BACKGROUND (Includes description, background, and justification)	<p>A transfer of funds from one appropriation to another means removing monies from one category such as “supplies” and moving it to another such as “contractual services”.</p> <p>Due to various circumstances and reasons sometimes throughout the year budget appropriations in their respective funds need to be transferred to avoid drawing a negative balance. When this occurs, the respective department provides a written and signed transfer request to the Controller's Office.</p> <p>All transfers require Department Head approval before submission to the Controller's Office, whether or not they are between categories (ex. 200's to 300's) in the same department or transfers between departments. Transfers between departments also require City Council approval in addition to Department Head approval. As such, all transfers requiring City Council approval are prepared by the Controller's Office and submitted to the City Council for approval. Upon approval they are processed by the Controller's Office. Money cannot be transferred between funds.</p> <p>Attached is a resolution and its accompanying Exhibit A ("Transfers") requesting authorization for the City Controller to transfer all funds as outlined in the exhibit.</p>

	Expenditure \$:	N/A
	Source of Funds:	See Exhibit A

In other words, if an account or fund has a certain amount of money in it and the fiscal body has only authorized a certain percentage or amount that can be spent; then the fiscal body must authorize funds out of the cash balance (the portion of funding that exists between the authorized amount and the total amount in the fund) before such can be used.</p> <p>The City of Fishers has identified a need to appropriate additional funding for road and streets safety related improvements and maintenance. NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FISHERS THAT:

Section 1. Authorization of Bonds. In order to provide financing for the Refunding and the Projects, to fund a debt service reserve fund for the Bonds (if necessary), and incidental expenses incurred on the account of the issuance and sale of the Bonds, the City shall borrow money and issue the Bonds as herein authorized. The City covenants that the proceeds of the Bonds will not be used for any purpose except as described by this Ordinance. Where used in this Ordinance, the term “City” shall be construed also to include any department, board, commission, instrumentality or officer or officers of the City or of any City department, board, commission, or instrumentality.

Section 2. General Terms of the Bonds. In accordance with the Act and in order to procure said loan for such purposes, the Controller of the City (the “Controller”) is hereby

authorized and directed to have prepared and to issue and sell, in one or more series, Bonds of the City, designated “City of Fishers, Indiana Taxable Annual Appropriation General Revenue Bonds, Series 2026 (Stevanato Project), with any such further or different series designation as determined by the Controller to be necessary or appropriate, in the aggregate principal amount not to exceed Thirty-Two Million Dollars (\$32,000,000), for the purpose of providing funds to (i) pay costs of the Refunding and the Projects, (ii) fund a debt service reserve fund or pay the premium for a debt service reserve surety policy, if necessary, and (iii) pay the costs incurred on account of the issuance and sale of the Bonds, including any premiums for any municipal bond insurance policies, if any.

THE PRINCIPAL OF, INTEREST ON, AND PREMIUM, IF ANY, ON THE BONDS IS PAYABLE SOLELY FROM LEGALLY AVAILABLE REVENUES OF THE CITY, TO THE EXTENT TIF REVENUES (AS DEFINED HEREIN) ARE NOT AVAILABLE, BUT SUBJECT TO AND CONDITIONED UPON THE APPROPRIATION ON AN ANNUAL BASIS BY THE COMMON COUNCIL OF THE NECESSARY FUNDS TO PAY THE PRINCIPAL OF, INTEREST ON, AND PREMIUM, IF ANY, ON THE BONDS FROM ONE OR MORE FUNDS OR ACCOUNTS OF THE CITY AND THE TRANSFER AND DEPOSIT OF ANY AMOUNTS SO APPROPRIATED TO THE SINKING FUND (AS DEFINED HEREIN), AS DETERMINED BY THE COMMON COUNCIL IN ITS SOLE DISCRETION. The principal of, interest on, and premium, if any, on the Bonds shall never be paid from “property taxes”, as such term is defined under Indiana Code 6-1.1-20-1.6, which are exempt from the levy limitations of Indiana Code 6-1.1-18.5. The Bonds and the interest thereon do not and shall not constitute an indebtedness of the City, the State of Indiana (the “State”) or any political subdivision thereof within the meaning of any constitutional limitation, but shall be special and limited obligations of the City, payable solely from the Appropriated Revenues deposited into the Sinking Fund (as defined herein) as determined by the Common Council in its sole discretion. Each Bond must state plainly on its face that it is payable solely from any amounts annually appropriated for such purpose and deposited into the Sinking Fund and that it does not constitute a general obligation of, an indebtedness of, or charge against the general credit of, the City, the State or any political subdivision thereof. Neither the faith and credit nor the taxing power of the City is or may be pledged for the payment of the principal of, premium (if any) on, or interest on the Bonds. An owner of the Bonds is not entitled to compel the exercise of the taxing power by the City or the forfeiture of any of its property in connection with any default on the Bonds.

The Appropriated Revenues set forth in the Annual Appropriation may be reduced by available tax increment revenues of the Commission to the extent such tax increment revenues have been set aside and designated by the Commission for such purpose (the “TIF Revenues”). For the avoidance of doubt, TIF Revenues are not pledged to the repayment of the Bonds nor is the Commission obligated to set aside or designate any TIF Revenues for such purpose and the decision to set aside TIF Revenues for such purpose is within the sole discretion of the Commission.

