**REPORT OF THE CITY OF FISHERS  
ECONOMIC DEVELOPMENT COMMISSION CONCERNING  
THE PROPOSED FINANCING OF ECONOMIC DEVELOPMENT  
FACILITIES FOR GRAY EAGLE GOLF L.L.C.**

**GRAY EAGLE GOLF COURSE PROJECT**

The City of Fishers Economic Development Commission (the “Commission”) proposes to recommend to the Common Council of the City of Fishers, Indiana (the “City”), that it provide a portion of the proceeds of one or more series of certain economic development revenue bonds (the “Bonds”) to Gray Eagle Golf, L.L.C. (together with any affiliate(s) thereof the “Golf Course Developer”) for the financing of certain economic development facilities in the City.

In connection therewith, the Commission hereby reports as follows:

A. The proposed economic development facilities consist of the acquisition, construction, renovation and equipping of (i) a new clubhouse facility on the Gray Eagle Golf Course comprised of approximately 27,753 square feet including a restaurant, simulation bays, a practice green, hitting bays, and a golf shop and (ii) other improvements to the Gray Eagle Golf Course including a new halfway house including men and women’s bathrooms, a new irrigation system, improved drainage, new signage, and a two-tiered driving range with netting (the “Project”).

B. The Commission estimates that except for those public works and services for which funds of the City are expected to be available, there are no public works or services, including public ways, schools, water, sewer, street lights and fire protection, will be made necessary or desirable by the Project, because any such works or services already exist or will be provided by the Project itself or by the Golf Course Developer, or other parties.

C. The Commission estimates that the total cost of the Project will be \$15,000,000 to \$20,000,000, of which \$455,000 shall constitute the City’s portion to be financed with a portion of the proceeds of the Bonds to be issued in an aggregate principal amount not to exceed \$750,000.

D. The Commission estimates that the Project will create or retain approximately 109 jobs with an annual payroll of not less than approximately \$1,614,000.

E. Based on the uncontroverted evidence received at the public hearing held by the Commission on the date hereof, the Project will have no adverse competitive effect on similar facilities already constructed or operating in the City of Fishers, Indiana.

Section 3.1. Consent to Assignments to Trustee. The Company acknowledges and consents to the pledge and assignment of the Issuer's rights hereunder to the Trustee pursuant to the 20\_\_[B/C] Indenture and agrees that the Trustee may enforce the rights, remedies and privileges granted to the Issuer hereunder, other than the rights of the Issuer to execute and deliver supplements and amendments to this 20\_\_[B/C] Financing Agreement pursuant to Section 7.1 hereof, the rights retained by the Issuer pursuant to Section 5.1(d), and the rights granted to the Issuer under Section 3.5 hereof and Sections 4.4 and 4.5 of the 20\_\_[B/C] Indenture.

In accordance with the 20\_\_[B/C] Indenture, the Bonds are payable solely and only from Pledged TIF Revenues as pledged to the Issuer by the Redevelopment Commission pursuant to the Pledge Resolution. Under no circumstances shall the Company be liable for making any payments due under the Bonds.

(b) The Company shall not submit and the Issuer shall not approve any request for a deemed purchase of the principal amount of the Bonds pursuant to Section 4.5 of the 20\_\_[B/C] Indenture so long as an event of default has been declared under the 20\_\_[B/C] Indenture or this 20\_\_[B/C] Financing Agreement.

(c) In accordance with Sections 4.2 and 4.5 of the 20\_\_[B/C] Indenture, the Issuer shall transfer to the Trustee for deposit in the Bond Fund (as defined in the 20\_\_[B/C] Indenture), on or before each January 15 and July 15, the Pledged TIF Revenues in an amount equal to the lesser of (i) the amount of all of such Pledged TIF Revenues, or (ii) an amount sufficient to pay the principal of and interest due on the Bonds on the next February 1 or August 1 (including any overdue principal and interest on outstanding Bonds, with interest continuing to accrue on such overdue amounts at the stated rate on such Bonds until paid), together with Trustee fees as described in the 20\_\_[B/C] Indenture

Section 3.3. Payment of Principal, Premium and Interest; Payments Pledged. (a) The Company agrees to pay directly to the Trustee so long as there are Bonds Outstanding (i) all fees, charges and expenses, including agent and counsel fees, of the Trustee and the paying agents incurred under the 20\_\_[B/C] Indenture, as and when the same become due; (ii) all costs incident to the payment of the principal of, premium, if any, and interest on the Bonds as the same become due and payable, including all costs and expenses in connection with the call, redemption and payment of Bonds; (iii) an amount sufficient to reimburse the Issuer for all expenses incurred by the Issuer under the 20\_\_[B/C] Financing Agreement and in connection with the performance of its obligations under the 20\_\_[B/C] Financing Agreement or the 20\_\_[B/C] Indenture; (iv) all expenses incurred in connection with the enforcement of any rights under the 20\_\_[B/C] Financing Agreement or the 20\_\_[B/C] Indenture by the Issuer, the Trustee or the Bondholders; and (v) all other payments of whatever nature which the Company has agreed to pay or assume under the provisions of the 20\_\_[B/C] Financing Agreement; provided, however, that the Company may, without creating a default under the 20\_\_[B/C] Financing Agreement, contest in good faith the

necessity for any such extraordinary services and extraordinary expenses and the reasonableness of any such fees, charges or expenses.

(b) The Company covenants and agrees with and for the express benefit of the Issuer, the Trustee and the owners of the Bonds, that the Company shall perform all of its other obligations, covenants and agreements hereunder, without notice or demand (except as provided herein), and without abatement, deduction, reduction, diminution, waiver, abrogation, set-off, counterclaim, recoupment, defense or other modification or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and regardless of any act of God, contingency, event or cause whatsoever, and irrespective (without limitation) of whether the Project or the Company's title to the Project or any part thereof is defective or nonexistent, or whether the Company's revenues are sufficient to make such payments, and notwithstanding any damage to, or loss, theft or destruction of, the Project or any part thereof, expiration of this 20\_\_[B/C] Financing Agreement, any failure of consideration or frustration of purpose, the taking by eminent domain or otherwise of title to or of the right of temporary use of, all or any part of the Project, legal curtailment of the Company's use thereof, or whether with or without the approval of the Issuer, any change in the tax or other laws of the United States of America, the State, or any political subdivision of either thereof, any change in the Issuer's legal organization or status, or any default of the Issuer hereunder, and regardless of the invalidity of any portion of this 20\_\_[B/C] Financing Agreement; and the Company hereby waives the provisions of any statute or other law now or hereafter in effect impairing or conflicting with any of its obligations, covenants or agreements under this 20\_\_[B/C] Financing Agreement or which releases or purports to release the Company therefrom. Nothing in this 20\_\_[B/C] Financing Agreement shall be construed as a waiver by the Company of any rights or claims the Company may have against the Issuer under this 20\_\_[B/C] Financing Agreement or otherwise, but any recovery upon such rights and claims shall be had from the Issuer separately, it being the intent of this 20\_\_[B/C] Financing Agreement that the Company shall be unconditionally and absolutely obligated without right of set-off or abatement, to perform fully all of its obligations, agreements and covenants under this 20\_\_[B/C] Financing Agreement for the benefit of the holders of the Bonds.

(c) As long as the Bonds are Outstanding, the Company covenants to pay or cause to be paid all property tax bills for the Project before the tax bills are delinquent.

(d) The obligations of the Company to perform and observe its obligations set forth in any agreement relating to the Bonds or the Project shall be absolute and unconditional, irrespective of any defense or any rights of set-off, recoupment or counterclaim it might otherwise have against the Issuer, and the Company shall pay absolutely during the term of this 20\_\_[B/C] Financing Agreement all payments required thereunder free of any deductions and without abatement, diminution or set-off; and until such time as the principal of and interest on the Series 20\_\_[B/C] Bonds shall have been fully paid, or provision for the payment thereof shall have been made in accordance with the 20\_\_[B/C] Indenture, the Company: (i) will perform and observe all of its agreements contained in this 20\_\_[B/C] Financing Agreement; and (ii) will not terminate this 20\_\_[B/C] Financing Agreement for any cause, including, without limiting the generality of the foregoing, failure of the Company to complete the Project, the occurrence of any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax

laws of the United States of America or of the State or any political subdivision of either thereof, or any failure of the Issuer or the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this 20\_\_[B/C] Financing Agreement or the 20\_\_[B/C] Indenture.

Section 3.4. Maintenance of Corporate Existence. The Company covenants that it will maintain its existence as an Indiana [limited liability company/corporation], will not to dissolve or otherwise dispose of all or substantially all of its assets, will not consolidate with or merge into another entity, or permit one or more other entities to consolidate or merge with it, and will not sell or transfer any ownership interests in the Company in any manner that would result in a change of control of the Company.

Any sale, lease or other disposition of the Project or any portion thereof is subject to the conditions of the Project Agreement.

Section 3.5. Indemnity. The Company will pay, and protect, indemnify and save the State, the Issuer (including members, directors, officials, officers, agents, attorneys and employees thereof), the Bondholders, the Trustee and the Paying Agent harmless from and against, all liabilities, losses, damages, costs, expenses (including attorneys' fees and expenses of the Issuer, the Trustee and the Paying Agent), causes of actions, suits, claims, demands and judgments of any nature arising from or relating to:

(d) Violation of any law, ordinance or regulation arising out of the ownership, occupancy or use of the Project, or a part thereof;

(e) Undertaking construction of the Project, or the failure to undertake the construction of the Project;

(f) Any act, failure to act, or misrepresentation by the Company, or any of the Company's agents, contractors, servants, employees or licensees;

misconduct on the part of the Issuer other than as contemplated in this 20\_\_[B/C] Financing Agreement); and

(h) The authorization, issuance, sale, trading, redemption, or servicing of the Series 20\_\_[B/C] Bonds and the provision of any information or certification furnished by the Company in connection therewith, concerning the Series 20\_\_[B/C] Bonds and the Project.

Section 3.6. Payment of Expenses of Issuance of Series 20\_\_[B/C] Bonds. The Company agrees to be liable for and pay for [its portion of] any filing expenses, trustee's acceptance fees, first year annual trustee fees, commitment fees, legal fees, printing expenses and other fees and expenses incurred or to be incurred by or on behalf of the Issuer, the Trustee and the Paying Agent in connection with or as an incident to the issuance and sale of the Series 20\_\_[B/C] Bonds [in the amount of 43%/57% of the total thereof].

(iii) the entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency or similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Company or for any substantial part of its property, or ordering the windup or liquidation of its affairs; or the filing and pendency for thirty days without dismissal of a petition initiating an involuntary case under any other bankruptcy, insolvency or similar law; or

(iv) the commencement by the Company of any voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, whether consent by it to an entry to an order for relief in an involuntary case and under any such law or to the appointment of or the taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Company or of any substantial part of its property, or the making of it by any general assignment for the benefit of creditors, or the failure of the Company generally to pay its debts as such debts become due, or the taking of corporate action by the Company in furtherance of any of the foregoing; or

(v) Any event of default under Section 7.1 of the 20\_\_[B/C] Indenture.

(b) During the occurrence and continuance of any event of default hereunder, the Trustee, as assignee of the Issuer pursuant to the 20\_\_[B/C] Indenture, shall have the rights and remedies hereinafter set forth, in addition to any other remedies herein or provided by law.

(ii) Waiver of Events of Default. If after any event of default occurs and prior to the Trustee exercising any of the remedies provided in this 20\_\_[B/C] Financing Agreement, the Company will have completely cured such default, then in every case such default will be waived, rescinded and annulled by the Trustee by written notice given to the Company.

(d) Notwithstanding anything herein to the contrary, during the occurrence and continuance of an event of default by the Company arising from a breach of representations or the covenants of the Company set forth in this 20\_\_[B/C] Financing Agreement, the Issuer may in its discretion, proceed to protect and enforce its rights under this 20\_\_[B/C] Financing Agreement by a suit or suits in equity or at law, whether for damages or for the specific performance, including the recovery of reasonable attorney's fees.

Section 5.2. Remedies Cumulative. Section 5.3. Delay or Omission Not a Waiver. No delay or omission of the Trustee to exercise any right or power accruing upon any event of default shall impair any such right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by this 20\_\_[B/C] Financing Agreement to the Trustee may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 5.4. Waiver of Extension, Appraisal or Stay Laws. To the extent permitted by law, the Company will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this 20\_\_[B/C] Financing Agreement; and the Company hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.5. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this 20\_\_[B/C] Financing Agreement invalid or unenforceable under the provisions of any applicable law.

The foregoing indemnification shall survive the removal or resignation of the Trustee and Paying Agent or the termination and discharge of the 20\_\_[B/C] Indenture.

The foregoing shall not be construed to prohibit the Borrower from pursuing its remedies against either the Issuer or the Trustee for damages to the Borrower resulting from personal injury or property damage caused by the intentional misrepresentation or willful misconduct of either the Issuer or the Trustee.

Section 3.5. Issuance of Substitute Notes. Upon the surrender of any Note, the Borrower will execute and deliver to the holder thereof a new Note dated the date of the Note being surrendered but with appropriate notations thereon to reflect payments of principal and interest thereon; provided, however, that there shall never be outstanding at any one time more than one Note of any one series.

Pursuant to Section 4.4 of the 20\_\_ [B/C] Indenture, the Issuer has authorized the use of certain proceeds of the Series 20\_\_ [B/C] Bonds to defray the Borrower's obligations under this Section.

Section 3.7. Funding of Indenture Funds; Investments. The Issuer shall deposit with the Trustee all proceeds from the sale of the Series 20\_\_ [B/C] Bonds in the manner specified in Article 3.1 of the 20\_\_ [B/C] Indenture, and the Trustee shall deposit such proceeds in the manner specified in Article 3.1 of the 20\_\_ [B/C] Indenture.

The Borrower and the Issuer agree that all moneys in any Fund established by the 20\_\_ [B/C] Indenture may, at the written direction of the Borrower, be invested in Qualified Investments.

The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for such investments. The Trustee shall not be liable or responsible for any loss resulting from any such investment. All such investments shall be held by or under the control of the Trustee and any income resulting therefrom shall be applied in the manner specified in the 20\_\_ [B/C] Indenture.

Section 3.8. Other Amounts Payable by the Borrower. The Borrower covenants and agrees to pay the following:

(a) To the extent Pledged TIF Revenues are not then available, [all/its portion of (in the amount of 43%/57% of the total thereof)] fees, charges and expenses, including reasonable agent and counsel fees and expenses, of the Trustee incurred under the 20\_\_[B/C] Indenture, as and when the same become due.

(b) To the extent Pledged TIF Revenues are not then available, [all/its portion of (in the amount of 43%/57% of the total thereof)] costs incident to the payment of the principal of, premium, if any, and interest on the Series 20\_\_[B/C] Bonds as the same become due and payable, including all reasonable costs and expenses in connection with the call, redemption, and payment of Series 20\_\_[B/C] Bonds.

(c) To the extent Pledged TIF Revenues are not then available, an amount sufficient to reimburse the Issuer for [all/its portion of (in the amount of 43%/57% of the total thereof)] expenses incurred by the Issuer under this 20\_\_[B/C] Loan Agreement and in connection with the performance of its obligations under this 20\_\_[B/C] Loan Agreement or the 20\_\_[B/C] Indenture.

(d) [all/its portion of (in the amount of 43%/57% of the total thereof)] expenses incurred in connection with the enforcement of any rights under this 20\_\_[B/C] Loan Agreement or the 20\_\_[B/C] Indenture by the Issuer, the Trustee or the Bondholders.

(e) To the extent Pledged TIF Revenues are not then available (and to the extent such payments may be lawfully made from the Pledged TIF Revenues), all other payments of whatever nature which the Borrower has agreed to pay or assume under the provisions of the 20\_\_[B/C] Loan Agreement.

Notwithstanding anything in this Section 3.8 to the contrary, the Borrower may, without creating an event of default as herein defined, after making the payments required by this Section 3.8, contest in good faith the necessity for any such services, fees, charges or expenses of the Issuer or the Trustee or the Bondholders.

