

- (a) Violation of any agreement or condition of this Loan Agreement or the Indenture, except by the Issuer or the Trustee;
- (b) Violation of any contract, agreement or restriction by the Borrower relating to the Project, or a part thereof;
- (c) Violation of any law, ordinance or regulation arising out of the ownership, occupancy or use of the Project, or a part thereof;
- (d) Any act, failure to act, or misrepresentation by the Borrower, or any of the Borrower's agents, contractors, servants, employees or licensees;
- (e) The provision of any information or certification furnished by the Borrower in connection with the issuance and sale of the Series 2025 Bonds and the Project;
- (f) As a result of the Trustee and Paying Agent's acceptance of or arising from the performance of its duties hereunder or under the Indenture.

The foregoing indemnification shall survive the removal or resignation of the Trustee and Paying Agent or the termination and discharge of the Indenture.

The foregoing shall not be construed to prohibit the Borrower from pursuing its remedies against either the Issuer or the Trustee for damages to the Borrower resulting from personal injury or property damage caused by the intentional misrepresentation or willful misconduct of either the Issuer or the Trustee.

Section 3.6. Issuance of Substitute Notes. Upon the surrender of any Note, the Borrower will execute and deliver to the holder thereof a new Note dated the date of the Note being surrendered but with appropriate notations thereon to reflect payments of principal and interest thereon; provided, however, that there shall never be outstanding at any one time more than one Note of any one series.

Section 3.7. Payment of Reasonable Expenses of Issuance of Series 2025 Bonds. So long as they are reasonable, the Borrower agrees to be liable for and pay for any filing expenses, trustee's acceptance fees, commitment fees, legal fees, printing expenses and other fees and expenses incurred or to be incurred by or on behalf of the Issuer, the Trustee and the Paying Agent in connection with or as an incident to the issuance and sale of the Series 2025 Bonds; provided, however, that the Borrower may, without creating a default under the Loan Agreement, contest in good faith the reasonableness of any such fees, charges or expenses. Pursuant to Section 4.2 of the Indenture, the Issuer has authorized the use of certain proceeds of the Series 2025 Bonds to defray the Borrower's obligations under this Section.

Section 3.8. Funding of Indenture Funds; Investments. The Issuer shall deposit with the Trustee all proceeds from the sale of the Series 2025 Bonds, as and when received, in the manner specified in Article 3.1 of the Indenture, and the Trustee shall deposit such proceeds in the manner specified in Article 3.1 of the Indenture.

The Borrower and the Issuer agree that all moneys in any Fund established by the Indenture may, at the written direction of the Borrower, be invested in Qualified Investments.

The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for such investments. The Trustee shall not be liable or responsible for any loss resulting from any such investment. All such investments shall be held by or under the control of the Trustee and any income resulting therefrom shall be applied in the manner specified in the Indenture.

Section 3.9. Other Amounts Payable by the Borrower. The Borrower covenants and agrees to pay the following:

(a) To the extent Pledged TIF Revenues are not then available, all reasonable fees, charges and expenses, including reasonable agent and counsel fees and expenses, of the Trustee incurred under the Indenture, as and when the same become due.

(b) To the extent Pledged TIF Revenues are not then available, all reasonable costs incident to the payment of the principal of, premium, if any, and interest on the Series 2025 Bonds as the same become due and payable, including all reasonable costs and expenses in connection with the call, redemption, and payment of Series 2025 Bonds.

(c) To the extent Pledged TIF Revenues are not then available, an amount sufficient to reimburse the Issuer for all reasonable expenses incurred by the Issuer under this Loan Agreement and in connection with the performance of its obligations under this Loan Agreement or the Indenture.

(d) All reasonable expenses incurred in connection with the enforcement of any rights under this Loan Agreement or the Indenture by the Issuer, the Trustee or the Bondholders.

(e) To the extent Pledged TIF Revenues are not then available (and to the extent such payments may be lawfully made from the Pledged TIF Revenues), all other payments of whatever nature which the Borrower has agreed to pay or assume under the provisions of the Loan Agreement.

Notwithstanding anything in this Section 3.9 to the contrary, the Borrower may, without creating an event of default as herein defined, after making the payments required by this Section 3.9, contest in good faith the necessity for any such services, fees, charges or expenses of the Issuer or the Trustee or the Bondholders.