The Bonds shall be issued in one or more series as fully registered bonds in denominations of: (i) Five Thousand Dollars (\$5,000) or any integral multiple thereof, or (ii) if sold through a private placement, in denominations of One Hundred Thousand Dollars (\$100,000), plus any integral multiple of Five Thousand Dollars (\$5,000) in excess thereof, or the aggregate principal amount of such Bonds maturing in any year if less than \$100,000; in either case not exceeding the

aggregate principal amount of the Bonds maturing in any one year. The Bonds shall be numbered consecutively from R-1 upward, and shall bear interest at a rate or rates not to exceed seven percent (7.00%) per annum (the exact rate or rates to be determined by bidding or through negotiations, as determined by the Controller). Interest on the Bonds shall be payable semiannually on February 1 and August 1 of each year (each an “Interest Payment Date”), commencing not earlier than February 1, 2027. The principal of the Bonds shall mature semiannually on February 1 and August 1 of each year, or be subject to mandatory sinking fund redemption on such dates, commencing not earlier than February 1, 2027, and ending no later than twenty-five (25) years following the date of issuance thereof, until the principal is fully paid. Interest on the Bonds shall be calculated according to a 360-day calendar year containing twelve 30-day months. Subject to the terms and conditions herein, the Bonds shall mature on such dates and amounts as determined by the Controller prior to the sale of the Bonds with the advice of Baker Tilly Municipal Advisors, LLC, as municipal advisor to the City (the “Municipal Advisor”).

All payments of interest on the Bonds shall be paid by check mailed one business day prior to the interest payment date to the registered owners thereof as of the fifteenth (15th) day of the month immediately preceding an Interest Payment Date at the addresses as they appear on the registration books kept by the Registrar (the “Registration Record”) or at such other address as is provided to the Paying Agent (as hereafter defined) in writing by such registered owner. Each registered owner of \$1,000,000 or more in principal amount of Bonds shall be entitled to receive interest payments by wire transfer by providing written wire instructions to the Paying Agent before the record date for any payment. All principal payments on the Bonds shall be made upon surrender thereof at the principal corporate trust office of the Paying Agent, in any coin or currency of the United States of America which on the date of such payment shall be legal tender for the payment of public and private debts.

The Bonds shall bear an original issue date which shall be the date of delivery and each Bond shall also bear the date of its authentication. Any Bond authenticated on or before the fifteenth (15th) day of the month immediately preceding the first Interest Payment Date, shall pay interest from its original date. Any Bond authenticated thereafter shall pay interest from the Interest Payment Date next preceding the date of authentication of such Bond to which interest thereon has been paid or duly provided for, unless such Bond is authenticated after the fifteenth (15th) day of the month immediately preceding an Interest Payment Date and on or before such Interest Payment Date, in which case interest thereon shall be paid from such Interest Payment Date.

Each Bond shall be transferable or exchangeable only on the books of the City maintained for such purpose at the designated corporate trust operations office of the Registrar, by the registered owner thereof in person, or by his or her attorney duly authorized in writing, upon surrender of such Bond together with a written instrument of transfer or exchange satisfactory to the Registrar duly executed by the registered owner or his or her attorney duly authorized in writing, and thereupon a new fully registered Bond or Bonds in the same aggregate principal amount and of the same maturity shall be executed and delivered in the name of the transferee or transferees or the registered owner, as the case may be, in exchange therefor. Each Bond may be transferred or exchanged without cost to the registered owner or his or her attorney duly authorized in writing, except for any tax or other governmental charge which may be required to be paid with respect to such transfer or exchange. The Registrar shall not be obligated to make any transfer or exchange of any Bond (i) during the fifteen (15) days immediately preceding an Interest Payment

Date or (ii) after the mailing of notice calling such Bond for redemption. The City, the Registrar and the Paying Agent may treat and consider the person in whose name any Bond is registered as the absolute owner thereof for all purposes including the purpose of receiving payment of, or on account of, the principal thereof and redemption premium, if any, and interest thereon.

In the event any Bond is mutilated, lost, stolen or destroyed, the City may cause to be executed and the Registrar may authenticate a new Bond of like date, maturity and denomination as the mutilated, lost, stolen or destroyed Bond, which new Bond shall be marked in a manner to distinguish it from the Bond for which it was issued; provided, that in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Registrar, and in the case of any lost, stolen or destroyed Bond there shall be first furnished to the Registrar evidence of such loss, theft or destruction satisfactory to the City and the Registrar, together with indemnity satisfactory to them. In the event that any such mutilated, lost, stolen or destroyed Bond shall have matured or been called for redemption, instead of causing to be issued a duplicate Bond, the Registrar and Paying Agent may pay the same upon surrender of the mutilated Bond or satisfactory indemnity and proof of loss, theft or destruction in the case of a lost, stolen or destroyed Bond. The City and the Registrar and Paying Agent may charge the owner of any such Bond with their reasonable fees and expenses in connection with the above. Every substitute Bond issued by reason of any Bond being lost, stolen or destroyed shall, with respect to such Bond, constitute a substitute contractual obligation of the City pursuant to this Ordinance, whether or not the lost, stolen or destroyed Bond shall be found at any time, and shall be entitled to all the benefits of this Ordinance, equally and proportionately with any and all other Bonds duly issued hereunder.

Section 3. Terms of Redemption. The Mayor and the Controller, upon consultation with the Municipal Advisor, may designate maturities of Bonds (or portion thereof in integral multiples of \$5,000 principal amount each) that shall be subject to optional redemption and/or maturity sinking fund redemption, and the corresponding redemption dates, amounts and prices (including premium, if any). Except as otherwise set forth in this Ordinance, the Mayor and the Controller, upon consultation with the Municipal Advisor, are hereby authorized and directed to determine the terms governing any such redemption, as evidenced by the delivery of the Bonds.