Section 3.9. Credits on Notes. Notwithstanding any provision contained in this 20\_\_[B/C] Loan Agreement or in the 20\_\_[B/C] Indenture to the contrary, in addition to any credits on the Notes resulting from the payment or prepayment thereof from other sources:

(a) subject to the provisions of Article IV with respect to partial prepayment of the Note, any moneys deposited by the Trustee in the Bond Fund for payment on the Bonds (including without limitation any bond proceeds to be used for Capitalized Interest Costs and any Pledged TIF Revenues) shall be credited against the obligation of the Borrower to pay the principal, premium, if any, and interest on the Notes as the same become due; and

(b) the principal amount of Bonds of any series and maturity acquired by the Borrower and delivered to the Paying Agent, or acquired by the Paying Agent and canceled, shall be credited against the obligation of the Borrower to pay the principal of the Note evidencing the loan made by the Issuer with the proceeds of the sale of Bonds of such series maturing on the maturity date

of the Bonds so acquired and delivered or canceled, including in connection with any mandatory sinking fund payment for any series of Bonds subject to a mandatory sinking fund requirement.

Section 3.10. Completion of Project. (a) Borrower agrees that it will make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other persons, firms, corporations or partnerships and in general do all things which may be requisite or proper, all for constructing and completing the Project, to the extent permitted by law, by \_\_\_\_\_, 20\_\_.

The Borrower will acquire and complete, or cause to be acquired and completed, the Project in accordance with the development standards set forth in Ordinance No. 012208A, adopted by the City Council of the City of Fishers, Indiana, on March 3, 2008, as the same may be supplemented and amended or restated and amended, in either event with the written agreement of the Borrower.

The Borrower acknowledges that the moneys in the Construction Fund will not be sufficient to pay in full the costs of the Project. The Borrower agrees, for the benefit of the Issuer and the Bondholders and in order to fulfill the purposes of the Act, to complete the construction of the Project and to pay that portion of the costs therefor in excess of the moneys available therefor in the Construction Fund, and the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee, or the holders of any of the Bonds, nor shall it be entitled to any diminution in or abatement or postponement of the amounts payable hereunder or under the Series 20\_\_[B/C] Note. The Issuer does not make any warranty, either express or implied, that the moneys, which will be paid into the Construction Fund and which under the provisions of this 20\_\_[B/C] Loan Agreement will be available for payment of the costs of the construction of the Project, will be sufficient to pay the costs of all or any particular portion of the Project.

(b) The Issuer has, in the 20\_\_[B/C] Indenture, authorized and directed Trustee to make payments from the Construction Fund to pay the Costs of Construction, or to reimburse Borrower for any Costs of Construction paid by it. Borrower agrees to direct such requisitions to Trustee as may be necessary to effect payments out of the Construction Fund in accordance with this Section 3.10.

(c) Upon its determination that the Project has been completed, the Borrower shall deliver to the Trustee, the Bondholders, and the Issuer by a certificate signed by an authorized representative of Borrower stating that, except for amounts retained by Trustee at Borrower's direction for any Costs of Construction not then due and payable or being contested in good faith, (i) the construction of the Project has been completed and any and all labor, services, materials and supplies used in such construction have been paid for, (ii) all other items necessary in connection with the Project have been constructed and all costs and expenses incurred in connection therewith have been paid, and (iii) the Project meets the required standards set forth in Exhibit A-2 (such certificate, the "Certificate of Completion"). Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

(d) Upon receipt of the Certificate of Completion, the Issuer shall determine in its reasonable discretion whether or not the Project has been completed in accordance with the required standards set forth on Exhibit A-2. If the Issuer determines that the Project has been completed in the accordance with the required standards set forth in Exhibit A-2, the Issuer shall approve the Certificate of Completion and deliver such approved Certificate of Completion to the Trustee.

(e) Upon receipt of the Certificate of Completion approved by the Issuer, the Trustee shall in accordance with Section 4.4(e) of the 20\_\_[B/C] Indenture transfer all moneys then in the Construction Fund to a special escrow account within the Bond Fund for redemption, except any amount retained as aforesaid by Trustee for any Costs of Construction. The Trustee shall use any amount transferred to the Bond Fund from the original Loan together with interest thereon to redeem the Series 20\_\_[B/C] Bonds as provided in Section 5.1 of the 20\_\_[B/C] Indenture.

Section 3.11. Sale, Substitution, or Lease of Project. The Borrower may sell, lease or transfer or otherwise dispose of the Project or any portion thereof as provided in this Section 3.11; provided however the sale, lease or transfer or other disposition shall not relieve the Borrower from liability from all payments due under this 20\_\_[B/C] Loan Agreement and the performance of all of the other obligations of this 20\_\_[B/C] Loan Agreement, except as permitted by Section 3.3 hereof. Before the Project is substantially complete, the Borrower may sell, lease, transfer or otherwise dispose of the Project or any portion thereof if the Borrower is making such sale, lease, transfer or disposition in furtherance of the Borrower's development plans for the Project. After the Project is substantially complete, the Borrower may sell, lease, transfer or otherwise dispose of the Project or any portion thereof with the written consent of the owners of all of the Series 20\_\_[B/C] Bonds. Notwithstanding anything in this 20\_\_[B/C] Loan Agreement to the contrary, the Issuer acknowledges and agrees that for the Borrower to complete the Project, the Borrower must sell, lease, transfer or otherwise dispose of portions of the Area to other businesses, contractors and developers. The Issuer further acknowledges and agrees that such sales, leases, transfers and other dispositions will not result in any breach of this Section 3.11 or an event of default under this Agreement, provided the owners of all of the Series 20\_\_[B/C] Bonds consent in writing to such sales, leases, transfers and other dispositions.

## ARTICLE IV.

### PREPAYMENT OF SERIES 20 \_\_[B/C] Note

Section 4.1. Optional Prepayment. The Series 20 \_\_[B/C] Note may be prepaid, in whole or in part, on any date at the principal amount thereof and without premium, plus in each case accrued interest to the date fixed for redemption.

To exercise such option to prepay the Series 20 \_\_[B/C] Note, in whole or in part, the Borrower must cause funds to be deposited with the Trustee to pay the principal of, premium, if any, and accrued interest on the portion of the Series 20 \_\_[B/C] Note to be prepaid and the corollary redemption of the Series 20 \_\_[B/C] Bonds. Any amount so paid which is less than the full unpaid principal amount of the Series 20 \_\_[B/C] Bonds shall be credited against the installment or installments of principal due on the Series 20 \_\_[B/C] Note corresponding to the maturity of the Series 20 \_\_[B/C] Bonds being redeemed, and shall also be a credit against any mandatory sinking fund obligation and the corresponding Series 20 \_\_[B/C] Note obligation with respect thereto in the sequence in which such mandatory sinking fund obligation becomes due.

Section 4.2. Mandatory Prepayment Upon Cancellation of Bonds. Redemption of Bonds with proceeds derived under Section 3.9 hereof shall be deemed prepayment of the Notes in the same amount as the amount of Bonds redeemed.

Section 4.3. Notice of Prepayment. The Borrower shall give the Trustee not less than five (5) days prior written notice of any prepayment of the Series 20 \_\_[B/C] Note pursuant to Sections 4.1 hereof, which notice shall designate the date of prepayment and the amount thereof, indicate the section or subsection pursuant to which prepayment shall occur, and direct the redemption of the Series 20 \_\_[B/C] Bonds in the amounts corresponding to the Series 20 \_\_[B/C] Note to be prepaid.

## ARTICLE V.

### EVENTS OF DEFAULT AND REMEDIES THEREFOR

Section 5.1. Events of Default. (a) The occurrence and continuance of any of the following events shall constitute an “event of default” hereunder:

(i) failure of the Borrower to pay any installment of interest, principal, or any premiums, on any Note when the same shall become due and payable, whether at maturity or upon any date fixed for prepayment or by acceleration or otherwise, unless the Requisite Bondholders shall have consented thereto;

(ii) failure of the Borrower to observe and perform any other covenant, condition or provision hereof and to remedy such default within 30 days after notice thereof from the Trustee to the Borrower, unless the Requisite Bondholders shall have consented thereto;

(iii) the entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Borrower in an involuntary case under any applicable bankruptcy, insolvency or similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Borrower or for any substantial part of its property, or ordering the windup or liquidation of its affairs; or the filing and pendency for thirty days without dismissal of a petition initiating an involuntary case under any other bankruptcy, insolvency or similar law; or

(iv) the commencement by the Borrower of any voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, whether consent by it to an entry to an order for relief in an involuntary case and under any such law or to the appointment of or the taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Borrower or of any substantial part of its property, or the making of it by any general assignment for the benefit of creditors, or the failure of the Borrower generally to pay its debts as such debts become due, or the taking of corporate action by the Borrower in furtherance of any of the foregoing; or

(v) Any event of default under Section 7.1 of the 20\_\_[B/C] Indenture.

(b) During the occurrence and continuance of any event of default hereunder, the Trustee, as assignee of the Issuer pursuant to the 20\_\_[B/C] Indenture, shall have the rights and remedies hereinafter set forth, in addition to any other remedies herein or by law provided.

(c) Upon the occurrence of an event of default described in this Section 5.1:

(i) Acceleration. The Trustee may, and shall if directed by Requisite Bondholders, by written notice to the Borrower, declare the principal of the Notes (if not then due and payable), and the interest accrued thereon to be due and payable immediately, and upon any such declaration the principal of the Notes and the interest accrued on the

Notes shall become and be immediately due and payable, anything in the Notes or in this 20\_\_[B/C] Loan Agreement contained to the contrary notwithstanding. The Issuer's obligation to pay Pledged TIF Revenues shall not be subject to acceleration.

(ii) Right to Bring Suit, Etc. The Trustee, with or without entry, personally or by attorney, may in its discretion, proceed to protect and enforce its rights by a suit or suits in equity or at law, whether for damages or for the specific performance of any covenant or agreement contained in the Notes, this 20\_\_[B/C] Loan Agreement or in aid of the execution of any power herein granted, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce any of its rights or duties hereunder; provided, however that all costs incurred by the Trustee and the Issuer under this Article shall be paid to the Issuer and the Trustee by the Borrower on demand.

(iii) Waiver of Events of Default. If after any event of default occurs and prior to the Trustee exercising any of the remedies provided in this 20\_\_[B/C] Loan Agreement, the Borrower will have completely cured such default, then in every case such default will be waived, rescinded and annulled by the Trustee by written notice given to the Borrower. In addition, if the acceleration of the maturity of the Bonds will have been annulled and rescinded in accordance with the provisions of the 20\_\_[B/C] Indenture, then the acceleration of all loan payments and any other outstanding indebtedness under this 20\_\_[B/C] Loan Agreement will likewise be annulled and rescinded. No such waiver, annulment or rescission will affect any subsequent default or impair any right or remedy consequent thereon.

Section 5.2. Trustee May Enforce Demand. In case the Borrower shall have failed to pay such principal and interest and other amounts upon demand, the Trustee, in its own name, may institute such actions or proceedings at law or in equity for the collection of the amounts so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Borrower and collect the moneys adjudged or decreed to be payable out of the property of the Borrower wherever situated, in the manner provided by law.

The Trustee shall, if permitted by law, be entitled to recover judgment as aforesaid either before or after or during the pendency of any proceedings for the enforcement of the lien of this 20\_\_[B/C] Loan Agreement; and the right of the Trustee, to recover such judgment shall not be affected by the exercise of any other right, power or remedy for the enforcement of the provisions of this 20\_\_[B/C] Loan Agreement.

Any moneys thus collected by the Trustee under this Section shall be applied by the Trustee as follows:

FIRST: to the payment of all reasonable advances by the Issuer or by the Trustee with interest at the prime rate of interest charged by the Trustee from time to time, and all reasonable expenses and disbursements.

SECOND: to the payment of the amounts then due and unpaid upon the Notes in respect of which such money shall have been collected, ratably and without preference or priority of any kind, according to the amounts due and payable upon the Notes, upon presentation of the Notes and the notation thereon of such payment, if partly paid, and upon surrender thereon if fully paid.

Section 5.3. Remedies Cumulative. No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. Notwithstanding anything in this 20\_\_[B/C] Loan Agreement to the contrary, the Requisite Bondholders shall control the declaration or waiver of events of default under Section 5.1, and may exercise, and shall control the exercise of, all remedies under this 20\_\_[B/C] Loan Agreement, including those set forth in Sections 5.1 and 5.2.

Section 5.4. Delay or Omission Not a Waiver. No delay or omission of the Trustee to exercise any right or power accruing upon any event of default shall impair any such right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by this 20\_\_[B/C] Loan Agreement to the Trustee may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 5.5. Waiver of Extension, Appraisalment or Stay Laws. To the extent permitted by law, the Borrower will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this 20\_\_[B/C] Loan Agreement; and the Borrower hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.6. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this 20\_\_[B/C] Loan Agreement invalid or unenforceable under the provisions of any applicable law.

Section 6.1. Immunity. No covenant or agreement contained in the Bonds, this 20\_\_[B/C] Loan Agreement or the 20\_\_[B/C] Indenture shall be deemed to be a covenant or agreement of any member of the Issuer, the Commission, or the Redevelopment Commission or of any officer or employee of the Issuer, the Commission, the Redevelopment Commission or their legislative and fiscal bodies in his or her individual capacity, and neither the members of the Issuer, the Commission, the Redevelopment Commission, nor any officer or employee of the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

### **DEFEASANCE**

Section 8.1. Defeasance. If the Borrower shall pay and discharge or provide, in a manner satisfactory to the Trustee, for the payment and discharge of the whole amount of the Notes at the time outstanding, and shall pay or cause to be paid all other sums payable hereunder, or shall make arrangements satisfactory to the Trustee for such payment and discharge, and if provision shall have been made for the satisfaction and discharge of the 20\_\_[B/C] Indenture as provided therein, then and in that case, all property, rights and interest hereby conveyed or assigned or pledged shall revert to the Borrower, and the estate, right, title and interest of the Trustee therein shall thereupon cease, terminate and become void; and this 20\_\_[B/C] Loan Agreement, and the covenants of the Borrower contained herein, shall be discharged and the Trustee in such case on demand of the Borrower and at its cost and expense, shall execute and deliver to the Borrower a proper instrument or proper instruments acknowledging the satisfaction and termination of this 20\_\_[B/C] Loan Agreement, and shall convey, assign and transfer or cause to be conveyed, assigned or transferred, and shall deliver or cause to be delivered, to the Borrower, all property, including money, then held by the Trustee together with the Notes marked paid or cancelled.

\_\_\_\_\_  
NOTE, SERIES 20\_\_[B/C]

FOR VALUE RECEIVED, the undersigned, \_\_\_\_\_ (“Borrower”), a [limited liability company/corporation] organized and existing under the laws of the State of Indiana, hereby promises to pay to the order of the City of Fishers, Indiana (“Issuer”), in immediately available funds, the principal sum of \$ \_\_\_\_\_ and interest thereon, during the term of the 20\_\_[B/C] Loan Agreement (the “20\_\_[B/C] Loan Agreement”) dated as of \_\_\_\_\_ 1, 20\_\_ between Issuer and Borrower, commencing one business day prior to \_\_\_\_\_, and on one business day prior to each February 1 and August 1 thereafter, a sum which will equal the principal and interest which will become due on the next day on the Series 20\_\_[B/C] Bonds (as hereinafter defined), all subject to the credits described in the 20\_\_[B/C] Loan Agreement and to the presence of other available money for such installment in the Bond Fund under the 20\_\_[B/C] Trust Indenture (including without limitation any Pledged TIF Revenues) dated as of \_\_\_\_\_, 20\_\_ between the Issuer and \_\_\_\_\_, as Trustee (the “Trustee”).