Section 3.10. Credits on Notes. Notwithstanding any provision contained in this Loan Agreement or in the Indenture to the contrary, in addition to any credits on the Notes resulting from the payment or prepayment thereof from other sources:

(a) subject to the provisions of Article IV with respect to partial prepayment of the Note, any moneys deposited by the Trustee in the Bond Fund for payment on the 2025 Bonds (including without limitation any Bond proceeds to be used for Capitalized Interest Costs and any Pledged TIF Revenues) shall be credited against the obligation of the Borrower to pay the principal, premium, if any, and interest on the Notes as the same become due; and

(b) the principal amount of Bonds of any series and maturity acquired by the Borrower and delivered to the Paying Agent, or acquired by the Paying Agent and canceled, shall be credited against the obligation of the Borrower to pay the principal of the Note evidencing the loan made by the Issuer with the proceeds of the sale of Bonds of such series maturing on the maturity date of the Bonds so acquired and delivered or canceled, including in connection with any mandatory sinking fund payment for any series of Bonds subject to a mandatory sinking fund requirement.

Section 3.11. Completion of Project. (a) Borrower agrees that it will make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other persons, firms, corporations or partnerships and in general do all things which may be requisite or proper, all for constructing and completing the Project, to the extent permitted by law, by not later than January 1, 2027.

(b) In the event the moneys in the Project Fund should not be sufficient to pay in full the costs to be paid therefrom, the Borrower agrees, for the benefit of the City and the Series 2025 Bondholders and in order to fulfill the purposes of the Act, to complete the construction of the Project and to pay that portion of the costs therefor as may be in excess of the moneys available therefor in the Project Fund. The City does not make any warranty, either express or implied, that the moneys, which will be paid into the Project Fund and which under the provisions of this Loan Agreement will be available for payment of the costs of the construction of the Project, will be sufficient to pay all the costs which will be incurred in that connection. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay pursuant hereto any portion of the costs of construction of the Project, it shall not be entitled to any reimbursement therefor from the City, the Trustee, or the holders of any of the Series 2025 Bonds, nor shall it be entitled to any diminution in or abatement or postponement of the amounts payable hereunder or under the Series 2025 Note.

(c) The City has, in the Indenture, authorized and directed the Trustee to make payments from the Construction Account of the Project Fund to pay the costs of construction of the Project, or to reimburse the Borrower for any costs of construction paid by it. The Borrower agrees to submit disbursement requests in accordance with Section 4 of the Indenture as may be necessary to effect payments out of the Construction Account of the Project Fund.

(d) Upon its determination that the Project has been completed, the Borrower shall deliver to the Trustee, the Bondholders, and the Issuer a certificate signed by an authorized representative of Borrower stating that, except for amounts retained by Trustee at Borrower's direction for any Costs of Construction not then due and payable or being contested in good faith, (i) the construction of the Project has been completed and any and all labor, services, materials and supplies used in such construction have been paid for, (ii) all other items necessary in connection with the Project have been constructed and all costs and expenses incurred in connection therewith have been paid, and (iii) the Project meets the required standards set forth in Exhibit A-2 (such certificate, the "Certificate of Completion"). Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

(e) Upon receipt of the Certificate of Completion, the Issuer shall determine in its reasonable discretion whether or not the Project has been completed in accordance with the required standards set forth on Exhibit A-2. If the Issuer determines that the Project has been completed in the accordance with the required standards set forth in Exhibit A-2, the Issuer shall approve the Certificate of Completion and deliver such approved Certificate of Completion to the Trustee.

. Full Performance Under Project Agreement. The Borrower Agrees to perform all material matters provided by the Project Agreement to be performed by the Borrower and to comply with all material provisions of the Project Agreement applicable to the Borrower, in each case to the extent that a failure to so perform or comply is expressly provided under the terms of the Project Agreement to be an event of default by the Borrower or, with the passage of time or the giving of notice, or both would constitute an event of default on the part of the Borrower, under the Project Agreement. The Borrower hereby reconfirms all of the Borrower's covenants in the Project Agreement.

Section 3.13. Sale, Substitution, or Lease of Project; Sale of Project. The Borrower may sell, lease or transfer or otherwise dispose of the Project or any portion thereof. Notwithstanding the foregoing, in the event of any sale of all or any portion of the Project so long as the Series 2025 Bonds are outstanding, Borrower shall obtain with copy to the City a covenant from the purchaser confirming the purchaser will fully comply with the representations in Section 2.2 hereof.