If any Bond is issued as a term bond, the Paying Agent shall credit against the mandatory sinking fund requirement for the Bonds maturing as term bonds, and corresponding mandatory redemption obligation, in the order determined by the City, any Bonds maturing as term bonds which have previously been redeemed (otherwise than as a result of a previous mandatory redemption requirement) or delivered to the Registrar for cancellation or purchased for cancellation by the Paying Agent and not theretofore applied as a credit against any redemption obligation. Each Bond maturing as a term bond so delivered or cancelled shall be credited by the Paying Agent at 100% of the principal amount thereof against the mandatory sinking fund obligation on such mandatory sinking fund date, and any excess of such amount shall be credited on future redemption obligations, and the principal amount of the Bonds to be redeemed by operation of the mandatory sinking fund requirement shall be accordingly reduced; provided, however, the Paying Agent shall credit only such Bonds maturing as term bonds to the extent received on or before forty-five (45) days preceding the applicable mandatory redemption date.

Each Five Thousand Dollars (\$5,000) principal amount shall be considered a separate bond for purposes of optional and mandatory redemption. If less than an entire maturity is called for redemption, the Bonds to be called shall be selected by lot by the Registrar.

Notice of redemption shall be mailed by first-class mail or by registered or certified mail to the address of each registered owner of a Bond to be redeemed as shown on the Registration Record not more than sixty (60) days and not less than thirty (30) days prior to the date fixed for redemption except to the extent such redemption notice is waived by owners of Bonds redeemed, provided, however, that failure to give such notice by mailing, or any defect therein, with respect to any Bond shall not affect the validity of any proceedings for the redemption of any other Bonds. The notice shall specify the date and place of redemption, the redemption price, the CUSIP numbers (if any) of the Bonds called for redemption, and any conditions precedent to such redemption. The place of redemption may be at the designated corporate trust operations office of the Paying Agent or as otherwise determined by the City. Interest on the Bonds so called for redemption shall cease on the redemption date fixed in such notice if sufficient funds are available at the place of redemption to pay the redemption price on the date so named, and thereafter, such Bonds shall no longer be protected by this ordinance and shall not be deemed to be outstanding hereunder, and the holders thereof shall have the right only to receive the redemption price.

All Bonds which have been redeemed shall be canceled and shall not be reissued; provided, however, that one or more new registered Bonds shall be issued for the unredeemed portion of any Bond without charge to the holder thereof.

No later than the date fixed for redemption, funds shall be deposited with the Paying Agent or another paying agent to pay, and such agent is hereby authorized and directed to apply such funds to the payment of, the Bonds or portions thereof called for redemption, including accrued interest thereon to the redemption date. No payment shall be made upon any Bond or portion thereof called for redemption until such Bond shall have been delivered for payment or cancellation or the Registrar shall have received the items required by this resolution with respect to any mutilated, lost, stolen or destroyed Bond.

Section 4. Appointment of Registrar and Paying Agent, Trustee, and/or Custodian. The Controller may appoint a qualified financial institution to serve as (i) trustee for the Bonds (the "Trustee") in accordance with the terms of the trust indenture between the City and the Trustee (the "Indenture") which Indenture shall conform to the terms of this Ordinance and be in a form acceptable to the Mayor and the Controller as evidenced by the execution thereof, or (ii) a custodian (the "Custodian") for all or any portion of the funds and accounts created under this Ordinance, in accordance with the terms of a custodial agreement between the City and the Custodian (the "Custodial Agreement") which Custodial Agreement shall conform to the terms of this Ordinance and be in a form acceptable to the Mayor and the Controller as evidenced by the execution thereof. The Controller is hereby authorized to serve as, or to appoint a qualified financial institution to serve as, the registrar and paying agent for the Bonds (the "Registrar" or "Paying Agent"). The Registrar is hereby charged with the responsibility of authenticating the Bonds, and shall keep and maintain at its principal office or corporate trust office books for the registration and transfer of the Bonds. The Controller and the Mayor are hereby authorized to enter into such agreements or understandings with such financial institution as will enable the financial institution or institutions to perform the services required of the Registrar and Paying Agent,

Trustee and/or Custodian. The Controller is authorized to pay such fees as the financial institution may charge for the services it provides as the Registrar and Paying Agent, Trustee and/or Custodian.

The Registrar and Paying Agent may at any time resign as Registrar and Paying Agent by giving thirty (30) days written notice to the Controller and to each registered owner of the Bonds then outstanding, and such resignation will take effect at the end of such thirty (30) days or upon the earlier appointment of a successor Registrar and Paying Agent by the City. Such notice to the Controller may be served personally or be sent by first-class or registered mail. The Registrar and Paying Agent may be removed at any time as Registrar and Paying Agent by the City, in which event the Mayor may appoint a successor Registrar and Paying Agent. The City shall notify each registered owner of the Bonds then outstanding of the removal of the Registrar and Paying Agent. Notices to registered owners of the Bonds shall be deemed to be given when mailed by first-class mail to the addresses of such registered owners as they appear on the Bond register. Any predecessor Registrar and Paying Agent shall deliver all the Bonds, cash and investments in its possession and the Bond register to the successor Registrar and Paying Agent. At all times, the same entity shall serve as Registrar and as Paying Agent. (End of Form of Bonds)

(b) The Bonds may, in compliance with all applicable laws and as determined by the Controller based upon the advice of the Municipal Advisor, initially be issued and held in book-entry form on the books of the central depository system, The Depository Trust Company, its successors, or any successor central depository system appointed by the City from time to time (the "Clearing Agency"), without physical distribution of Bonds to the purchasers. The following provisions of this section apply in such event.