Payments of both principal and interest are to be endorsed to the Trustee, and are to be made directly to the Trustee for the account of the Issuer pursuant to such endorsement. Such endorsement is to be made as security for the payment of the bonds designated “City of Fishers, Indiana Taxable Economic Development Revenue Bonds, Series 20\_\_[B/C] (Gray Eagle [Golf Course/Multi-Family] Project)” (the “Series 20\_\_[B/C] Bonds”). All of the terms, conditions and provisions of the 20\_\_[B/C] Indenture are, by this reference thereto, incorporated herein as a part of this Note.

This Note is issued pursuant to the 20\_\_[B/C] Loan Agreement, and is entitled to the benefits, and is subject to the conditions thereof. The obligations of Borrower to make the payments required hereunder shall be absolute and unconditional without any defense or right of set-off, counterclaim or recoupment by reason of any default by Issuer under the 20\_\_[B/C] Loan Agreement or under any other agreement between Borrower and Issuer or out of any indebtedness or liability at any time owing to the Borrower by the Issuer or for any other reason. Notwithstanding the foregoing, the Pledged TIF Revenues are intended to be credited against and serve to reduce the Borrower’s obligations to make payments under this Note, all as more fully provided in the 20\_\_[B/C] Loan Agreement and such 20\_\_[B/C] Trust Indenture.

The principal of this Note is subject to prepayment prior to maturity in the manner stated in the 20\_\_[B/C] Loan Agreement.

In certain events and in the manner set forth in the 20\_\_[B/C] Loan Agreement, the entire principal amount of this Note and the interest accrued thereon may be declared to be due and payable. In certain events and in the manner set forth in the 20\_\_[B/C] Loan Agreement, the Borrower shall be obligated to pay additional amounts.

**THE BONDS**

Section 2.1. **Authorized Amount of 20\_\_ Bonds.** No Bonds may be issued under the provisions of this Indenture except in accordance with this Article. The principal amount of the 20\_\_ Bonds (other than Bonds issued in substitution therefor pursuant to Section 2.9 hereof) that may be issued is hereby expressly limited to \$ \_\_\_\_\_. Additional Bonds may be issued as provided in Section 2.8 hereof.

Section 2.2. **Issuance of 20\_\_ Bonds.** The 20\_\_ Bonds shall be designated “City of Fishers, Indiana Taxable Economic Development Revenue Bonds, 20\_\_ (Gray Eagle Golf Course Project).” The 20\_\_ Bonds shall be originally issuable as fully registered Bonds in denominations of \$100,000 and integral multiples of \$1,000 in excess thereof and shall be lettered and numbered R-1 and upward, or in any other manner acceptable to the Trustee and the Issuer. Interest on the Bonds shall be paid to the owners of such Bonds determined as of the close of business of the Record Date next preceding each Interest Payment Date at the registered addresses of such owners as they shall appear on the registration books of the Trustee notwithstanding the cancellation of any such 20\_\_ Bonds upon any exchange or transfer thereof subsequent to the Record Date and prior to such Interest Payment Date, except that, if and to the extent that there shall be a default in the payment of the interest due on such interest payment date, such defaulted interest shall be paid to the owners in whose name any such 20\_\_ Bonds (or any Bond issued upon transfer or exchange thereof) are registered at the close of business of the Record Date next preceding the date of payment of such defaulted interest. Payment of interest to all Bondholders shall be by check drawn on the designated office of the Paying Agent and mailed to such Bondholder one business day prior to each Interest Payment Date. The 20\_\_ Bonds shall be dated as of the date of their delivery. Interest shall be computed on the basis of a 360 day year consisting of twelve 30-day months. The interest on the 20\_\_ Bonds shall be payable semiannually on each Interest Payment Date.

The 20\_\_ Bonds shall bear interest from the Interest Payment Date next preceding the date of authentication thereof, unless such date of authentication shall be subsequent to a Record Date, in which case they shall bear interest from the Interest Payment Date with respect to such Record Date, provided, however, that if, as shown by the records of the Trustee, interest on the 20\_\_ Bonds shall be in default, 20\_\_ Bonds issued in exchange for 20\_\_ Bonds surrendered for transfer or exchange shall bear interest from the date to which interest has been paid in full on the 20\_\_ Bonds or, if no interest has been paid on the 20\_\_ Bonds, from the date of issuance and delivery of the 20\_\_ Bonds. 20\_\_ Bonds authenticated on or prior to \_\_\_\_\_ 15, 20\_\_ shall bear interest from the date of delivery of the 20\_\_ Bonds. The 20\_\_ Bonds shall mature on \_\_\_\_\_ 1, 20\_\_.

Principal installment payments shall be as set forth below, with deemed purchases of the 20\_\_ Bonds (pursuant to Section 4.4 hereof) to be allocated first to the earliest installment dates:

Except as provided below, all payments on the 20\_\_ Bonds shall be made to the person appearing on the Bond registration books of the Trustee as the registered owner of the 20\_\_ Bonds by check mailed to the Registered Owner thereof as shown on the registration books of the Trustee, or by such other method acceptable to the Trustee, requested by and at the risk of the Bondholder, including by wire transfer as a registered owner of the aggregate amount of \$1,000,000 or more of the principal amount of the Bonds, upon the written request of the Bondholder to the Trustee on or prior to the Record Date, which direction shall remain in effect until revoked in writing by the Bondholder, or, if payment is made to a depository, by wire transfer of immediately available funds on the interest payment date. If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. If the Bondholder, the Company, the Issuer, and the Trustee agree in writing, payments on the Bonds may, upon assignment by the registered holder of the Bonds, be payable by the Issuer to assignee at the written directions of the registered holder of the Bonds.

Section 2.4. **Execution; Limited Obligation.** The 20\_\_ Bonds shall be executed on behalf of the Issuer with the manual or facsimile signature of its Mayor and attested with the manual or the facsimile signature of its Controller and shall have impressed or printed thereon the corporate seal of the Issuer. Such facsimiles shall have the same force and effect as if such officer had manually signed each of the 20\_\_ Bonds. If any officer whose signature or facsimile signature shall appear on the 20\_\_ Bonds shall cease to be such officer before the delivery of such Bonds, such signature or such facsimile shall, nevertheless, be valid and sufficient for all purposes, the same as if he had remained in office until delivery.

The 20\_\_ Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof. The 20\_\_ Bonds, as to both principal and interest, are not an obligation or liability of the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from the trust estate consisting of [the Loan Payments,] funds and accounts held under the Indenture, and the Pledged TIF Revenues, pledged and assigned for their payment in accordance with the Indenture. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of, premium, if any, or the interest on the 20\_\_ Bonds. The 20\_\_ Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of, premium, if any, or interest on the 20\_\_ Bonds. No covenant or agreement contained in the 20\_\_ Bonds or the Indenture shall be deemed to be a covenant or

agreement of the Redevelopment Commission, the Economic Development Commission, or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the 20\_\_ Bonds shall be liable personally on the 20\_\_ Bonds or be subject to any personal liability or accountability by reason of the issuance of the 20\_\_ Bonds.

Section 2.5. **Authentication.** No 20\_\_ Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until the certificate of authentication on such 20\_\_ Bond substantially in the form hereinabove set forth shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such 20\_\_ Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any 20\_\_ Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the 20\_\_ Bonds issued hereunder.

Section 2.6. **Form of Bonds.** The 20\_\_ Bonds and the Trustee's certificate of authentication to be endorsed thereon are all to be in substantially the following forms, and any Additional Bonds and Trustee's certificate of authentication are also to be in substantially the following forms (except as to redemption, sinking fund and other provisions peculiar to such Additional Bonds), with necessary and appropriate variations, omissions and insertions as permitted or required by this Indenture, to-wit:

This bond shall not need to be presented for payment except upon final maturity or redemption in full.

This Bond is the only one of an authorized issue of the Issuer's Taxable Economic Development Revenue Bonds, Series 20\_\_ (Gray Eagle Golf Course Project) (hereinbefore and hereinafter the, "20\_\_ Bonds") which are being issued under the hereinafter described Indenture in the aggregate principal amount of \$\_\_\_\_\_. The 20\_\_ Bonds are being issued for the purpose of providing funds to finance the acquisition, construction, renovation and equipping of (i) a new clubhouse facility on the Gray Eagle Golf Course comprised of approximately 27,753 square feet including a restaurant, simulation bays, a practice green, hitting bays, and a golf shop, (ii) other improvements to the Gray Eagle Golf Course including a new halfway house including men and women's bathrooms, a new irrigation system, improved drainage, new signage, and a two-tiered driving range with netting. The 20\_\_ Bonds are issued under and entitled to the security of a Trust Indenture dated as of \_\_\_\_\_ 1, 20\_\_ ("Indenture") duly executed and delivered by the Issuer to \_\_\_\_\_, as Trustee (the term "Trustee" where used herein referring to the Trustee or its successors), pursuant to which Indenture[, the Loan Payments,] the Pledged TIF Revenues. and all rights of the Issuer under the [Financing Agreement/Loan Agreement], except certain rights to payment for expenses, indemnity rights and rights to perform certain discretionary acts as set forth in the [Financing Agreement/Loan Agreement], are pledged and assigned by the Issuer to the Trustee as security for the 20\_\_ Bonds. THE OWNER OF THIS BOND, BY ACCEPTANCE OF THIS 20\_\_ BOND, HEREBY AGREES TO ALL OF THE TERMS AND PROVISIONS IN THE INDENTURE AND THIS 20\_\_ BOND, AND ACKNOWLEDGES THAT:

the Pledged TIF Revenues, as it deems to be necessary in connection with investment in the 20\_\_ Bonds. It has received, read and had an opportunity to comment upon and has consented to the provisions of the Indenture, the 20\_\_ Bonds and the [Financing Agreement/Loan Agreement]. Prior to the purchase of the 20\_\_ Bonds, it has been provided with the opportunity to ask questions of and receive answers from the representatives of the Issuer concerning the terms and conditions of the 20\_\_ Bonds, the tax status of the 20\_\_ Bonds, legal opinions and enforceability of remedies, the security therefor, and property tax reform (including the hereinafter defined Circuit Breaker), and to obtain any additional information needed in order to verify the accuracy of the information obtained to the extent that the Issuer possess such information or can acquire it without unreasonable effort or expense. The Issuer may not increase its property tax levy or borrow money to make up any shortfall due to the application of this tax credit. It further understands that neither the Issuer nor the Economic Development Commission has the authority to levy a tax to pay the principal of the 20\_\_ Bonds.

4. It is acquiring the 20\_\_ Bonds for its own account with no present intent to resell; and it will not sell, convey, pledge or otherwise transfer the 20\_\_ Bonds without prior compliance with applicable registration and disclosure requirements of state and federal securities law.

6. It recognizes that: (a) the opinions it has received express the professional judgment of the attorneys participating in the transaction as to the legal issues addressed herein; (b) by rendering such opinions, the attorneys do not become insurers or guarantors of (i) that expression of professional judgment; (ii) the transaction opined upon; or (iii) the future performance of parties to such transaction; and (c) the rendering of the opinions does not guarantee the outcome of any legal dispute that may arise out of the transaction.

7. It understands that the Issuer has no continuing disclosure obligations with regard to the 20\_\_ Bonds.

It is provided in the Indenture that the Issuer may hereafter issue Additional Bonds (as defined in the Indenture) from time to time under certain terms and conditions contained therein.

(Such Additional Bonds and the 20\_\_ Bonds are hereinafter collectively referred to as the “Bonds.”) Reference is made to the Indenture and to all indentures supplemental thereto and to the [Financing Agreement/Loan Agreement] for a description of the nature and extent of the security, the rights, duties and obligations of the Issuer and the Trustee, the rights of the holders of the Bonds, the issuance of Additional Bonds and the terms on which the Bonds are or may be issued and secured, and to all the provisions of which the holder hereof by the acceptance of this 20\_\_ Bond assents.

The holder of this 20\_\_ Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. The Trustee shall authenticate such Bonds and deliver them to the Bond Purchaser thereof upon receipt of:

- (i) A copy, duly certified by the Clerk of the Issuer, of the ordinance adopted and approved by the Issuer authorizing the execution and delivery of the

[Financing Agreement/Loan Agreement] and this Indenture and the issuance of the 20\_\_ Bonds.

- (ii) A copy, duly certified by the Secretary of the Redevelopment Commission, of the resolution adopted and approved by the Redevelopment Commission pledging the Pledged TIF Revenues to the payment of the 20\_\_ Bonds.
- (iii) Executed counterparts of the [Financing Agreement/Loan Agreement] and Indenture.
- (iv) [the 20\_\_ Note in the same principal amount as the principal amount of the 20\_\_ Bonds, duly executed by the Company and endorsed by the Issuer to the order of the Trustee.]
- (v) A written request of the Issuer to the Trustee requesting the Trustee to authenticate, or cause to be authenticated, and deliver the 20\_\_ Bonds to the Bond Purchaser in the principal amount not to exceed \$\_\_\_\_\_.
- (vi) Such other documents as shall be reasonably required by the Bond Purchaser.

The proceeds of the 20\_\_ Bonds shall be paid over to the Trustee and deposited to the credit of various Funds as hereinafter provided under Section 3.1 hereof.

The 20\_\_ Bonds initially issued and authenticated hereunder shall be registered in the name of the Bond Purchaser.

Section 2.8. **Issuance of Additional Bonds.** One or more series of Bonds in addition to the 20\_\_ Bonds (“Additional Bonds”), may be authenticated and delivered from time to time for one or more of the purposes of (i) refunding entirely one or more series of Bonds outstanding hereunder, if such Bonds may otherwise be refunded, (ii) advance refunding entirely one or more series of Bonds outstanding hereunder, regardless of whether such Bonds may otherwise be refunded, if the same is then permitted by law, by depositing with the Trustee, in trust for the sole benefit of such series of Bonds, cash or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) in a principal amount which will, together with the income or increment to accrue thereon, be sufficient to pay and redeem (when redeemable) and discharge such series of Bonds at or before their respective maturity dates, and (iii) financing the cost or estimated cost of completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any.

Prior to the delivery by the Issuer of any such Additional Bonds, there shall be filed with the Trustee:

- (i) A supplement to this Indenture executed by the Issuer and the Trustee authorizing the issuance of such Additional Bonds, specifying the terms thereof and providing for the disposition of the proceeds of the sale thereof.

- (iii) A copy, duly certified by the Clerk of the Issuer, of the ordinance theretofore adopted and approved by the Issuer authorizing the execution and delivery of such supplemental indenture and such supplement to the [Financing Agreement/Loan Agreement] and the issuance of such Additional Bonds.
- (iv) A written request of the Issuer to the Trustee to authenticate and deliver such Additional Bonds.

Any Additional Bonds issued in accordance with the terms of this Section 2.8 shall be secured by this Indenture, but such Additional Bonds may bear such date or dates and such interest rate or rates, and have such maturities, redemption dates and premiums as may be agreed upon by the Issuer, at the direction of the Company, and the purchaser of such Additional Bonds.

Section 2.9. **Mutilated, Lost, Stolen, or Destroyed Bonds.** If any 20\_\_ Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate, upon the written direction of the Issuer, a new 20\_\_ Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated 20\_\_ Bond, such mutilated 20\_\_ Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed 20\_\_ Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

If any such 20\_\_ Bond shall have matured, instead of issuing a duplicate 20\_\_ Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed 20\_\_ Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it. The Trustee may charge the holder or owner of such 20\_\_ Bond with its fees and expenses in this connection. Any 20\_\_ Bond issued pursuant to this Section 2.9 shall be deemed part of the original series of 20\_\_ Bonds in respect of which it was issued and an original additional contractual obligation of the Issuer.