EVENTS OF DEFAULT AND REMEDIES THEREFOR

Section 5.1. Events of Default. (a) The occurrence and continuance of any of the following events shall constitute an “event of default” hereunder:

(i) failure of the Borrower to pay any installment of interest, principal, or any premiums, on any Note when the same shall become due and payable, whether at maturity or upon any date fixed for prepayment or by acceleration or otherwise, unless the Requisite Bondholders shall have consented thereto;

(ii) failure of the Borrower to observe and perform any other covenant, condition or provision hereof and to remedy such default within 30 days after notice thereof from the Trustee to the Borrower, unless the Requisite Bondholders shall have consented thereto;

(iii) the entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Borrower in an involuntary case under any applicable bankruptcy, insolvency or similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Borrower or for any substantial part of its property, or ordering the windup or liquidation of its affairs; or the filing and pendency for thirty days without dismissal of a petition initiating an involuntary case under any other bankruptcy, insolvency or similar law; or

(iv) the commencement by the Borrower of any voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, whether consent by it to an entry to an order for relief in an involuntary case and under any such law or to the appointment of or the taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Borrower or of any substantial part of its property, or the making of it by any general assignment for the benefit of creditors, or the failure of the Borrower generally to pay its debts as such debts become due, or the taking of corporate action by the Borrower in furtherance of any of the foregoing; or

(v) Any event of default under Section 7.1 of the Indenture.

(b) During the occurrence and continuance of any event of default hereunder, the Trustee, as assignee of the Issuer pursuant to the Indenture, shall have the rights and remedies hereinafter set forth, in addition to any other remedies herein or by law provided.

(c) Upon the occurrence of an event of default described in this Section 5.1:

(i) Right to Bring Suit, Etc. The Trustee, with or without entry, personally or by attorney, may in its discretion, proceed to protect and enforce its rights by a suit or suits in equity or at law, whether for damages or for the specific performance of any covenant or agreement contained in the Notes, this Loan Agreement or in aid of the execution of any power herein granted, or for any foreclosure hereunder, or for the

enforcement of any other appropriate legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce any of its rights or duties hereunder; provided, however that all costs incurred by the Trustee and the Issuer under this Article shall be paid to the Issuer and the Trustee by the Borrower on demand.

(ii) Waiver of Events of Default. If after any event of default occurs and prior to the Trustee exercising any of the remedies provided in this Loan Agreement, the Borrower will have completely cured such default, then in every case such default will be waived, rescinded and annulled by the Trustee by written notice given to the Borrower.

Section 5.2. Trustee May Enforce Demand. In case the Borrower shall have failed to pay such principal and interest and other amounts upon demand, the Trustee, in its own name, may institute such actions or proceedings at law or in equity for the collection of the amounts so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Borrower and collect the moneys adjudged or decreed to be payable out of the property of the Borrower wherever situated, in the manner provided by law.

The Trustee shall, if permitted by law, be entitled to recover judgment as aforesaid either before or after or during the pendency of any proceedings for the enforcement of the lien of this Loan Agreement; and the right of the Trustee, to recover such judgment shall not be affected by the exercise of any other right, power or remedy for the enforcement of the provisions of this Loan Agreement.

Any moneys thus collected by the Trustee under this Section shall be applied by the Trustee as follows:

FIRST: to the payment of all reasonable advances by the Issuer or by the Trustee with interest at the prime rate of interest charged by the Trustee from time to time, and all reasonable expenses and disbursements.

SECOND: to the payment of the amounts then due and unpaid upon the Notes in respect of which such money shall have been collected, ratably and without preference or priority of any kind, according to the amounts due and payable upon the Notes, upon presentation of the Notes and the notation thereon of such payment, if partly paid, and upon surrender thereon if fully paid.

Section 5.3. Remedies Cumulative. No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. *Notwithstanding anything in this Loan Agreement to the contrary, the Requisite Bondholders shall control the declaration or waiver of events of default under Section 5.1, and may exercise, and shall control the exercise of, all remedies under this Loan Agreement, including those set forth in Sections 5.1 and 5.2.*

Section 5.4. Delay or Omission Not a Waiver. No delay or omission of the Trustee to exercise any right or power accruing upon any event of default shall impair any such right or power, or shall be construed to be a waiver of any such event of default or an acquiescence

therein; and every power and remedy given by this Loan Agreement to the Trustee may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 5.5. Waiver of Extension, Appraisalment or Stay Laws. To the extent permitted by law, the Borrower will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Loan Agreement; and the Borrower hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.6. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Loan Agreement invalid or unenforceable under the provisions of any applicable law.