One definitive Bond of each maturity shall be delivered to the Clearing Agency (or its agent) and held in its custody. The City and the Registrar and Paying Agent may, in connection therewith, do or perform or cause to be done or performed any acts or things not adverse to the rights of the holders of the Bonds as are necessary or appropriate to accomplish or recognize such book-entry form Bonds.

During any time that the Bonds remain and are held in book-entry form on the books of a Clearing Agency, (1) any such Bond may be registered upon the books kept by the Registrar in the name of such Clearing Agency, or any nominee thereof, including Cede & Co., as nominee of The Depository Trust Company; (2) the Clearing Agency in whose name such Bond is so registered shall be, and the City and the Registrar and Paying Agent may deem and treat such Clearing Agency as, the absolute owner and holder of such Bond for all purposes of this Ordinance, including, without limitation, the receiving of payment of the principal of and interest on such Bond, the receiving of notice and giving of consent; (3) neither the City nor the Registrar or Paying Agent shall have any responsibility or obligation hereunder to any direct or indirect participant, within the meaning of Section 17A of the Securities Exchange Act of 1934, as amended, of such Clearing Agency, or any person on behalf of which, or otherwise in respect of which, any such participant holds any interest in any Bond, including, without limitation, any responsibility or obligation hereunder to maintain accurate records of any interest in any Bond or any responsibility or obligation hereunder with respect to the receiving of payment of principal of or interest or premium, if any, on any Bond, the receiving of notice or the giving of consent; and (4) the Clearing Agency is not required to present any Bond called for partial redemption prior to receiving payment so long as the Registrar and Paying Agent and the Clearing Agency have agreed to the method for noting such partial redemption.

If either the City receives notice from the Clearing Agency which is currently the registered owner of the Bonds to the effect that such Clearing Agency is unable or unwilling to discharge its responsibility as a Clearing Agency for the Bonds, or the City elects to discontinue its use of such Clearing Agency as a Clearing Agency for the Bonds, then the City and Registrar and Paying Agent each shall do or perform or cause to be done or performed all acts or things, not adverse to the rights of the holders of the Bonds, as are necessary or appropriate to discontinue use of such Clearing Agency as a Clearing Agency for the Bonds and to transfer the ownership of each of the Bonds to such person or persons, including any other Clearing Agency, as the holders of the Bonds may direct in accordance with this Ordinance. Any expenses of such discontinuance and transfer, including expenses of printing new certificates to evidence the Bonds, shall be paid by the City.

During any time that the Bonds are held in book-entry form on the books of a Clearing Agency, the Registrar shall be entitled to request and rely upon a certificate or other written representation from the Clearing Agency or any participant or indirect participant with respect to the identity of any beneficial owner of Bonds as of a record date selected by the Registrar. For purposes of determining whether the consent, advice, direction or demand of a registered owner of a Bond has been obtained, the Registrar shall be entitled to treat the beneficial owners of the Bonds as the Noteholders and any consent, request, direction, approval, objection or other instrument of such beneficial owner may be obtained in the fashion described in this Ordinance.

During any time that the Bonds are held in book-entry form on the books of a Clearing Agency, the Mayor, the Controller and/or the Registrar are authorized to execute and deliver a Letter of Representations agreement with the Clearing Agency, or a Blanket Issuer Letter of Representations, and the provisions of any such Letter of Representations or any successor agreement shall control on the matters set forth therein. The Registrar, by accepting the duties of Registrar under this Ordinance, agrees that it will (i) undertake the duties of agent required thereby and that those duties to be undertaken by either the agent or the issuer shall be the responsibility of the Registrar, and (ii) comply with all requirements of the Clearing Agency, including without

limitation same day funds settlement payment procedures. Further, during any time that the Bonds are held in book-entry form, the provisions of Section 5 of this Ordinance shall control over conflicting provisions in any other section of this Ordinance.

Section 6. Execution and Authentication of the Bonds. In accordance with the terms hereof and the provisions of Indiana Code 5-1-3 and Indiana Code 5-1-14-18, the Bonds shall be executed in the name of the City by the manual, facsimile or electronic signature (as defined in Indiana Code 26-2-8-102(10), as amended) of the Mayor, and attested by the manual, facsimile or electronic signature of the Controller, with the seal of the City, if any, or a facsimile thereof to be affixed to each of the Bonds. The Bonds shall be authenticated by the manual, facsimile or electronic signature of the Registrar, and no Bonds shall be valid or become obligatory for any purpose until the certificate of authentication thereon has been so executed. In case any official whose signature appears on any Bonds shall cease to be such official before the delivery of such Bonds, the signature of such official shall nevertheless be valid and sufficient for all purposes, the same as if such official had been in office at the time of such delivery. Subject to the provisions of this Ordinance regarding the registration of the Bonds, the Bonds shall be fully negotiable instruments under the laws of the State of Indiana.

Section 7. Issuance, Sale and Delivery of the Bonds. The Controller is hereby authorized and directed to have the Bonds prepared, and the Mayor and the Controller are hereby authorized and directed to execute or to cause the execution of the Bonds in the form and manner herein provided. The Controller is hereby authorized and directed to deliver the Bonds to the purchaser or purchasers thereof upon compliance with the requirements established hereunder and under the Act for the sale thereof, and to collect the full amount which the purchaser or respective purchasers have agreed to pay therefor, which shall not be less than 99.0% of the par amount of the Bonds, plus accrued interest thereon to the date of delivery. The Bonds, when fully paid for and delivered to the purchaser or purchasers shall be binding special and limited obligations of the City subject to an annual appropriation, payable out of any legally available revenues of the City annually appropriated for such purpose and transferred into the Sinking Fund as herein provided; however, the Common Council has no legal obligation to appropriate any such legally available revenues from any fund or account of the City for such purpose, and the decision whether to make an appropriation in its annual budget for such purpose is within the sole discretion of the Common Council. The proceeds derived from the sale of the Bonds shall be and are hereby set aside for the application to the costs of the Refunding and the Projects and the expenses necessarily incurred in connection therewith including the expenses incurred in the issuance of the Bonds on account of the financing thereof. The authorized officers of the City are hereby authorized and directed to draw all proper and necessary warrants and to do whatever other acts and things that may be necessary or appropriate to carry out the provisions of this Ordinance.