Section 2.10. **Registration and Exchange of 20\_\_ Bonds; Persons Treated as Owners.** The Issuer shall cause books for the registration and for the transfer of the 20\_\_ Bonds as provided in this Indenture to be kept by the Trustee, which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered 20\_\_ Bond at the principal office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to, the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered 20\_\_ Bond or 20\_\_ Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of

any fully registered 20\_\_ Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered 20\_\_ Bond. The Trustee shall not be required to transfer or exchange any fully registered 20\_\_ Bond during the period between the Record Date and any interest payment date of such 20\_\_ Bond, nor to transfer or exchange any 20\_\_ Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

As to any fully registered 20\_\_ Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon shall be made only to or upon the order of the registered owner thereof or its legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

On and after the redemption date specified in the aforesaid notice, such 20\_\_ Bonds, or portions thereof, thus called shall not bear interest, shall no longer be protected by this Indenture and shall not be deemed to be outstanding under the provisions of this Indenture, and the holders thereof shall have the right to receive only the redemption price thereof plus accrued interest thereon to the date fixed for redemption.

Section 5.3. **Cancellation.** All 20\_\_ Bonds which have been redeemed in whole shall be canceled and destroyed by the Trustee in accordance with its destruction policy in effect and shall not be reissued, and a certificate of destruction shall be furnished, upon written request, by the Trustee to the Issuer and the Company.

Upon the giving of notice and the deposit of funds for redemption, interest on the 20\_\_ Bonds thus called shall no longer accrue from and after the date fixed for redemption. No payment shall be made by the Paying Agent upon any 20\_\_ Bond until such 20\_\_ Bond shall have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 2.9 hereof with respect to any mutilated, lost, stolen or destroyed Bond. If fewer than all of the 20\_\_ Bonds within a principal installment are to be redeemed, the Trustee shall select by lot (meaning also random selection by computer) in such manner as the Trustee, in its discretion, may determine, the 20\_\_ Bonds or portions of 20\_\_ Bonds within such principal installment that shall be redeemed. ### GENERAL COVENANTS

Section 6.1. **Payment of Principal and Interest.** The Issuer covenants that it will promptly pay the principal of, premium, if any, and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. The principal, interest and premium, if any, on the Bonds are payable solely and only from the Pledged TIF Revenues and [if necessary, the Loan Payments, which payments are hereby specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified,] and nothing in the Bonds or in this Indenture should be considered as pledging any other funds or assets of the Issuer. The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer. The Bonds, as to both principal and interest, are not an obligation or liability of the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from Pledged TIF Revenues [and if necessary, the Loan Payments]. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of, premium, if any, or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of the Redevelopment Commission, the Economic Development Commission, the Issuer or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.2. **Performance of Covenants.** The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, and to pledge the Trust Estate, in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws, judicial decisions and principles of equity relating to or affecting creditors' rights generally and subject to the valid exercise of the constitutional powers of the Issuer, the State of Indiana and the United States of America.

Section 6.3. **Filing of Indenture, [Financing Agreement/Loan Agreement] and Security Instruments.** The Issuer, upon the written direction and at the sole expense of the Company, shall cause this Indenture, the [Financing Agreement/Loan Agreement] and all supplements thereto as well as such other security instruments, financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder. This Section 6.3 shall impose no duty to record or file the instruments noted above where filing or recordation is not required by law in order to perfect a security interest. Continuation of financing statements may be filed without consent of the debtor parties thereto.

Section 6.4. **Inspection of Books.** The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues derived from the Project shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 6.5. **List of Bondholders.** The Trustee will keep on file at the designated corporate trust office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Company or by holders and/or owners (or a designated representative thereof) of 25% or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6. **Rights Under [Financing Agreement/Loan Agreement].** The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Company under and pursuant to the [Financing Agreement/Loan Agreement] for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.

Section 6.7. **Investment of Funds.** Moneys in the Funds established hereunder may be invested in Qualified Investments to the extent and in the manner provided for in Section 3.8 of the [Financing Agreement/Loan Agreement] and in the absence of written direction the Trustee shall invest in funds in the \_\_\_\_\_, which is hereby deemed to constitute a Qualified Investment. The Trustee shall not be liable or responsible for any loss resulting from any such investment. The interest accruing thereon and any profit realized from such investments shall be credited, and any loss resulting from such investments shall be charged to the fund in which the money was deposited.

The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments. Ratings of permitted investments shall be determined at the time of purchase of such permitted investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including investment maintenance fees.

Although the Issuer and the Company each recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Issuer and the Company hereby agree that confirmations of permitted investments are not required

to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Section 6.8. **Non-presentment of Bonds.** If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay any such Bond shall have been made available to Paying Agent for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Paying Agent to hold such funds for five (5) years without liability for interest thereon, for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Paying Agent not so applied to the payment of Bonds within five (5) years after the date on which the same shall become due shall escheat to the State of Indiana, in accordance with applicable Indiana law.

Section 6.9. **Direction of Bondholders.** Whenever any action, direction or consent is required of the Trustee, the Trustee shall consult with the holders of the Bonds and shall take such action, give such direction or give such consent as the Trustee shall be directed in writing by the Requisite Bondholders.

## ARTICLE VII.

### DEFAULTS AND REMEDIES

Section 7.1. **Events of Default.** Each of the following events is hereby declared an “event of default” under this Indenture:

(a) any event of default as defined in Sections 5.1(a)(i), (a)(ii), (a)(iii) or (a)(iv) of the [Financing Agreement/Loan Agreement] shall occur and be continuing; or

(b) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Company by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of all of the Bonds then outstanding hereunder.

The insufficiency of Pledged TIF Revenues to pay debt service due on the 20\_\_ Bonds shall not constitute an event of default hereunder.

Section 7.2. **[Reserved]**.

Section 7.3. **Remedies; Rights of Bondholders.**

- (i) If an event of default occurs, the Trustee may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then outstanding, to enforce any obligations of the Issuer hereunder, and of the Company under the [Financing Agreement/Loan Agreement].
- (ii) Upon the occurrence of an event of default, and if directed in writing so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Article as the Trustee shall be directed in writing to exercise by the Requisite Bondholders.
- (iii) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

- (iv) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.
- (v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.4. **Right of Bondholders to Direct Proceedings.** Anything in this Indenture to the contrary notwithstanding, the holders of all Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee is obligated to pursue its remedies under the provisions of Section 7.3 hereof before any other remedies are sought.

Section 7.5. **Application of Moneys.** All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee or the Issuer, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

- (a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates (or principal installment dates, as appropriate), with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds (or principal installment dates, as appropriate) due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to (a) to the Issuer, if the Bonds have been paid in full, or (b) if and to the extent the Bonds have not been paid in full, to

the Company or its successors or assigns, upon the written request of the Company or to whosoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over any other installment of interest, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.6. **Remedies Vested In Trustee.** All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.5 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.7. **Rights and Remedies of Bondholders.** No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of all Bonds then outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby

declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.8. **Termination of Proceedings.** In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Company and the Trustee shall be restored to their former positions and rights hereunder, respectively, with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.9. **Waivers of Events of Default.** The Trustee shall waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal and/or premium, if any, and/or interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal and premium, if any, when due, as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

(End of Article VII)

## ARTICLE VIII.

### THE TRUSTEE AND PAYING AGENT

Section 8.1. **Acceptance of the Trusts.** The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the [Financing Agreement/Loan Agreement]; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the [Financing Agreement/Loan Agreement], and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of the proceeds of any Bonds authenticated by it or the Paying Agent or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct in connection with the performance of its duties hereunder.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the designated corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in possession of or managing the Trust Estate.

(i) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Trust Estate, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Section 8.1 and under Article VII hereunder the Trustee may require that a satisfactory indemnity bond or other indemnity be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including liability incurred in connection with the enforcement of the terms and provisions of this Indenture, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(m) All moneys received by the Trustee or the Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor the Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture as it shall be directed to in writing by the Requisite Bondholders.

(o) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(p) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. Under no circumstances does the Trustee assume any responsibility or liability for the issuance of the Bonds as obligations the interest on which is excludable from gross income for purposes of federal income taxation or for the maintenance of such tax-exempt status subsequent to the date of issuance of the Bonds.

(q) The Trustee shall not be accountable for the use or application by the Company of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or drawn down by the Company in accordance with the provisions of this Indenture and the [Financing Agreement/Loan Agreement] or for the use and application of money received by any paying agent.

Section 8.2. **Fees, Charges and Expenses of Trustee and Paying Agent.** The Trustee and Paying Agent shall be entitled to payment and/or reimbursement for fees for its services rendered hereunder and all advances, counsel fees and other expenses made or incurred by the Trustee or Paying Agent in connection with such services. To the extent that the Pledged TIF Revenues are insufficient to pay the Administrative Fees of the Trustee, it is agreed that the Company shall be responsible for unpaid fees of the Trustee. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of interest or principal of, or premium, if any, on any Bond for the foregoing advances, fees, costs

and expenses incurred. In the event of a bankruptcy, the fees and expenses of the Trustee shall constitute administrative expenses.

Section 8.3. **Notice to Bondholders if Default Occurs.** If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. **Intervention by Trustee.** In any judicial proceeding to which the Issuer is a party, the Trustee shall intervene on behalf of Bondholders subject to the provisions of Section 8.1(l), upon being directed in writing by the owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding to intervene in such proceeding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. **Successor Trustee.** Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. **Resignation by the Trustee.** The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. **Removal of the Trustee.** The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders. The fees and expenses of the Trustee shall be paid prior to the effectiveness of any removal.

Section 8.8. **Appointment of Successor Trustee by the Bondholders; Temporary Trustee.** In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such

owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank, having a reported capital and surplus of not less than One Hundred Million Dollars (\$100,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. **Concerning Any Successor Trustees.** Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. **Trustee Protected in Relying Upon Resolutions, etc.** Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 8.11. **Appointment of Paying Agent and Registrar; Resignation or Removal of Paying Agent.** The Trustee is hereby appointed as “Registrar” and “Paying Agent” under this Indenture. Any Registrar and Paying Agent may be removed at any time by an instrument, filed with such Registrar, Paying Agent and the Trustee and signed by the Issuer and the Company. Any successor Registrar and Paying Agent shall be appointed by the Issuer at the direction of the Company and shall be a bank or trust Company duly organized under the laws of any state of the United States or a national banking association, in each case having a capital stock and surplus aggregating at least \$100,000,000, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys or securities held by it as Paying Agent to its successors, or if there is no successor, to the Trustee.

Section 8.12. **Indemnification**. To the extent permitted by law, the Issuer hereby agrees to indemnify and save harmless the Trustee from all losses, liabilities, costs and expenses, including attorney fees and expenses, which may be incurred by it as a result of its acceptance of or arising from the performance of its duties hereunder, unless such losses, liabilities, costs and expenses shall have been finally adjudicated to have resulted from the gross negligence or willful misconduct of the Trustee, and such indemnification shall survive its resignation or removal of the Trustee or the defeasance of this Indenture.

The Trustee may conclusively rely on the written determination of the Issuer with respect to a supplemental indenture entered into pursuant to Section 9.1(d).

Section 9.4. **Supplemental Indenture Effectiveness Upon Trustee**. The Trustee need not enter into or consent to any supplemental indenture which it determines to be materially prejudiced to it.

Section 11.1. **Satisfaction and Discharge.** All rights and obligations of the Issuer and the Company under the [Financing Agreement/Loan Agreement] and this Indenture shall terminate, and such instruments shall cease to be of further effect, and upon the written direction of the Issuer, the Trustee shall execute and deliver all appropriate instruments evidencing and acknowledging the satisfaction of this Indenture, and shall assign and deliver to the Company any moneys and investments in all Funds established hereunder (except moneys or investments held by the Trustee for the payment of principal of and interest on the Bonds and except for any Pledged TIF Revenues which shall be delivered to the Issuer) when:

- (a) all fees and expenses of the Trustee and the Paying Agent shall have been paid;
- (b) the Issuer and the Company shall have performed all of their covenants and promises in the [Financing Agreement/Loan Agreement] and in this Indenture; and
- (c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Company, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be; provided, however, none of the Bonds may be advance refunded if such advance refunding is not permitted by the laws of Indiana.

Section 11.2. **Defeasance of Bonds.** Any Bond shall be deemed to be paid and no longer Outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal and interest of such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for. At such time, the Trustee shall be provided with a defeasance opinion by nationally recognized Bond Counsel. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such Bonds as aforesaid until (a) proper notice of redemption of such Bonds shall have been previously given in accordance with Section 5.2 of this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Company shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the Owners of the Bonds, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of the Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Company, in Governmental Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Section 11.2, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Section 11.2 for the payment of Bonds (including premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including the premium thereon, if any) with respect to which such moneys or Governmental Obligations have been so set aside in trust.

Anything in Article IX hereof to the contrary notwithstanding, if moneys or Governmental obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the Owner of each Bond affected thereby.

In determining the sufficiency of the moneys and/or Government Obligations deposited pursuant to this Section 11.2, the Trustee shall receive, at the expense of the Company, and may rely on a verification report of a firm of nationally recognized independent certified public accountants. The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

Section 11.3. **Cancellation of 20\_\_ Bonds.** If the Bondholders of any 20\_\_ Bonds presents that Bond to the Trustee with an instrument satisfactory to the Trustee waiving all claims for payment of that Bond, the Trustee shall cancel that 20\_\_ Bond and the Bondholder shall have no further claim against the Trust Estate, the Issuer or the Company with respect to that 20\_\_ Bond.

Section 11.4. **Application of Trust Money.** All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and

applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Paying Agent, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.5. **Consents, etc., of Bondholders.** Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture or the [Financing Agreement/Loan Agreement] requires that any such consent or other action be taken by the holders of a specified percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the following persons shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met: the Issuer, any of its members, the Company, or the directors, trustees, officers or members of the Company. For all other purposes, Bonds held by or for the account of such person shall be deemed to be outstanding hereunder. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, bank or bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank or to such banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a bank, bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until the Trustee shall have received notice in writing to the contrary.

Section 11.6. **Limitation of Rights.** With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Company, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and

exclusive benefit of the parties hereto and the Company and the holders of the Bonds as herein provided.

Section 11.7. **Severability.** If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.8. **Notices.** All notices, demands, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, with proper address as indicated below. The Issuer, the Company, and the Trustee may, by written notice given by each to the others, designate any address or addresses to which notices, demands, certificates or other communications to them shall be sent when required as contemplated by this Indenture. Until otherwise provided by the respective parties, all notices, demands, certificates and communications to each of them shall be addressed as provided in Section 9.4 of the [Financing Agreement/Loan Agreement].

Notwithstanding the foregoing, the Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and the [Financing Agreement/Loan Agreement] and delivered using Electronic Means; provided, however, that the Issuer and the Company, as the case may be, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and the Company, as the case may be, whenever a person is to be added or deleted from the listing. If the Issuer and the Company, as the case may be, elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Issuer and the Company each understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer and the Company, as the case may be, shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Issuer and the Company, as the case may be, and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer and the Company, as the case may be. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer and the Company each agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with

the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer and the Company, as the case may be; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. “Electronic Means” shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Section 11.9. **Counterparts.** This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.10. **Applicable Law.** This Indenture shall be governed exclusively by the applicable laws of the State of Indiana.

Section 11.11. **Immunity of Officers and Directors.** No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future members, officer, directors, agents, attorneys or employees of the Issuer, or any incorporator, member, officer, director, agents, attorneys, employees or trustee of any successor corporation, as such, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, members, officers, directors, agents, attorneys, employees or trustees as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

Section 11.12. **Holidays.** If any date for the payment of principal or interest on the Bonds is not a business day then such payment shall be due on the first business day thereafter with the same force and effect as if made on such date.

Section 11.13. **Shortfall of Pledged TIF Revenues.** Notwithstanding any other provision of this Indenture, any portion of the principal or interest due on the 20\_\_ Bonds that remains unpaid shall not be deemed defeased or otherwise satisfied, shall not be considered paid, and shall continue to be due and owing until the earlier of: (i) full payment by the Issuer; or (ii) the maturity date of the 20\_\_ Bonds. Interest shall not accrue on the interest that remains unpaid beyond the applicable debt service payment date.