WHEREAS, The Common Council of the City (the “Council”) previously adopted the Bond Ordinance, which Bond Ordinance authorized the City to issue its Economic Development Revenue Bonds, Series 202_ (Andretti Project) in an amount not to exceed Twenty-Six Million Dollars (\$26,000,000) (the “Bonds”) under the Act, and provide the proceeds of such Bonds to the Prior Developer to finance the costs of certain costs of the Prior Developer to support and related to the Prior Developer’s construction of the project described in the Economic Development Agreement and related improvements, as further described in the Economic Development Agreement; and

WHEREAS, subsequent to the adoption of the Bond Ordinance, the Prior Developer has requested that the Economic Development Agreement be assigned in its entirety to Motorsport Real Estate Ventures, LLC (the “New Developer”) and further has requested to change the description of the project to be completed under the Economic Development Agreement to be defined as follows: “the development and construction of Cadillac Formula 1 and TWG Motorsport's corporate headquarters and related commercial development to accommodate the Cadillac Formula 1 Team’s racing operation and manufacturing, together with potential future development and construction of visitor areas. The Project is projected to culminate in

WHEREAS, the Common Council of the City now desires to amend Bond Ordinance to authorize the issuance of the Bonds in light of the amendment of the Economic Development Agreement, the identification of the New Developer, and the amendment to the definition of the Project;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FISHERS, INDIANA, THAT:

1. Findings; Public Benefits. The Common Council hereby finds and determines that the Project involves the acquisition, construction and equipping of an “economic development facility” as that phrase is used in the Act; that the Project will increase employment opportunities and increase diversification of economic development in the City, will improve and promote the economic stability, development and welfare in the City, will encourage and promote the expansion of industry, trade and commerce in the City and the location of other new industries in the City; that the public benefits to be accomplished by this Bond Ordinance, intending to overcome insufficient employment opportunities and insufficient diversification of industry, are greater than the cost of public services (as that phrase is used in the Act) which will be required by the Project; and, therefore, that the financing of the Project by the issuance of the Bonds under the Act: (a) will be of benefit to the health and general welfare of the City; and (b) complies with the Act.

2. Approval of Financing. The proposed financing of the Project, including capitalized interest on the Bonds, if any, and costs of issuance of the Bonds, by the issuance of the Bonds under the Act, in the form that such financing was approved by the Commission, is hereby approved.

(b) The principal of the Bonds and the interest thereon do not and shall never constitute an indebtedness of, or a charge against the general credit or taxing power of, the City, but shall be special and limited obligations of the City, payable solely from revenues and other amounts derived from the Financing Agreements, including all real property tax increment revenues generated from the Allocation Area and deposited in the Allocation Fund pursuant to IC 36-7-14-39 and IC 36-7-14-39.3 pursuant to the terms of the pledge of such revenues to the Bonds by the Redevelopment Commission. The Mayor and the Controller of the City are hereby authorized to approve and execute a bond purchase agreement for the Bonds with the Purchaser, in a form approved by such officers, such approval to be conclusively evidenced by the execution thereof.

or endorse and deliver the Bonds and each of the Financing Agreements, submitted to the Common Council, which are hereby approved in all respects.

7. Changes in Financing Agreements. The Mayor and the Controller of the City are hereby authorized, in the name and on behalf of the City, without further approval of the Common Council or the Commission, to approve such changes in the Financing Agreements as may be permitted by the Act, such approval to be conclusively evidenced by their execution thereof.

9. General. The Mayor and the Controller of the City, and each of them, are hereby authorized and directed, in the name and on behalf of the City, to execute or endorse any and all agreements, documents and instruments, perform any and all acts, approve any and all matters, and do any and all other things deemed by them, or either of them, to be necessary or desirable in order to carry out and comply with the intent, conditions and purposes of this Bond Ordinance (including the preambles hereto and the documents mentioned herein), the Project, the issuance and sale of the Bonds, and the securing of the Bonds under the Financing Agreements, including, but not limited to, such agreements, documents and instruments as are contemplated under the Project Agreement, and any such execution, endorsement, performance or doing of other things heretofore effected be, and hereby is, ratified and approved.