If the Bonds are sold by competitive bid, the Controller shall cause to be published either (i) a notice of such sale two (2) times, at least one (1) week apart, with the first publication made at least fifteen (15) days before the date of such sale and the second publication at least three (3) days before the date of the sale in accordance with Indiana Code 5-3-1-2 in one (1) newspaper, as defined in and in accordance with Indiana Code 5-3-1-4, or (ii) a notice of intent to sell bonds once each week for two (2) weeks in accordance with Indiana Code 5-1-11-2 and Indiana Code 5-3-1-4 and in a newspaper of general circulation published in the State capital, in which case bids may not be received more than ninety (90) days after the first publication. Such notice, or a summary

thereof, may also be published in any other publications deemed appropriate in the discretion of the Controller. The bond sale notice shall state the time and place of sale, the purpose for which the Bonds are being issued, the total amount and maturities thereof, the maximum rate of interest thereon and any limitations as to the number of interest rates and the setting of such rates, the terms and conditions upon which bids will be received and the sale made, and such other information as the Controller and the attorneys employed by the City shall deem necessary or advisable. Such notice shall provide, among other things, that each bid shall be accompanied by a certified or cashier's check or wire transfer in the amount of one percent of the par amount of the Bonds to guarantee performance on the part of the bidder, and that in the event the successful bidder shall fail or refuse to accept delivery of and pay for the Bonds as soon as the Bonds are ready for delivery, or at the time fixed in the notice of sale, then such check and the proceeds thereof shall become the property of the City and shall be considered as the City's liquidated damages on account of such default.

All bids for the Bonds shall be sealed and shall be presented to the Controller or his or designee at the physical or electronic address identified in the notice. Bidders for the Bonds shall be required to name the rate or rates of interest which the Bonds are to bear, not exceeding seven percent (7.00%) per annum. Such interest rate or rates shall be in multiples of one-eighth (1/8), one-twentieth (1/20), or one-hundredth (1/100) of one percent. Bids specifying more than one interest rate shall also specify the amount and maturities of the Bonds bearing each rate, and all Bonds maturing on the same date shall bear the same rate. The rate on any maturity shall be equal to or greater than the rate on the immediately preceding maturity. The Bonds shall be awarded by the Controller to the best bidder who has submitted a bid in accordance with the terms of this Ordinance and the notice of sale. The best bidder will be the bidder who offers the lowest true interest cost to the City, to be determined by computing the total interest on all of the Bonds from the date thereof to their respective maturities and deducting therefrom the premium bid, if any. No bid for less than all of the Bonds, plus accrued interest to the date of delivery, shall be considered. The City shall have the right to reject any and all bids. In the event an acceptable bid is not received on the date fixed in the notice, the Controller shall be authorized to continue the sale from day to day for a period of not to exceed thirty (30) days without readvertising. During the continuation of the sale, no bid shall be accepted which offers an interest cost which is equal to or higher than the best bid received at the time originally fixed for the sale of the Bonds in the bond sale notice.

As an alternative to competitive bid, the Controller may negotiate the sale of said Bonds at an interest rate or rates not exceeding seven percent (7.00%) per annum. The Mayor and the Controller are hereby authorized to (i) execute a purchase agreement with the purchaser, and (ii) sell such Bonds upon such terms as are acceptable to the Mayor and the Controller consistent with the terms of this Ordinance. The final form of the purchase agreement shall be approved by the Mayor and Controller, upon the advice of the City's bond counsel and Municipal Advisor, and the Mayor and Controller are hereby authorized and directed to complete, execute and attest the same on behalf of the City so long as its provisions are consistent with the Ordinance.

Prior to the delivery of the Bonds, the Controller (i) shall be authorized, but not required, to investigate and to obtain insurance, surety bonds and/or credit ratings on the Bonds and (ii) shall obtain a legal opinion as to the validity of the Bonds from Barnes & Thornburg LLP, Indianapolis, Indiana, bond counsel for the City, and such opinion shall be furnished to the purchasers of the Bonds at the expense of the City. The costs of obtaining any such insurance, surety bonds and/or

credit ratings, together with bond counsel's fee in preparing and delivering such opinion and in the performance of related services in connection with the issuance, sale and delivery of the Bonds, shall be considered as a part of the cost of issuance of the Bonds and shall be paid out of the proceeds of the sale of the Bonds.

By its payment for and acceptance of any Bonds (or any interest therein), each registered or beneficial owner of such Bonds hereby agrees to all of the terms and provisions contained in the Bonds, this Ordinance and the Act.

Section 8. Use of Bond Proceeds. Proceeds of the Bonds shall be applied as follows and in the following order of priority:

(a) *First*, if proceeds of the Bonds will be used to fund all or a portion of the Reserve Account (as defined herein), the Controller shall transfer such proceeds to the Reserve Account of the Sinking Fund, as hereinafter described.