**REPORT OF THE CITY OF FISHERS  
ECONOMIC DEVELOPMENT COMMISSION CONCERNING  
THE PROPOSED FINANCING OF ECONOMIC DEVELOPMENT  
FACILITIES FOR GRAY EAGLE GOLF L.L.C. AND J.C. HART COMPANY, INC.**

**GRAY EAGLE PROJECTS**

The City of Fishers Economic Development Commission (the “Commission”) proposes to recommend to the Common Council of the City of Fishers, Indiana (the “City”), that it provide a portion of the proceeds of one or more series of certain economic development revenue bonds (the “Bonds”) to Gray Eagle Golf L.L.C. (together with any affiliate(s) thereof, the “Golf Course Developer”), J.C. Hart Company, Inc. (together with any affiliate(s) thereof, the “Multi-Family Developer” and collectively with the Golf Course Developer, the “Developers”), for the financing of certain economic development facilities in the City.

In connection therewith, the Commission hereby reports as follows:

A. The proposed economic development facilities consist of the acquisition, construction, renovation and equipping of (i) a new clubhouse facility on the Gray Eagle Golf Course comprised of approximately 27,753 square feet including a restaurant, simulation bays, a practice green, hitting bays, and a golf shop and (ii) other improvements to the Gray Eagle Golf Course including a new halfway house including men and women’s bathrooms, a new irrigation system, improved drainage, new signage, and a two-tiered driving range with netting (clauses (i) and (ii) collectively, the “Golf Course Project”), and (iii) a multi-family housing development including 101 Garden Style Units, 26 Master Down Paired Homes, 22 Paired Ranch Style Homes and recreational amenities including pickle-ball courts, bocce ball courts, and a swimming pool (clause (iii), the “Multi-Family Project” and collectively with the Golf Course Project, the “Project”).

B. The Commission estimates that except for those public works and services for which funds of the City are expected to be available, there are no public works or services, including public ways, schools, water, sewer, street lights and fire protection, will be made necessary or desirable by the Project, because any such works or services already exist or will be provided by the Project itself or by one or more of the Developers, or other parties.

C. The Commission estimates that the total cost of the Project will be \$55,000,000 to \$60,000,000, of which \$4,885,000 shall constitute the City’s portion to be financed with the proceeds of the Bonds to be issued in an aggregate principal amount not to exceed \$7,000,000.

D. The Commission estimates that the Project will create or retain approximately 112 jobs with an annual payroll of not less than approximately \$1,802,000.

E. Based on the uncontroverted evidence received at the public hearing held by the Commission on the date hereof, the Project will have no adverse competitive effect on similar facilities already constructed or operating in the City of Fishers, Indiana.

Adopted this 21<sup>st</sup> day of July, 2025.

The foregoing shall not be construed to prohibit the Borrower from pursuing its remedies against either the Issuer or the Trustee for damages to the Borrower resulting from personal injury or property damage caused by the intentional misrepresentation or willful misconduct of either the Issuer or the Trustee.

Section 3.5. Issuance of Substitute Notes. Upon the surrender of any Note, the Borrower will execute and deliver to the holder thereof a new Note dated the date of the Note being surrendered but with appropriate notations thereon to reflect payments of principal and interest thereon; provided, however, that there shall never be outstanding at any one time more than one Note of any one series.

The Borrower and the Issuer agree that all moneys in any Fund established by the 20\_\_[B/C] Indenture may, at the written direction of the Borrower, be invested in Qualified Investments.

The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for such investments. The Trustee shall not be liable or responsible for any loss resulting from any such investment. All such investments shall be held by or under the control of the Trustee and any income resulting therefrom shall be applied in the manner specified in the 20\_\_[B/C] Indenture.

Section 3.8. Other Amounts Payable by the Borrower. The Borrower covenants and agrees to pay the following:

(a) To the extent Pledged TIF Revenues are not then available, [all/its portion of (in the amount of 43%/57% of the total thereof)] fees, charges and expenses, including reasonable agent and counsel fees and expenses, of the Trustee incurred under the 20\_\_[B/C] Indenture, as and when the same become due.

(b) To the extent Pledged TIF Revenues are not then available, [all/its portion of (in the amount of 43%/57% of the total thereof)] costs incident to the payment of the principal of, premium, if any, and interest on the Series 20\_\_[B/C] Bonds as the same become due and payable, including all reasonable costs and expenses in connection with the call, redemption, and payment of Series 20\_\_[B/C] Bonds.

(e) To the extent Pledged TIF Revenues are not then available (and to the extent such payments may be lawfully made from the Pledged TIF Revenues), all other payments of whatever nature which the Borrower has agreed to pay or assume under the provisions of the 20\_\_[B/C] Loan Agreement.

Notwithstanding anything in this Section 3.8 to the contrary, the Borrower may, without creating an event of default as herein defined, after making the payments required by this Section 3.8, contest in good faith the necessity for any such services, fees, charges or expenses of the Issuer or the Trustee or the Bondholders.

Section 3.9. Credits on Notes. Notwithstanding any provision contained in this 20\_\_[B/C] Loan Agreement or in the 20\_\_[B/C] Indenture to the contrary, in addition to any credits on the Notes resulting from the payment or prepayment thereof from other sources:

(a) subject to the provisions of Article IV with respect to partial prepayment of the Note, any moneys deposited by the Trustee in the Bond Fund for payment on the Bonds (including without limitation any bond proceeds to be used for Capitalized Interest Costs and any Pledged TIF Revenues) shall be credited against the obligation of the Borrower to pay the principal, premium, if any, and interest on the Notes as the same become due; and

(b) the principal amount of Bonds of any series and maturity acquired by the Borrower and delivered to the Paying Agent, or acquired by the Paying Agent and canceled, shall be credited against the obligation of the Borrower to pay the principal of the Note evidencing the loan made by the Issuer with the proceeds of the sale of Bonds of such series maturing on the maturity date

of the Bonds so acquired and delivered or canceled, including in connection with any mandatory sinking fund payment for any series of Bonds subject to a mandatory sinking fund requirement.

Section 3.10. Completion of Project. (a) Borrower agrees that it will make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other persons, firms, corporations or partnerships and in general do all things which may be requisite or proper, all for constructing and completing the Project, to the extent permitted by law, by \_\_\_\_\_, 20\_\_.

The Borrower will acquire and complete, or cause to be acquired and completed, the Project in accordance with the development standards set forth in Ordinance No. 012208A, adopted by the City Council of the City of Fishers, Indiana, on March 3, 2008, as the same may be supplemented and amended or restated and amended, in either event with the written agreement of the Borrower.

The Borrower acknowledges that the moneys in the Construction Fund will not be sufficient to pay in full the costs of the Project. The Borrower agrees, for the benefit of the Issuer and the Bondholders and in order to fulfill the purposes of the Act, to complete the construction of the Project and to pay that portion of the costs therefor in excess of the moneys available therefor in the Construction Fund, and the Borrower shall not be entitled to any reimbursement therefor from the Issuer, the Trustee, or the holders of any of the Bonds, nor shall it be entitled to any diminution in or abatement or postponement of the amounts payable hereunder or under the Series 20\_\_[B/C] Note. The Issuer does not make any warranty, either express or implied, that the moneys, which will be paid into the Construction Fund and which under the provisions of this 20\_\_[B/C] Loan Agreement will be available for payment of the costs of the construction of the Project, will be sufficient to pay the costs of all or any particular portion of the Project.

(b) The Issuer has, in the 20\_\_[B/C] Indenture, authorized and directed Trustee to make payments from the Construction Fund to pay the Costs of Construction, or to reimburse Borrower for any Costs of Construction paid by it. Borrower agrees to direct such requisitions to Trustee as may be necessary to effect payments out of the Construction Fund in accordance with this Section 3.10.

(c) Upon its determination that the Project has been completed, the Borrower shall deliver to the Trustee, the Bondholders, and the Issuer by a certificate signed by an authorized representative of Borrower stating that, except for amounts retained by Trustee at Borrower's direction for any Costs of Construction not then due and payable or being contested in good faith, (i) the construction of the Project has been completed and any and all labor, services, materials and supplies used in such construction have been paid for, (ii) all other items necessary in connection with the Project have been constructed and all costs and expenses incurred in connection therewith have been paid, and (iii) the Project meets the required standards set forth in Exhibit A-2 (such certificate, the "Certificate of Completion"). Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

(d) Upon receipt of the Certificate of Completion, the Issuer shall determine in its reasonable discretion whether or not the Project has been completed in accordance with the required standards set forth on Exhibit A-2. If the Issuer determines that the Project has been completed in the accordance with the required standards set forth in Exhibit A-2, the Issuer shall approve the Certificate of Completion and deliver such approved Certificate of Completion to the Trustee.

(e) Upon receipt of the Certificate of Completion approved by the Issuer, the Trustee shall in accordance with Section 4.4(e) of the 20\_\_[B/C] Indenture transfer all moneys then in the Construction Fund to a special escrow account within the Bond Fund for redemption, except any amount retained as aforesaid by Trustee for any Costs of Construction. The Trustee shall use any amount transferred to the Bond Fund from the original Loan together with interest thereon to redeem the Series 20\_\_[B/C] Bonds as provided in Section 5.1 of the 20\_\_[B/C] Indenture.

Section 3.11. Sale, Substitution, or Lease of Project. The Borrower may sell, lease or transfer or otherwise dispose of the Project or any portion thereof as provided in this Section 3.11; provided however the sale, lease or transfer or other disposition shall not relieve the Borrower from liability from all payments due under this 20\_\_[B/C] Loan Agreement and the performance of all of the other obligations of this 20\_\_[B/C] Loan Agreement, except as permitted by Section 3.3 hereof. Before the Project is substantially complete, the Borrower may sell, lease, transfer or otherwise dispose of the Project or any portion thereof if the Borrower is making such sale, lease, transfer or disposition in furtherance of the Borrower's development plans for the Project. After the Project is substantially complete, the Borrower may sell, lease, transfer or otherwise dispose of the Project or any portion thereof with the written consent of the owners of all of the Series 20\_\_[B/C] Bonds. Notwithstanding anything in this 20\_\_[B/C] Loan Agreement to the contrary, the Issuer acknowledges and agrees that for the Borrower to complete the Project, the Borrower must sell, lease, transfer or otherwise dispose of portions of the Area to other businesses, contractors and developers. The Issuer further acknowledges and agrees that such sales, leases, transfers and other dispositions will not result in any breach of this Section 3.11 or an event of default under this Agreement, provided the owners of all of the Series 20\_\_[B/C] Bonds consent in writing to such sales, leases, transfers and other dispositions.

## ARTICLE IV.

### PREPAYMENT OF SERIES 20 \_\_[B/C] Note

Section 4.1. Optional Prepayment. The Series 20 \_\_[B/C] Note may be prepaid, in whole or in part, on any date at the principal amount thereof and without premium, plus in each case accrued interest to the date fixed for redemption.

To exercise such option to prepay the Series 20 \_\_[B/C] Note, in whole or in part, the Borrower must cause funds to be deposited with the Trustee to pay the principal of, premium, if any, and accrued interest on the portion of the Series 20 \_\_[B/C] Note to be prepaid and the corollary redemption of the Series 20 \_\_[B/C] Bonds. Any amount so paid which is less than the full unpaid principal amount of the Series 20 \_\_[B/C] Bonds shall be credited against the installment or installments of principal due on the Series 20 \_\_[B/C] Note corresponding to the maturity of the Series 20 \_\_[B/C] Bonds being redeemed, and shall also be a credit against any mandatory sinking fund obligation and the corresponding Series 20 \_\_[B/C] Note obligation with respect thereto in the sequence in which such mandatory sinking fund obligation becomes due.

Section 4.2. Mandatory Prepayment Upon Cancellation of Bonds. Redemption of Bonds with proceeds derived under Section 3.9 hereof shall be deemed prepayment of the Notes in the same amount as the amount of Bonds redeemed.

Section 4.3. Notice of Prepayment. The Borrower shall give the Trustee not less than five (5) days prior written notice of any prepayment of the Series 20 \_\_[B/C] Note pursuant to Sections 4.1 hereof, which notice shall designate the date of prepayment and the amount thereof, indicate the section or subsection pursuant to which prepayment shall occur, and direct the redemption of the Series 20 \_\_[B/C] Bonds in the amounts corresponding to the Series 20 \_\_[B/C] Note to be prepaid.

## ARTICLE V.

### EVENTS OF DEFAULT AND REMEDIES THEREFOR

Section 5.1. Events of Default. (a) The occurrence and continuance of any of the following events shall constitute an “event of default” hereunder:

(i) failure of the Borrower to pay any installment of interest, principal, or any premiums, on any Note when the same shall become due and payable, whether at maturity or upon any date fixed for prepayment or by acceleration or otherwise, unless the Requisite Bondholders shall have consented thereto;

(ii) failure of the Borrower to observe and perform any other covenant, condition or provision hereof and to remedy such default within 30 days after notice thereof from the Trustee to the Borrower, unless the Requisite Bondholders shall have consented thereto;

(iii) the entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Borrower in an involuntary case under any applicable bankruptcy, insolvency or similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Borrower or for any substantial part of its property, or ordering the windup or liquidation of its affairs; or the filing and pendency for thirty days without dismissal of a petition initiating an involuntary case under any other bankruptcy, insolvency or similar law; or

(iv) the commencement by the Borrower of any voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, whether consent by it to an entry to an order for relief in an involuntary case and under any such law or to the appointment of or the taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Borrower or of any substantial part of its property, or the making of it by any general assignment for the benefit of creditors, or the failure of the Borrower generally to pay its debts as such debts become due, or the taking of corporate action by the Borrower in furtherance of any of the foregoing; or

(v) Any event of default under Section 7.1 of the 20\_\_ [B/C] Indenture.

(b) During the occurrence and continuance of any event of default hereunder, the Trustee, as assignee of the Issuer pursuant to the 20\_\_ [B/C] Indenture, shall have the rights and remedies hereinafter set forth, in addition to any other remedies herein or by law provided.

(c) Upon the occurrence of an event of default described in this Section 5.1:

(i) Acceleration. The Trustee may, and shall if directed by Requisite Bondholders, by written notice to the Borrower, declare the principal of the Notes (if not then due and payable), and the interest accrued thereon to be due and payable immediately, and upon any such declaration the principal of the Notes and the interest accrued on the

Notes shall become and be immediately due and payable, anything in the Notes or in this 20\_\_[B/C] Loan Agreement contained to the contrary notwithstanding. The Issuer's obligation to pay Pledged TIF Revenues shall not be subject to acceleration.

(ii) Right to Bring Suit, Etc. The Trustee, with or without entry, personally or by attorney, may in its discretion, proceed to protect and enforce its rights by a suit or suits in equity or at law, whether for damages or for the specific performance of any covenant or agreement contained in the Notes, this 20\_\_[B/C] Loan Agreement or in aid of the execution of any power herein granted, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce any of its rights or duties hereunder; provided, however that all costs incurred by the Trustee and the Issuer under this Article shall be paid to the Issuer and the Trustee by the Borrower on demand.

(iii) Waiver of Events of Default. If after any event of default occurs and prior to the Trustee exercising any of the remedies provided in this 20\_\_[B/C] Loan Agreement, the Borrower will have completely cured such default, then in every case such default will be waived, rescinded and annulled by the Trustee by written notice given to the Borrower. In addition, if the acceleration of the maturity of the Bonds will have been annulled and rescinded in accordance with the provisions of the 20\_\_[B/C] Indenture, then the acceleration of all loan payments and any other outstanding indebtedness under this 20\_\_[B/C] Loan Agreement will likewise be annulled and rescinded. No such waiver, annulment or rescission will affect any subsequent default or impair any right or remedy consequent thereon.

Section 5.2. Trustee May Enforce Demand. In case the Borrower shall have failed to pay such principal and interest and other amounts upon demand, the Trustee, in its own name, may institute such actions or proceedings at law or in equity for the collection of the amounts so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Borrower and collect the moneys adjudged or decreed to be payable out of the property of the Borrower wherever situated, in the manner provided by law.