(b) *Second*, the remaining proceeds received from the sale of the Bonds shall be deposited in a separate refunding fund designated as the City of Fishers, Indiana, 2026 Stevanato Project Refunding Fund (the "Refunding Fund"). The proceeds deposited in the Refunding Fund shall be expended only for the purpose of paying expenses incurred in connection with the Refunding and the Projects together with the costs and expenses incidental thereto and on account of the issuance of the Bonds. The Controller is authorized to pay costs of issuance from the proceeds of the Bonds deposited into the Refunding Fund. Any balance remaining in the Refunding Fund after the completion of the Projects which is not required to meet unpaid obligations incurred in connection therewith and on account of the issuance of the Bonds may be used to pay debt service on the Bonds or otherwise used as permitted by law.

Section 9. Funds and Accounts. (a) *Sinking Fund.* There is hereby created a separate fund, designated as the "City of Fishers, Indiana, 2026 Annual Appropriation General Revenue Bonds Sinking Fund" (the "Sinking Fund"), which shall consist of an account created and designated as the "Revenues Account" (the "Revenues Account"). Prior to the sale of the Bonds, the Controller, with the advice of the Municipal Advisor, is authorized to create an account within the Sinking Fund designated as the "Debt Service Reserve Account" (the "Reserve Account"), as provided in subparagraph (c). Funds deposited into the Sinking Fund shall be applied to the payment of the principal of and interest on the Bonds, together with any fiscal or administrative charges related to the Bonds.

(b) *Revenues Account.* There shall be deposited by the Controller into the Revenues Account, as and when received, (i) any TIF Revenues set aside and transferred to the City by the Commission in its sole discretion for transfer and deposit into the Sinking Fund during such fiscal year for the purpose of paying the principal of, premium, if any, and interest on the Bonds, together with any fiscal agency charges, as the same becomes due and (ii) all revenues appropriated by the Common Council in its sole discretion for transfer and deposit into the Sinking Fund during such fiscal year for the purpose of paying the principal of, premium, if any, and interest on the Bonds, together with any fiscal agency charges, as the same becomes due. Nothing herein should be construed as requiring the Common Council or any other board, department, agency, commission or special taxing district of the City to appropriate and transfer any legally available revenues to

the Revenues Account from any source, other than (i) any TIF Revenues set aside and transferred by the Commission for such purpose as determined by the Commission in its sole discretion and (ii) any revenues annually appropriated by the Common Council for such purpose as determined by the Common Council in its sole discretion. Moneys in the Revenues Account shall be used by the Paying Agent solely for the purpose of paying the interest, premium, if any, and principal on the Bonds as such becomes due, whether at maturity or upon redemption. Any amounts appropriated and deposited in the Revenues Account are hereby irrevocably pledged by the City to the payment of the Bonds, such pledge being effective as set forth in Indiana Code § 5-1-14-4 without the necessity of filing or recording this Ordinance or any instrument except in the records of the City. The Mayor and the Controller are authorized to enter into agreements or undertakings as the Mayor and the Controller deem necessary or appropriate to further effectuate such pledge of amounts deposited into the Revenues Account of the Sinking Fund hereunder. If necessary in order to facilitate the deposit of any revenues or other funds so appropriated by the Common Council into the Revenues Account, the Mayor is hereby authorized to execute, and the Controller is authorized to attest, a revenue deposit agreement, in a form and substance acceptable to the Mayor and Controller, based upon the advice of the City's bond counsel, with such approval to be conclusively evidenced by the execution thereof by Mayor and attested by the Controller.

(c) Reserve Account. If, at or prior to the sale of the Bonds, it is determined by the Controller, with the advice of the Municipal Advisor, to be necessary to establish a Reserve Account for the Bonds, then the Reserve Account shall be established, and there shall be set aside from the proceeds of such series of Bonds or other legally available money of the City and deposited in the Reserve Account an amount of money that shall be required to maintain the Reserve Account in the full amount of the Reserve Requirement (as defined below). If so established, no deposit need be made in the Reserve Account so long as there shall be on deposit therein a sum no greater than the least of (i) 10% of the stated principal amount or the issue price of the Bonds, determined in accordance with U.S. Treasury Regulation Section 1.148-2(f)(2)(ii), (ii) the maximum annual principal and interest requirements on the Bonds, and (iii) 125% of the average annual principal and interest requirements on the Bonds (the "Reserve Requirement"), with the amount of any such Reserve Requirement to be determined by the Controller prior to the sale of the Bonds, based on the recommendation of the Municipal Advisor. All money in the Reserve Account shall be used and withdrawn by the City solely for the purpose of making deposits into the Revenues Account, in the event of any deficiency at any time in such account, or for the purpose of paying the interest on or principal of or redemption premiums, if any, on the Bonds, in the event that no other money is lawfully available therefor. Any amount in the Reserve Account in excess of the Reserve Requirement shall be withdrawn from the Reserve Account and deposited in the Revenues Account. Money in the Reserve Account shall also be available to make the final payments of interest and principal on the Bonds. At its option, the City may satisfy the Reserve Requirement (if so established) with a surety bond, letter of credit or other financial instrument on terms and conditions recommended by the Municipal Advisor, so long as the provider of any such surety bond, letter of credit or other credit facility is rated, solely at the time such credit instrument is issued, in one of the two highest rating categories by any rating agency then rating the Bonds.