The Trustee shall, if permitted by law, be entitled to recover judgment as aforesaid either before or after or during the pendency of any proceedings for the enforcement of the lien of this 20\_\_[B/C] Loan Agreement; and the right of the Trustee, to recover such judgment shall not be affected by the exercise of any other right, power or remedy for the enforcement of the provisions of this 20\_\_[B/C] Loan Agreement.

Any moneys thus collected by the Trustee under this Section shall be applied by the Trustee as follows:

FIRST: to the payment of all reasonable advances by the Issuer or by the Trustee with interest at the prime rate of interest charged by the Trustee from time to time, and all reasonable expenses and disbursements.

SECOND: to the payment of the amounts then due and unpaid upon the Notes in respect of which such money shall have been collected, ratably and without preference or priority of any kind, according to the amounts due and payable upon the Notes, upon presentation of the Notes and the notation thereon of such payment, if partly paid, and upon surrender thereon if fully paid.

Section 5.3. Remedies Cumulative. No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. Notwithstanding anything in this 20\_\_[B/C] Loan Agreement to the contrary, the Requisite Bondholders shall control the declaration or waiver of events of default under Section 5.1, and may exercise, and shall control the exercise of, all remedies under this 20\_\_[B/C] Loan Agreement, including those set forth in Sections 5.1 and 5.2.

Section 5.4. Delay or Omission Not a Waiver. No delay or omission of the Trustee to exercise any right or power accruing upon any event of default shall impair any such right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by this 20\_\_[B/C] Loan Agreement to the Trustee may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 5.5. Waiver of Extension, Appraisalment or Stay Laws. To the extent permitted by law, the Borrower will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this 20\_\_[B/C] Loan Agreement; and the Borrower hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.6. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this 20\_\_[B/C] Loan Agreement invalid or unenforceable under the provisions of any applicable law.

(End of Article V)

## **ARTICLE VI.**

### **IMMUNITY**

Section 6.1. Immunity. No covenant or agreement contained in the Bonds, this 20\_\_[B/C] Loan Agreement or the 20\_\_[B/C] Indenture shall be deemed to be a covenant or agreement of any member of the Issuer, the Commission, or the Redevelopment Commission or of any officer or employee of the Issuer, the Commission, the Redevelopment Commission or their legislative and fiscal bodies in his or her individual capacity, and neither the members of the Issuer, the Commission, the Redevelopment Commission, nor any officer or employee of the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

## ARTICLE VII.

Section 7.1. Supplements and Amendments to this 20\_\_[B/C] Loan Agreement. Subject to the provisions of Article X of the 20\_\_[B/C] Indenture, the Borrower and the Issuer may from time to time enter into such supplements and amendments to this 20\_\_[B/C] Loan Agreement as to them may seem necessary or desirable to effectuate the purposes or intent hereof.

(End of Article VII)

## **ARTICLE VIII.**

### **DEFEASANCE**

Section 8.1. Defeasance. If the Borrower shall pay and discharge or provide, in a manner satisfactory to the Trustee, for the payment and discharge of the whole amount of the Notes at the time outstanding, and shall pay or cause to be paid all other sums payable hereunder, or shall make arrangements satisfactory to the Trustee for such payment and discharge, and if provision shall have been made for the satisfaction and discharge of the 20\_\_[B/C] Indenture as provided therein, then and in that case, all property, rights and interest hereby conveyed or assigned or pledged shall revert to the Borrower, and the estate, right, title and interest of the Trustee therein shall thereupon cease, terminate and become void; and this 20\_\_[B/C] Loan Agreement, and the covenants of the Borrower contained herein, shall be discharged and the Trustee in such case on demand of the Borrower and at its cost and expense, shall execute and deliver to the Borrower a proper instrument or proper instruments acknowledging the satisfaction and termination of this 20\_\_[B/C] Loan Agreement, and shall convey, assign and transfer or cause to be conveyed, assigned or transferred, and shall deliver or cause to be delivered, to the Borrower, all property, including money, then held by the Trustee together with the Notes marked paid or cancelled.

The 20\_\_ Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of, premium, if any, or interest on the 20\_\_ Bonds. No covenant or agreement contained in the 20\_\_ Bonds or the Indenture shall be deemed to be a covenant or

agreement of the Redevelopment Commission, the Economic Development Commission, or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the 20\_\_ Bonds shall be liable personally on the 20\_\_ Bonds or be subject to any personal liability or accountability by reason of the issuance of the 20\_\_ Bonds.

Section 2.5. **Authentication.** No 20\_\_ Bond shall be valid or obligatory for any purpose or entitled to any security or benefit under this Indenture unless and until the certificate of authentication on such 20\_\_ Bond substantially in the form hereinabove set forth shall have been duly executed by the Trustee, and such executed certificate of the Trustee upon any such Bond shall be conclusive evidence that such 20\_\_ Bond has been authenticated and delivered under this Indenture. The Trustee's certificate of authentication on any 20\_\_ Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the 20\_\_ Bonds issued hereunder.

This Bond is the only one of an authorized issue of the Issuer's Taxable Economic Development Revenue Bonds, Series 20\_\_ (Gray Eagle Multi-Family Project) (hereinbefore and hereinafter the, "20\_\_ Bonds") which are being issued under the hereinafter described Indenture in the aggregate principal amount of \$\_\_\_\_\_. The 20\_\_ Bonds are issued under and entitled to the security of a Trust Indenture dated as of \_\_\_\_\_ 1, 20\_\_ ("Indenture") duly executed and delivered by the Issuer to \_\_\_\_\_, as Trustee (the term "Trustee" where used herein referring to the Trustee or its successors), pursuant to which Indenture[, the Loan Payments,] the Pledged TIF Revenues. and all rights of the Issuer under the [Financing Agreements/Loan Agreements], except certain rights to payment for expenses, indemnity rights and rights to perform certain discretionary acts as set forth in the [Financing Agreements/Loan Agreements], are pledged and assigned by the Issuer to the Trustee as security for the 20\_\_ Bonds. THE OWNER OF THIS BOND, BY ACCEPTANCE OF THIS 20\_\_ BOND, HEREBY AGREES TO ALL OF THE TERMS AND PROVISIONS IN THE INDENTURE AND THIS 20\_\_ BOND, AND ACKNOWLEDGES THAT:

Bonds. It has received, read and had an opportunity to comment upon and has consented to the provisions of the Indenture, the 20\_\_ Bonds and the [Financing Agreements/Loan Agreements]. 7. It understands that the Issuer has no continuing disclosure obligations with regard to the 20\_\_ Bonds.

It is provided in the Indenture that the Issuer may hereafter issue Additional Bonds (as defined in the Indenture) from time to time under certain terms and conditions contained therein. (Such Additional Bonds and the 20\_\_ Bonds are hereinafter collectively referred to as the

“Bonds.”) Reference is made to the Indenture and to all indentures supplemental thereto and to the [Financing Agreements/Loan Agreements] for a description of the nature and extent of the security, the rights, duties and obligations of the Issuer and the Trustee, the rights of the holders of the Bonds, the issuance of Additional Bonds and the terms on which the Bonds are or may be issued and secured, and to all the provisions of which the holder hereof by the acceptance of this 20\_\_ Bond assents.

Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the 20\_\_ Bonds shall be liable personally on the 20\_\_ Bonds or be subject to any personal liability or accountability by reason of the issuance of the 20\_\_ Bonds.

The holder of this 20\_\_ Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Indenture, or of any supplements thereto, may be made to the extent and in the circumstances permitted by the Indenture. The Issuer's obligation to pay Pledged TIF Revenues shall not be subject to acceleration.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the laws of the State of Indiana and under the Indenture precedent to and in the issuance of this 20\_\_ Bond, exist, have happened and have been performed, and that the issuance, authentication and delivery of this 20\_\_ Bond have been duly authorized by the Issuer.

The proceeds of the 20\_\_ Bonds shall be paid over to the Trustee and deposited to the credit of various Funds as hereinafter provided under Section 3.1 hereof.

The 20\_\_ Bonds initially issued and authenticated hereunder shall be registered in the name of the Bond Purchaser.

Section 2.8. **Issuance of Additional Bonds.** One or more series of Bonds in addition to the 20\_\_ Bonds (“Additional Bonds”), may be authenticated and delivered from time to time for one or more of the purposes of (i) refunding entirely one or more series of Bonds outstanding hereunder, if such Bonds may otherwise be refunded, (ii) advance refunding entirely one or more series of Bonds outstanding hereunder, regardless of whether such Bonds may otherwise be refunded, if the same is then permitted by law, by depositing with the Trustee, in trust for the sole benefit of such series of Bonds, cash or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) in a principal amount which will, together with the income or increment to accrue thereon, be sufficient to pay and redeem (when redeemable) and discharge such series of Bonds at or before their respective maturity dates, and (iii) financing the cost or estimated cost of completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any.

Prior to the delivery by the Issuer of any such Additional Bonds, there shall be filed with the Trustee:

Any Additional Bonds issued in accordance with the terms of this Section 2.8 shall be secured by this Indenture, but such Additional Bonds may bear such date or dates and such interest rate or rates, and have such maturities, redemption dates and premiums as may be agreed upon by the Issuer, at the direction of the Companies, respectively, and the purchaser of such Additional Bonds.

Section 2.9. **Mutilated, Lost, Stolen, or Destroyed Bonds.** If any 20\_\_ Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate, upon the written direction of the Issuer, a new 20\_\_ Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated 20\_\_ Bond, such mutilated 20\_\_ Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed 20\_\_ Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

Section 2.10. **Registration and Exchange of 20\_\_ Bonds; Persons Treated as Owners.** The Issuer shall cause books for the registration and for the transfer of the 20\_\_ Bonds as provided in this Indenture to be kept by the Trustee, which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered 20\_\_ Bond at the principal office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to, the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered 20\_\_ Bond or 20\_\_ Bonds of the same

series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered 20\_\_ Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered 20\_\_ Bond. The Trustee shall not be required to transfer or exchange any fully registered 20\_\_ Bond during the period between the Record Date and any interest payment date of such 20\_\_ Bond, nor to transfer or exchange any 20\_\_ Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

As to any fully registered 20\_\_ Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon shall be made only to or upon the order of the registered owner thereof or its legal representative, but such registration may be changed as hereinabove provided. Any amounts remaining after the deposits to the Bond Fund shall be used to pay any outstanding unpaid principal or interest on 20\_\_ Bonds for which there were not funds to make a payment of principal or interest on the relevant Interest Payment Date and then to redeem the outstanding Bonds in accordance with Article V hereof.

In the event of a partial redemption the 20\_\_ Bonds, such notice of redemption shall specify the respective principal installment amounts to be called, the redemption date, redemption price, interest rate, maturity date and the name and address of the Trustee and the Paying Agent; provided, however, that failure to give such notice by mailing, or any defect therein, with respect to any such registered Bond shall not affect the validity of any proceedings for the redemption of other 20\_\_ Bonds.

On and after the redemption date specified in the aforesaid notice, such 20\_\_ Bonds, or portions thereof, thus called shall not bear interest, shall no longer be protected by this Indenture and shall not be deemed to be outstanding under the provisions of this Indenture, and the holders thereof shall have the right to receive only the redemption price thereof plus accrued interest thereon to the date fixed for redemption.

Section 5.3. **Cancellation.** All 20\_\_ Bonds which have been redeemed in whole shall be canceled and destroyed by the Trustee in accordance with its destruction policy in effect and shall not be reissued, and a certificate of destruction shall be furnished, upon written request, by the Trustee to the Issuer and the Companies.

Section 5.4. **Redemption Payments.** Prior to the date fixed for redemption in whole, funds shall be deposited with Trustee to pay, and Trustee is hereby authorized and directed to apply such funds to the payment of the 20\_\_ Bonds or portions thereof called, together with accrued interest thereon to the redemption date. Upon the giving of notice and the deposit of funds for redemption, interest on the 20\_\_ Bonds thus called shall no longer accrue from and after the date fixed for redemption. No payment shall be made by the Paying Agent upon any 20\_\_ Bond until such 20\_\_ Bond shall have been delivered for payment or cancellation or the Trustee shall have received the items required by Section 2.9 hereof with respect to any mutilated, lost, stolen or destroyed Bond. Prior to the date fixed for redemption in whole, funds shall be deposited with Trustee to pay, and Trustee is hereby authorized and directed to apply such funds to the payment of the Bonds or portions thereof called, together with accrued interest thereon to the redemption date. Upon the giving of notice and the deposit of funds for redemption, interest on the Bonds thus called shall no longer accrue from and after the date fixed for redemption. No payment shall be made by the Paying Agent upon any Bond until such Bond shall have been delivered for payment

or cancellation or the Trustee shall have received the items required by Section 2.9 hereof with respect to any mutilated, lost, stolen or destroyed Bond.

**Section 5.5. Partial Redemption of Bonds.** . If fewer than all of the 20\_\_ Bonds at the time outstanding are to be called for redemption, the maturities of 20\_\_ Bonds or principal installment amounts to be redeemed shall be redeemed in inverse order of installment payments. If fewer than all of the 20\_\_ Bonds within a principal installment are to be redeemed, the Trustee shall select by lot (meaning also random selection by computer) in such manner as the Trustee, in its discretion, may determine, the 20\_\_ Bonds or portions of 20\_\_ Bonds within such principal installment that shall be redeemed. The Trustee shall call for redemption in accordance with the foregoing provisions as many 20\_\_ Bonds or portions thereof as will, as nearly as practicable, exhaust the moneys available therefor. Particular 20\_\_ Bonds or portions thereof shall be redeemed in part in \$1,000 denominations and integral multiples thereof until the 20\_\_ Bonds are paid in full; provided, that the 20\_\_ Bonds that remain after such redemption must be in authorized denominations.

If less than the entire principal amount of any registered 20\_\_ Bond then outstanding is called for redemption, then upon notice of redemption given as provided in Section 5.2 hereof, the Owner of such registered 20\_\_ Bond shall forthwith surrender such 20\_\_ Bond to the Paying Agent in exchange for (a) payment of the redemption price of plus accrued interest on the principal amount called for redemption and (b) a new 20\_\_ Bond or 20\_\_ Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered 20\_\_ Bond, which shall be issued without charge therefor.

### GENERAL COVENANTS

Section 6.1. **Payment of Principal and Interest.** The Issuer covenants that it will promptly pay the principal of, premium, if any, and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. The principal, interest and premium, if any, on the Bonds are payable solely and only from the Pledged TIF Revenues and [if necessary, the Loan Payments, which payments are hereby specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified,] and nothing in the Bonds or in this Indenture should be considered as pledging any other funds or assets of the Issuer. The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer. The Bonds, as to both principal and interest, are not an obligation or liability of the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from Pledged TIF Revenues [and if necessary, the Loan Payments]. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of, premium, if any, or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of the Redevelopment Commission, the Economic Development Commission, the Issuer or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.2. **Performance of Covenants.** The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, and to pledge the Trust Estate, in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws, judicial decisions and principles of equity relating to or affecting creditors' rights generally and subject to the valid exercise of the constitutional powers of the Issuer, the State of Indiana and the United States of America.

Section 6.3. **Filing of Indenture, [Financing Agreements/Loan Agreements] and Security Instruments.** The Issuer, upon the written direction and at the sole expense of the Companies, shall cause this Indenture, the [Financing Agreements/Loan Agreements] and all supplements thereto as well as such other security instruments, financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder. This Section 6.3 shall impose no duty to record or file the instruments noted above where filing or recordation is not required by law in order to perfect a security interest. Continuation of financing statements may be filed without consent of the debtor parties thereto.

Section 6.4. **Inspection of Books.** The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues derived from the Project shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 6.5. **List of Bondholders.** The Trustee will keep on file at the designated corporate trust office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Companies or by holders and/or owners (or a designated representative thereof) of 25% or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6. **Rights Under [Financing Agreements/Loan Agreements].** The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Companies, respectively, under and pursuant to the [Financing Agreements/Loan Agreements] for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.

Section 6.7. **Investment of Funds.** Moneys in the Funds established hereunder may be invested in Qualified Investments to the extent and in the manner provided for in Section 3.8 of the [Financing Agreements/Loan Agreements] and in the absence of written direction the Trustee shall invest in funds in the \_\_\_\_\_, which is hereby deemed to constitute a Qualified Investment. The Trustee shall not be liable or responsible for any loss resulting from any such investment. The interest accruing thereon and any profit realized from such investments shall be credited, and any loss resulting from such investments shall be charged to the fund in which the money was deposited.

The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments. Ratings of permitted investments shall be determined at the time of purchase of such permitted investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including investment maintenance fees.

Although the Issuer and the Companies each recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the

Issuer and the Companies hereby agree that confirmations of permitted investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Section 6.8. **Non-presentment of Bonds.** If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay any such Bond shall have been made available to Paying Agent for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Paying Agent to hold such funds for five (5) years without liability for interest thereon, for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Paying Agent not so applied to the payment of Bonds within five (5) years after the date on which the same shall become due shall escheat to the State of Indiana, in accordance with applicable Indiana law.

Section 6.9. **Direction of Bondholders.** Whenever any action, direction or consent is required of the Trustee, the Trustee shall consult with the holders of the Bonds and shall take such action, give such direction or give such consent as the Trustee shall be directed in writing by the Requisite Bondholders.

## ARTICLE VII.

### DEFAULTS AND REMEDIES

Section 7.1. **Events of Default.** Each of the following events is hereby declared an “event of default” under this Indenture:

- (a) any event of default as defined in Sections 5.1(a)(i), (a)(ii), (a)(iii) or (a)(iv) of the [Financing Agreements/Loan Agreements] shall occur and be continuing; or
- (b) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Companies by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of all of the Bonds then outstanding hereunder.

The insufficiency of Pledged TIF Revenues to pay debt service due on the 20\_\_ Bonds shall not constitute an event of default hereunder.

Section 7.2. **[Reserved]**.

Section 7.3. **Remedies; Rights of Bondholders.**

- (i) If an event of default occurs, the Trustee may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then outstanding, to enforce any obligations of the Issuer hereunder, and of the Companies, respectively, under the [Financing Agreements/Loan Agreements].
- (ii) Upon the occurrence of an event of default, and if directed in writing so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Article as the Trustee shall be directed in writing to exercise by the Requisite Bondholders.
- (iii) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

- (iv) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.
- (v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.4. **Right of Bondholders to Direct Proceedings.** Anything in this Indenture to the contrary notwithstanding, the holders of all Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee is obligated to pursue its remedies under the provisions of Section 7.3 hereof before any other remedies are sought.

Section 7.5. **Application of Moneys.** All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee or the Issuer, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

- (a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates (or principal installment dates, as appropriate), with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds (or principal installment dates, as appropriate) due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to (a) to the Issuer, if the Bonds have been paid in full, or (b) if and to the extent the Bonds have not been paid in full, to

the Companies or their successors or assigns, upon the written request of the Companies (with 43% of such payments to be made to the Golf Course Developer and 57% of such payments to be made to the Multi-Family Developer) or to whosoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over any other installment of interest, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.6. **Remedies Vested In Trustee.** All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.5 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.7. **Rights and Remedies of Bondholders.** No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of all Bonds then outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse

to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.8. **Termination of Proceedings.** In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Companies and the Trustee shall be restored to their former positions and rights hereunder, respectively, with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.9. **Waivers of Events of Default.** The Trustee shall waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal and/or premium, if any, and/or interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal and premium, if any, when due, as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

(End of Article VII)

## ARTICLE VIII.

### THE TRUSTEE AND PAYING AGENT

Section 8.1. **Acceptance of the Trusts.** The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Companies, respectively). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Companies, respectively, under the [Financing Agreements/Loan Agreements]; but the Trustee may require of the Issuer or the Companies, respectively, full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the [Financing Agreements/Loan Agreements], and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of the proceeds of any Bonds authenticated by it or the Paying Agent or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Companies, respectively, by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Companies, respectively, under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Companies, respectively, as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct in connection with the performance of its duties hereunder.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the designated corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in possession of or managing the Trust Estate.

(i) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Trust Estate, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Section 8.1 and under Article VII hereunder the Trustee may require that a satisfactory indemnity bond or other indemnity be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including liability incurred in connection with the enforcement of the terms and provisions of this Indenture, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(m) All moneys received by the Trustee or the Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor the Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture as it shall be directed to in writing by the Requisite Bondholders.

(o) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(p) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. Under no circumstances does the Trustee assume any responsibility or liability for the issuance of the Bonds as obligations the interest on which is excludable from gross income for purposes of federal income taxation or for the maintenance of such tax-exempt status subsequent to the date of issuance of the Bonds.

(q) The Trustee shall not be accountable for the use or application by the Companies of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or drawn down by the Companies in accordance with the provisions of this Indenture and the [Financing Agreements/Loan Agreements] or for the use and application of money received by any paying agent.

Section 8.2. **Fees, Charges and Expenses of Trustee and Paying Agent.** The Trustee and Paying Agent shall be entitled to payment and/or reimbursement for fees for its services rendered hereunder and all advances, counsel fees and other expenses made or incurred by the Trustee or Paying Agent in connection with such services. To the extent that the Pledged TIF Revenues are insufficient to pay the Administrative Fees of the Trustee, it is agreed that the Companies, jointly and severally, shall be responsible for unpaid fees of the Trustee. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior

to payment on account of interest or principal of, or premium, if any, on any Bond for the foregoing advances, fees, costs and expenses incurred. In the event of a bankruptcy, the fees and expenses of the Trustee shall constitute administrative expenses.

Section 8.3. **Notice to Bondholders if Default Occurs.** If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. **Intervention by Trustee.** In any judicial proceeding to which the Issuer is a party, the Trustee shall intervene on behalf of Bondholders subject to the provisions of Section 8.1(l), upon being directed in writing by the owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding to intervene in such proceeding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. **Successor Trustee.** Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. **Resignation by the Trustee.** The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Companies and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Companies may be served personally or sent by registered or certified mail.

Section 8.7. **Removal of the Trustee.** The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders. The fees and expenses of the Trustee shall be paid prior to the effectiveness of any removal.

Section 8.8. **Appointment of Successor Trustee by the Bondholders; Temporary Trustee.** In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of

Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank, having a reported capital and surplus of not less than One Hundred Million Dollars (\$100,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. **Concerning Any Successor Trustees.** Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Companies an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. **Trustee Protected in Relying Upon Resolutions, etc.** Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 8.11. **Appointment of Paying Agent and Registrar; Resignation or Removal of Paying Agent.** The Trustee is hereby appointed as “Registrar” and “Paying Agent” under this Indenture. Any Registrar and Paying Agent may at any time resign and be discharged of the duties and obligations created by this instrument and any supplemental indenture by giving at least 60 days’ written notice to the Issuer, the Companies and the Trustee. Any Registrar and Paying Agent may be removed at any time by an instrument, filed with such Registrar, Paying Agent and the Trustee and signed by the Issuer and the Companies. Any successor Registrar and Paying Agent shall be appointed by the Issuer at the direction of the Companies and shall be a bank or trust company duly organized under the laws of any state of the United States or a national banking association, in each case having a capital stock and surplus aggregating at least \$100,000,000, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys or securities held by it as Paying Agent to its successors, or if there is no successor, to the Trustee.

Section 8.12. **Indemnification**. To the extent permitted by law, the Issuer hereby agrees to indemnify and save harmless the Trustee from all losses, liabilities, costs and expenses, including attorney fees and expenses, which may be incurred by it as a result of its acceptance of or arising from the performance of its duties hereunder, unless such losses, liabilities, costs and expenses shall have been finally adjudicated to have resulted from the gross negligence or willful misconduct of the Trustee, and such indemnification shall survive its resignation or removal of the Trustee or the defeasance of this Indenture.

### SUPPLEMENTAL INDENTURES

Section 9.1. **Supplemental Indentures Not Requiring Consent of Bondholders.** The Issuer and the Trustee may without the consent of, or notice to, any of the Bondholders, enter into an indenture or indentures supplemental to this Indenture, as shall not be inconsistent with the terms and provisions hereof, for any one or more of the following purposes:

- (a) To cure any ambiguity or formal defect or omission in this Indenture; or
- (b) To grant to or confer upon the Trustee for the benefit of the Bondholders any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Bondholders or the Trustee or any of them; or
- (c) To subject to this Indenture additional security, revenues, properties or collateral;  
or
- (d) To make any other change in this Indenture which, in the judgment of the Issuer, in its sole discretion, is not to the material prejudice of the Companies or the holders of the Bonds;  
or
- (e) To modify, amend or supplement the Indenture in such manner as required to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar Federal statute hereafter in effect, and, if they so determine, to add to the Indenture such other terms, conditions and provisions as may be required by said Trust Indenture Act of 1939, as amended, or similar federal statute; or
- (f) To issue Additional Bonds in accordance with the provisions of Section 2.8 hereof.

Section 9.2. **Supplemental Indentures Requiring Consent of Bondholders.** Exclusive of supplemental indentures covered by Section 9.1 hereof, and subject to the terms and provisions contained in this Section, and not otherwise, the Requisite Bondholders shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of such other indenture or indentures supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture; provided however, that nothing in this section contained shall permit or be construed as permitting (except as otherwise permitted in this Indenture) (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate or extension of the time of paying of interest on, or reduction of any premium payable on the redemption of, any Bonds, without the consent of the holder of such Bond, or (b) a reduction in the amount or extension of the time of any payment required by any sinking fund applicable to any Bonds without the consent of the holders of all the Bonds which would be affected by the action to be taken, or (c) the creation of any lien prior to or on a parity with the lien of this Indenture without the consent of the holders of all the Bonds at the time outstanding, or (d) a reduction in the aforesaid aggregate principal amount of Bonds the holders of which are required to consent to any such supplemental indenture, without the consent of the

holders of all the Bonds at the time outstanding which would be affected by the action to be taken, or (e) a modification of the rights, duties or immunities of the Trustee, without the written consent of the Trustee, or (f) a privilege or priority of any Bond over any other Bonds, or (g) the deprivation of the Owners of any 20\_\_ Bonds then Outstanding of the lien thereby created.

Anything herein to the contrary notwithstanding, a supplemental indenture under this Article which affects any rights of the Companies, respectively, shall not become effective unless and until the Companies, respectively, shall have consented in writing to the execution and delivery of such supplemental indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such supplemental indenture together with a copy of the proposed supplemental indenture to be mailed by certified or registered mail to the Companies at least fifteen (15) days prior to the proposed date of execution and delivery of any such supplemental indenture.

Section 9.3. **Legal Opinion**. In connection with a supplemental indenture being entered into pursuant to the provisions of this Article IX, the Trustee shall receive an opinion of Bond Counsel to the effect that said supplemental indenture is authorized and permitted by the terms of this Indenture in compliance with all conditions precedent, that it is proper for the Trustee to join in the execution of such supplemental indenture and that the Trustee may conclusively rely on such opinion. The Trustee may conclusively rely on the written determination of the Issuer with respect to a supplemental indenture entered into pursuant to Section 9.1(d).

Section 9.4. **Supplemental Indenture Effectiveness Upon Trustee**. The Trustee need not enter into or consent to any supplemental indenture which it determines to be materially prejudiced to it.

## ARTICLE XI.

### MISCELLANEOUS

Section 11.1. **Satisfaction and Discharge.** All rights and obligations of the Issuer and the Companies under the [Financing Agreements/Loan Agreements] and this Indenture shall terminate, and such instruments shall cease to be of further effect, and upon the written direction of the Issuer, the Trustee shall execute and deliver all appropriate instruments evidencing and acknowledging the satisfaction of this Indenture, and shall assign and deliver to the Companies any moneys and investments in all Funds established hereunder (except moneys or investments held by the Trustee for the payment of principal of and interest on the Bonds and except for any Pledged TIF Revenues which shall be delivered to the Issuer) (with such moneys and investments delivered to the Companies to be delivered 43% to the Golf Course Developer and 57% to the Multi-Family Developer) when:

- (a) all fees and expenses of the Trustee and the Paying Agent shall have been paid;
- (b) the Issuer and the Companies shall have performed all of their covenants and promises in the [Financing Agreements/Loan Agreements] and in this Indenture; and
- (c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Companies, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be; provided, however, none of the Bonds may be advance refunded if such advance refunding is not permitted by the laws of Indiana.

Section 11.2. **Defeasance of Bonds.** Any Bond shall be deemed to be paid and no longer Outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal and interest of such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for. At such time, the Trustee shall be provided with a defeasance opinion by nationally recognized Bond Counsel. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of

this Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such Bonds as aforesaid until (a) proper notice of redemption of such Bonds shall have been previously given in accordance with Section 5.2 of this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Companies shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the Owners of the Bonds, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of the Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Companies, in Governmental Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Section 11.2, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Section 11.2 for the payment of Bonds (including premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including the premium thereon, if any) with respect to which such moneys or Governmental Obligations have been so set aside in trust.

Anything in Article IX hereof to the contrary notwithstanding, if moneys or Governmental obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the Owner of each Bond affected thereby.

In determining the sufficiency of the moneys and/or Government Obligations deposited pursuant to this Section 11.2, the Trustee shall receive, at the expense of the Companies, and may rely on a verification report of a firm of nationally recognized independent certified public accountants. The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

Section 11.3. **Cancellation of 20\_\_ Bonds.** If the Bondholders of any 20\_\_ Bonds presents that Bond to the Trustee with an instrument satisfactory to the Trustee waiving all claims for payment of that Bond, the Trustee shall cancel that 20\_\_ Bond and the Bondholder shall have

no further claim against the Trust Estate, the Issuer or the Companies with respect to that 20\_\_ Bond.

Section 11.4. **Application of Trust Money.** All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Paying Agent, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.5. **Consents, etc., of Bondholders.** Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture or the [Financing Agreements/Loan Agreements] requires that any such consent or other action be taken by the holders of a specified percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the following persons shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met: the Issuer, any of its members, the Companies, or the directors, trustees, officers or members of the Companies. For all other purposes, Bonds held by or for the account of such person shall be deemed to be outstanding hereunder. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, bank or bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank or to such banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a bank, bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until the Trustee shall have received notice in writing to the contrary.

Section 11.6. **Limitation of Rights.** With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Companies, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Companies and the holders of the Bonds as herein provided.

Section 11.7. **Severability.** If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.8. **Notices.** All notices, demands, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, with proper address as indicated below. The Issuer, the Companies, and the Trustee may, by written notice given by each to the others, designate any address or addresses to which notices, demands, certificates or other communications to them shall be sent when required as contemplated by this Indenture. Until otherwise provided by the respective parties, all notices, demands, certificates and communications to each of them shall be addressed as provided in Section 9.4 of the [Financing Agreements/Loan Agreements].

Notwithstanding the foregoing, the Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and the [Financing Agreements/Loan Agreements] and delivered using Electronic Means; provided, however, that the Issuer and the Companies, as the case may be, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and the Companies, as the case may be, whenever a person is to be added or deleted from the listing. If the Issuer and the Companies, as the case may be, elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Issuer and the Companies each understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer and the Companies, as the case may be, shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Issuer and the Companies, as the case may be, and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer and the Companies, as the case may be. The Trustee shall not be

liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer and the Companies each agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer and the Companies, as the case may be; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means" shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Section 11.9. **Counterparts.** This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.10. **Applicable Law.** This Indenture shall be governed exclusively by the applicable laws of the State of Indiana.

Section 11.11. **Immunity of Officers and Directors.** No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future members, officer, directors, agents, attorneys or employees of the Issuer, or any incorporator, member, officer, director, agents, attorneys, employees or trustee of any successor corporation, as such, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, members, officers, directors, agents, attorneys, employees or trustees as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

Section 11.12. **Holidays.** If any date for the payment of principal or interest on the Bonds is not a business day then such payment shall be due on the first business day thereafter with the same force and effect as if made on such date.