(d) Annual Appropriation Certification and Request. By no later than July 1 of each year, so long as the Bonds remain outstanding, the City Controller shall certify to the Mayor and the Common Council the aggregate amount of principal, interest and any fiscal agency charges coming due on the Bonds in the calendar year immediately following such annual certification,

together with any amount necessary to restore the balance in the Reserve Account (if so established) to the Reserve Requirement (such amounts collectively, the “Required Amount”). The Controller shall further certify to the Mayor and Common Council, in coordination with the Commission, the amount of TIF Revenues available in the calendar year immediately following such annual certification for the payment of the Required Amounts (such TIF Revenues, the “Annual Available TIF Revenues”). If the Controller’s certification of Annual Available TIF Revenues is less than the amount necessary to pay the Required Amounts, the Mayor and the City Controller shall use their best efforts to include, in each year when Annual Available TIF Revenues are less than the Required Amounts, as a part of the proposed annual budget for the following budget year an appropriation of revenues from one or more accounts of the City and the transfer thereof to the Sinking Fund in an amount sufficient to ensure timely payment of debt service and fiscal agency charges on the Bonds when due, together with any amount necessary to restore the balance in the Reserve Account to the Reserve Requirement, if necessary. For the avoidance of doubt, this Common Council has no legal obligation to appropriate any such legally available revenues from any fund or account of the City for such purpose, and the decision whether to make an appropriation in its annual budget for such purpose is within the sole discretion of this Common Council. If such amounts are so appropriated each year, this Common Council will transfer, or cause to be transferred, any such amount to the Sinking Fund at times and in amounts sufficient to pay in full the debt service payments on the Bonds, including any amount necessary to restore the Reserve Account, if so established.

Section 10. Defeasance. If, when the Bonds or any portion thereof shall have become due and payable in accordance with their terms or shall have been duly called for redemption or irrevocable instructions to call the Bonds or any portion thereof for redemption have been given, and the whole amount of the principal and the interest so due and payable upon such Bonds or any portion thereof then outstanding shall be paid, or (i) cash, or (ii) direct non-callable obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, the principal of and the interest on which when due without reinvestment will provide sufficient money, or (iii) any combination of the foregoing, shall be held irrevocably in trust for such purpose, and provision shall also be made for paying all fees and expenses for the payment, then and in that case the Bonds or such designated portion thereof shall no longer be deemed outstanding or secured by this Ordinance.

Section 11. Amendments. Subject to the terms and provisions contained in this section, and not otherwise, the owners of not less than sixty-six and two-thirds percent (66-2/3%) in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the adoption by the City of such ordinance or ordinances supplemental hereto as shall be deemed necessary or desirable by the City for the purpose of modifying, altering, amending, adding to or rescinding in any particular any of the terms or provisions contained in this Ordinance, or in any supplemental ordinance; provided, however, that nothing herein contained shall permit or be construed as permitting:

(c) An extension of the maturity of the principal of or interest on any Bond, without the consent of the holder of each Bond so affected; or

(d) A reduction in the principal amount of any Bond or the rate of interest thereon, or a change in the monetary medium in which such amounts are payable, without the consent of the holder of each Bond so affected; or

(e) A preference or priority of any Bond over any other Bond, without the consent of the holders of all Bonds then outstanding; or

(f) A reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance, without the consent of the holders of all Bonds then outstanding.

If the City shall desire to obtain any such consent, it shall cause the Registrar to mail a notice, postage prepaid, to the addresses appearing on the registration books held by the Registrar. Such notice shall briefly set forth the nature of the proposed supplemental ordinance and shall state that a copy thereof is on file at the office of the Registrar for inspection by all owners of the Bonds. The Registrar shall not, however, be subject to any liability to any owners of the Bonds by reason of its failure to mail such notice, and any such failure shall not affect the validity of such supplemental ordinance when consented to and approved as herein provided.

Whenever at any time within one year after the date of the mailing of such notice, the City shall receive any instrument or instruments purporting to be executed by the owners of the Bonds of not less than sixty-six and two-thirds per cent (66-2/3%) in aggregate principal amount of the Bonds then outstanding, which instrument or instruments shall refer to the proposed supplemental ordinance described in such notice, and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice as on file with the Registrar, thereupon, but not otherwise, the City may adopt such supplemental ordinance in substantially such form, without liability or responsibility to any owners of the Bonds, whether or not such owners shall have consented thereto.

No owner of any Bond shall have any right to object to the adoption of such supplemental ordinance or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the City or its officers from adopting the same, or from taking any action pursuant to the provisions thereof. Upon the adoption of any supplemental ordinance pursuant to the provisions of this section, this Ordinance shall be, and shall be deemed, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Ordinance of the City and all owners of Bonds then outstanding, shall thereafter be determined exercised and enforced in accordance with this Ordinance, subject in all respects to such modifications and amendments.

Notwithstanding anything contained in the foregoing provisions of this Ordinance, the rights and obligations of the City and of the owners of the Bonds, and the terms and provisions of the Bonds and this Ordinance, or any supplemental ordinance, may be modified or altered in any respect with the consent of the City and the consent of the owners of all the Bonds then outstanding.

Without notice to or consent of the owners of the Bonds, the City may, from time to time and at any time, adopt such ordinances supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental ordinances shall thereafter form a part hereof),

- (a) To cure any ambiguity or formal defect or omission in this Ordinance or in any supplemental ordinance; or
- (b) To grant to or confer upon the owners of the Bonds any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the owners of the Bonds; or
- (c) To procure a rating on the Bonds from a nationally recognized securities rating agency designated in such supplemental ordinance, if such supplemental ordinance will not adversely affect the owners of the Bonds; or
- (d) To obtain or maintain Bond insurance with respect to the Bonds; or
- (e) To provide for the refunding or advance refunding of the Bonds; or
- (f) To make any other change which, in the determination of the Common Council in its sole discretion, is not to the prejudice of the owners of the Bonds.

Notwithstanding any of the foregoing provisions of this Ordinance, if the Mayor and the Controller of the City determine to enter into an Indenture with a Trustee for the Bonds, prior to the issuance of the Bonds, no consent shall be required to such an Indenture and the terms of such an Indenture shall govern the Bonds in place of this Ordinance. Provided, however, that the terms of the Indenture shall conform to the terms set forth in this Ordinance.