Section 11.13. **Shortfall of Pledged TIF Revenues.** Notwithstanding any other provision of this Indenture, any portion of the principal or interest due on the 20\_\_ Bonds that remains unpaid shall not be deemed defeased or otherwise satisfied, shall not be considered paid, and shall continue to be due and owing until the earlier of: (i) full payment by the Issuer; or (ii) the maturity date of the 20\_\_ Bonds. Interest shall not accrue on the interest that remains unpaid beyond the applicable debt service payment date.

The Trustee's certificate of authentication on any 20\_\_ Bond shall be deemed to have been executed by it if signed by an authorized officer of the Trustee, but it shall not be necessary that the same officer sign the certificate of authentication on all of the 20\_\_ Bonds issued hereunder.

series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered 20\_\_ Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered 20\_\_ Bond. The Trustee shall not be required to transfer or exchange any fully registered 20\_\_ Bond during the period between the Record Date and any interest payment date of such 20\_\_ Bond, nor to transfer or exchange any 20\_\_ Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The Trustee shall call for redemption in accordance with the foregoing provisions as many 20\_\_ Bonds or portions thereof as will, as nearly as practicable, exhaust the moneys available therefor. Particular 20\_\_ Bonds or portions thereof shall be redeemed in part in \$1,000 denominations and integral multiples thereof until the 20\_\_ Bonds are paid in full; provided, that the 20\_\_ Bonds that remain after such redemption must be in authorized denominations.

If less than the entire principal amount of any registered 20\_\_ Bond then outstanding is called for redemption, then upon notice of redemption given as provided in Section 5.2 hereof, the Owner of such registered 20\_\_ Bond shall forthwith surrender such 20\_\_ Bond to the Paying Agent in exchange for (a) payment of the redemption price of plus accrued interest on the principal amount called for redemption and (b) a new 20\_\_ Bond or 20\_\_ Bonds of like series in an aggregate principal amount equal to the unredeemed balance of the principal amount of such registered 20\_\_ Bond, which shall be issued without charge therefor.

### GENERAL COVENANTS

Section 6.1. **Payment of Principal and Interest.** The Issuer covenants that it will promptly pay the principal of, premium, if any, and interest on every Bond issued under this Indenture at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. The principal, interest and premium, if any, on the Bonds are payable solely and only from the Pledged TIF Revenues and [if necessary, the Loan Payments, which payments are hereby specifically pledged and assigned to the payment thereof in the manner and to the extent herein specified,] and nothing in the Bonds or in this Indenture should be considered as pledging any other funds or assets of the Issuer. The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer. The Bonds, as to both principal and interest, are not an obligation or liability of the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from Pledged TIF Revenues [and if necessary, the Loan Payments]. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The Bonds do not grant the owners or holders thereof any right to have the Issuer, the State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of, premium, if any, or interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of the Redevelopment Commission, the Economic Development Commission, the Issuer or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.2. **Performance of Covenants.** The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, and to pledge the Trust Estate, in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws, judicial decisions and principles of equity relating to or affecting creditors' rights generally and subject to the valid exercise of the constitutional powers of the Issuer, the State of Indiana and the United States of America.

Section 6.3. **Filing of Indenture, [Financing Agreements/Loan Agreements] and Security Instruments.** The Issuer, upon the written direction and at the sole expense of the Companies, shall cause this Indenture, the [Financing Agreements/Loan Agreements] and all supplements thereto as well as such other security instruments, financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder. This Section 6.3 shall impose no duty to record or file the instruments noted above where filing or recordation is not required by law in order to perfect a security interest. Continuation of financing statements may be filed without consent of the debtor parties thereto.

Section 6.4. **Inspection of Books.** The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues derived from the Project shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 6.5. **List of Bondholders.** The Trustee will keep on file at the designated corporate trust office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Companies or by holders and/or owners (or a designated representative thereof) of 25% or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6. **Rights Under [Financing Agreements/Loan Agreements].** The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Companies, respectively, under and pursuant to the [Financing Agreements/Loan Agreements] for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.

Section 6.7. **Investment of Funds.** Moneys in the Funds established hereunder may be invested in Qualified Investments to the extent and in the manner provided for in Section 3.8 of the [Financing Agreements/Loan Agreements] and in the absence of written direction the Trustee shall invest in funds in the \_\_\_\_\_, which is hereby deemed to constitute a Qualified Investment. The Trustee shall not be liable or responsible for any loss resulting from any such investment. The interest accruing thereon and any profit realized from such investments shall be credited, and any loss resulting from such investments shall be charged to the fund in which the money was deposited.

The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments. Ratings of permitted investments shall be determined at the time of purchase of such permitted investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including investment maintenance fees.

Although the Issuer and the Companies each recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the

Issuer and the Companies hereby agree that confirmations of permitted investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Section 6.8. **Non-presentment of Bonds.** If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay any such Bond shall have been made available to Paying Agent for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Paying Agent to hold such funds for five (5) years without liability for interest thereon, for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Paying Agent not so applied to the payment of Bonds within five (5) years after the date on which the same shall become due shall escheat to the State of Indiana, in accordance with applicable Indiana law.

Section 6.9. **Direction of Bondholders.** Whenever any action, direction or consent is required of the Trustee, the Trustee shall consult with the holders of the Bonds and shall take such action, give such direction or give such consent as the Trustee shall be directed in writing by the Requisite Bondholders.

## ARTICLE VII.

### DEFAULTS AND REMEDIES

Section 7.1. **Events of Default.** Each of the following events is hereby declared an “event of default” under this Indenture:

- (a) any event of default as defined in Sections 5.1(a)(i), (a)(ii), (a)(iii) or (a)(iv) of the [Financing Agreements/Loan Agreements] shall occur and be continuing; or
- (b) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Companies by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of all of the Bonds then outstanding hereunder.

The insufficiency of Pledged TIF Revenues to pay debt service due on the 20\_\_ Bonds shall not constitute an event of default hereunder.

Section 7.2. **[Reserved]**.

Section 7.3. **Remedies; Rights of Bondholders.**

- (i) If an event of default occurs, the Trustee may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then outstanding, to enforce any obligations of the Issuer hereunder, and of the Companies, respectively, under the [Financing Agreements/Loan Agreements].
- (ii) Upon the occurrence of an event of default, and if directed in writing so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Article as the Trustee shall be directed in writing to exercise by the Requisite Bondholders.
- (iii) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.

- (iv) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.
- (v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.4. **Right of Bondholders to Direct Proceedings.** Anything in this Indenture to the contrary notwithstanding, the holders of all Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee is obligated to pursue its remedies under the provisions of Section 7.3 hereof before any other remedies are sought.

Section 7.5. **Application of Moneys.** All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee or the Issuer, be deposited in the Bond Fund and all moneys in the Bond Fund shall be applied as follows:

- (a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates (or principal installment dates, as appropriate), with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds (or principal installment dates, as appropriate) due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to (a) to the Issuer, if the Bonds have been paid in full, or (b) if and to the extent the Bonds have not been paid in full, to

the Companies or their successors or assigns, upon the written request of the Companies (with 43% of such payments to be made to the Golf Course Developer and 57% of such payments to be made to the Multi-Family Developer) or to whosoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over any other installment of interest, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.6. **Remedies Vested In Trustee.** All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.5 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.7. **Rights and Remedies of Bondholders.** No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of all Bonds then outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse

to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.8. **Termination of Proceedings.** In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Companies and the Trustee shall be restored to their former positions and rights hereunder, respectively, with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.9. **Waivers of Events of Default.** The Trustee shall waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal and/or premium, if any, and/or interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal and premium, if any, when due, as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

## ARTICLE VIII.

### THE TRUSTEE AND PAYING AGENT

Section 8.1. **Acceptance of the Trusts.** The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Companies, respectively). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Companies, respectively, under the [Financing Agreements/Loan Agreements]; but the Trustee may require of the Issuer or the Companies, respectively, full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed. The Trustee shall have no obligation to perform any of the duties of the Issuer under the [Financing Agreements/Loan Agreements], and the Trustee shall not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of the proceeds of any Bonds authenticated by it or the Paying Agent or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Companies, respectively, by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Companies, respectively, under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Companies, respectively, as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct in connection with the performance of its duties hereunder.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the designated corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) The Trustee shall not be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in possession of or managing the Trust Estate.

(i) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Trust Estate, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Section 8.1 and under Article VII hereunder the Trustee may require that a satisfactory indemnity bond or other indemnity be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including liability incurred in connection with the enforcement of the terms and provisions of this Indenture, except liability which is adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(m) All moneys received by the Trustee or the Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor the Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture as it shall be directed to in writing by the Requisite Bondholders.

(o) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(p) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. Under no circumstances does the Trustee assume any responsibility or liability for the issuance of the Bonds as obligations the interest on which is excludable from gross income for purposes of federal income taxation or for the maintenance of such tax-exempt status subsequent to the date of issuance of the Bonds.

(q) The Trustee shall not be accountable for the use or application by the Companies of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or drawn down by the Companies in accordance with the provisions of this Indenture and the [Financing Agreements/Loan Agreements] or for the use and application of money received by any paying agent.

Section 8.2. **Fees, Charges and Expenses of Trustee and Paying Agent.** The Trustee and Paying Agent shall be entitled to payment and/or reimbursement for fees for its services rendered hereunder and all advances, counsel fees and other expenses made or incurred by the Trustee or Paying Agent in connection with such services. To the extent that the Pledged TIF Revenues are insufficient to pay the Administrative Fees of the Trustee, it is agreed that the Companies, jointly and severally, shall be responsible for unpaid fees of the Trustee. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior

to payment on account of interest or principal of, or premium, if any, on any Bond for the foregoing advances, fees, costs and expenses incurred. In the event of a bankruptcy, the fees and expenses of the Trustee shall constitute administrative expenses.

Section 8.3. **Notice to Bondholders if Default Occurs.** If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. **Intervention by Trustee.** In any judicial proceeding to which the Issuer is a party, the Trustee shall intervene on behalf of Bondholders subject to the provisions of Section 8.1(l), upon being directed in writing by the owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding to intervene in such proceeding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. **Successor Trustee.** Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. **Resignation by the Trustee.** The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Companies and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Companies may be served personally or sent by registered or certified mail.

Section 8.7. **Removal of the Trustee.** The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders. The fees and expenses of the Trustee shall be paid prior to the effectiveness of any removal.

Section 8.8. **Appointment of Successor Trustee by the Bondholders; Temporary Trustee.** In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of

Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank, having a reported capital and surplus of not less than One Hundred Million Dollars (\$100,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. **Concerning Any Successor Trustees.** Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Companies an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

- (a) all fees and expenses of the Trustee and the Paying Agent shall have been paid;
- (b) the Issuer and the Companies shall have performed all of their covenants and promises in the [Financing Agreements/Loan Agreements] and in this Indenture; and
- (c) all Bonds theretofore authenticated and delivered (i) have become due and payable, or (ii) are to be retired or called for redemption under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee at the expense of the Companies, or (iii) have been delivered to the Trustee canceled or for cancellation; and, in the case of (i) and (ii) above, there shall have been deposited with the Trustee either cash in an amount which shall be sufficient, or investments (but only to the extent that the full faith and credit of the United States of America are pledged to the timely payment thereof) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee, shall be sufficient, to pay when due the principal and interest due and to become due on the Bonds and prior to the redemption date or maturity date thereof, as the case may be; provided, however, none of the Bonds may be advance refunded if such advance refunding is not permitted by the laws of Indiana.

Section 11.2. **Defeasance of Bonds.** Any Bond shall be deemed to be paid and no longer Outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal and interest of such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for. At such time, the Trustee shall be provided with a defeasance opinion by nationally recognized Bond Counsel. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of

this Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such Bonds as aforesaid until (a) proper notice of redemption of such Bonds shall have been previously given in accordance with Section 5.2 of this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Companies shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the Owners of the Bonds, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of the Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Companies, in Governmental Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the Bond Fund as and when realized and collected for use and application as are other moneys deposited in the Bond Fund.

Notwithstanding any provision of any other Article of this Indenture which may be contrary to the provisions of this Section 11.2, all moneys or Governmental Obligations set aside and held in trust pursuant to the provisions of this Section 11.2 for the payment of Bonds (including premium thereon, if any) shall be applied to and used solely for the payment of the particular Bonds (including the premium thereon, if any) with respect to which such moneys or Governmental Obligations have been so set aside in trust.

Anything in Article IX hereof to the contrary notwithstanding, if moneys or Governmental obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the Owner of each Bond affected thereby.

In determining the sufficiency of the moneys and/or Government Obligations deposited pursuant to this Section 11.2, the Trustee shall receive, at the expense of the Companies, and may rely on a verification report of a firm of nationally recognized independent certified public accountants. The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

Section 11.3. **Cancellation of 20\_\_ Bonds.** If the Bondholders of any 20\_\_ Bonds presents that Bond to the Trustee with an instrument satisfactory to the Trustee waiving all claims for payment of that Bond, the Trustee shall cancel that 20\_\_ Bond and the Bondholder shall have

no further claim against the Trust Estate, the Issuer or the Companies with respect to that 20\_\_ Bond.

Section 11.4. **Application of Trust Money.** All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and applied by it, in accordance with the provisions of the Bonds and this Indenture, to the payment, either directly or through the Paying Agent, to the persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money has been deposited with the Trustee; but such money or obligations need not be segregated from other funds except to the extent required by law.

Section 11.5. **Consents, etc., of Bondholders.** Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture or the [Financing Agreements/Loan Agreements] requires that any such consent or other action be taken by the holders of a specified percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the following persons shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met: the Issuer, any of its members, the Companies, or the directors, trustees, officers or members of the Companies. For all other purposes, Bonds held by or for the account of such person shall be deemed to be outstanding hereunder. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, bank or bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank or to such banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a bank, bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until the Trustee shall have received notice in writing to the contrary.

Section 11.6. **Limitation of Rights.** With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Companies, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and exclusive benefit of the parties hereto and the Companies and the holders of the Bonds as herein provided.

Section 11.7. **Severability.** If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.8. **Notices.** All notices, demands, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, with proper address as indicated below. The Issuer, the Companies, and the Trustee may, by written notice given by each to the others, designate any address or addresses to which notices, demands, certificates or other communications to them shall be sent when required as contemplated by this Indenture. Until otherwise provided by the respective parties, all notices, demands, certificates and communications to each of them shall be addressed as provided in Section 9.4 of the [Financing Agreements/Loan Agreements].

Notwithstanding the foregoing, the Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and the [Financing Agreements/Loan Agreements] and delivered using Electronic Means; provided, however, that the Issuer and the Companies, as the case may be, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and the Companies, as the case may be, whenever a person is to be added or deleted from the listing. If the Issuer and the Companies, as the case may be, elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Issuer and the Companies each understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer and the Companies, as the case may be, shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Issuer and the Companies, as the case may be, and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer and the Companies, as the case may be. The Trustee shall not be

liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer and the Companies each agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer and the Companies, as the case may be; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. "Electronic Means" shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Section 11.9. **Counterparts.** This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.10. **Applicable Law.** This Indenture shall be governed exclusively by the applicable laws of the State of Indiana.

Section 11.11. **Immunity of Officers and Directors.** No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future members, officer, directors, agents, attorneys or employees of the Issuer, or any incorporator, member, officer, director, agents, attorneys, employees or trustee of any successor corporation, as such, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, members, officers, directors, agents, attorneys, employees or trustees as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

Section 11.12. **Holidays.** If any date for the payment of principal or interest on the Bonds is not a business day then such payment shall be due on the first business day thereafter with the same force and effect as if made on such date.

Section 11.13. **Shortfall of Pledged TIF Revenues.** Notwithstanding any other provision of this Indenture, any portion of the principal or interest due on the 20\_\_ Bonds that remains unpaid shall not be deemed defeased or otherwise satisfied, shall not be considered paid, and shall continue to be due and owing until the earlier of: (i) full payment by the Issuer; or (ii) the maturity date of the 20\_\_ Bonds. Interest shall not accrue on the interest that remains unpaid beyond the applicable debt service payment date.