ORDINANCE NO. 051826C

AN ORDINANCE OF THE COMMON COUNCIL OF THE CITY OF FISHERS, INDIANA, AUTHORIZING THE ISSUANCE OF THE CITY OF FISHERS, INDIANA TAXABLE ECONOMIC DEVELOPMENT REVENUE BONDS, SERIES 2026 (CROSSING PROJECT) AND AUTHORIZING AND APPROVING OTHER ACTIONS IN RESPECT THERETO

WHEREAS, the City of Fishers, Indiana (the “City”), is a municipal corporation and political subdivision of the State of Indiana and by virtue of I.C. 36-7-11.9 and I.C. 36-7-12 (collectively, the “Act”), is authorized and empowered to adopt this ordinance (this “Bond Ordinance”) and to carry out its provisions; and

WHEREAS, the City of Fishers Redevelopment Commission (the “Commission”) has previously created the Consolidated Fishers/I-69 Economic Development Area (the “Economic Development Area”), has designated or will designate a portion of the area as each of the Crossing Allocation Area (the “Crossing Allocation Area”) and the Yard Economic Development Allocation Area (the “Yard Allocation Area”) and the Stations Economic Development Allocation Area (the “Stations Allocation Area”) for purposes of the allocation and distribution of property taxes under IC 36-7-14-39, and has created each of the Crossing Allocation Fund (the “Crossing Allocation Fund”), the Yard Allocation Fund (the “Yard Allocation Fund”) and the Stations Allocation Fund (the “Stations Allocation Fund”), pursuant to IC 36-7-14-39; and

WHEREAS, the City, the Commission, the City of Fishers, Indiana Economic Development Commission (the “EDC”), the Fishers Town Hall Building Corporation, and Thompson Thrift Development, Inc., an Indiana Corporation (together with any affiliate(s) thereof, the “Developer”), entered into an Amended and Restated Project Agreement, dated May 12, 2025 (the “Project Agreement”), pursuant to which the Developer committed to the acquisition, construction, renovation and equipping of approximately 275 multifamily units, approximately 10,000 square feet of retail and restaurant space, and a structured parking facility with approximately 394 parking spaces and the completion of related improvements (collectively, the “Project”) within the Economic Development Area and Crossing Allocation Area;

WHEREAS, pursuant to the Project Agreement, it is proposed that the City issue each of (i) its Taxable Economic Development Revenue Bonds, Series 2026 (Crossing Project) in an amount not to exceed Fifteen Million Dollars (\$15,000,000) (the “Crossing Bonds”) under the Act and provide the proceeds of such Crossing Bonds to the Developer to finance the costs of certain infrastructure, property acquisition, and other improvements and costs of the Developer to support and related to the Developer’s construction of the Project, as further described in the Project Agreement under the Act; and

WHEREAS, the completion of the Project results in the diversification of industry and the creation of jobs and business opportunities in the City; and

WHEREAS, pursuant to I.C. § 36-7-12-24, the EDC published notice of a public hearing (the “Public Hearing”) on the proposed issuance of the Crossing Bonds to finance the Project; and

WHEREAS, on the date specified in the notice of the Public Hearing, the EDC held the Public Hearing on the Project and received uncontroverted evidence that the Project will have no adverse competitive effect on similar facilities already constructed or operating in the City; and

WHEREAS, the Commission and EDC have performed all actions required of it by the Act preliminary to the adoption of this Bond Ordinance and has approved and forwarded to the Common Council the forms of: (1) a Loan or Financing Agreement, between the Developer and the City (the “Crossing Developer Agreement”); (2) a Trust Indenture governing the issuance of the Crossing Bonds (the “Crossing Trust Indenture”), between the City and a trustee to be selected by the Controller of the City; (3) the Crossing Bonds; and (4) this Bond Ordinance (the Crossing Developer Agreement, the Crossing Trust Indenture, the Crossing Bonds, and this Bond Ordinance, collectively, the “Crossing Financing Agreements”).

NOW, THEREFORE, BE IT ORDAINED BY THE COMMON COUNCIL OF THE CITY OF FISHERS, INDIANA, THAT:

1. Findings; Public Benefits. The Common Council hereby finds and determines that the Project involves the acquisition, construction and equipping of an “economic development facility” as that phrase is used in the Act; that the Project will increase employment opportunities and increase diversification of economic development in the City, will improve and promote the economic stability, development and welfare in the City, will encourage and promote the expansion of industry, trade and commerce in the City and the location of other new industries in the City; that the public benefits to be accomplished by this Bond Ordinance, intending to overcome insufficient employment opportunities and insufficient diversification of industry, are greater than the cost of public services (as that phrase is used in the Act) which will be required by the Project; and, therefore, that the financing of the Project by the issuance of each of the Crossing Bonds under the Act: (a) will be of benefit to the health and general welfare of the City; and (b) complies with the Act.

2. Approval of Financing. The proposed financing of the Project, including capitalized interest on the Crossing Bonds, if any, and costs of issuance of the Crossing Bonds, by the issuance of the Crossing Bonds under the Act, in the form that such financing was approved by the Commission, is hereby approved.

3. Authorization of the Bonds. The issuance of the Crossing Bonds, payable solely from revenues and receipts derived from the Crossing Financing Agreements, is hereby authorized.

purchaser thereof, with such interest to be payable as provided in the Crossing Financing Agreements; (v) be issuable in such denominations as set forth in the Crossing Financing Agreements; (vi) be issuable only in fully registered form; (vii) be subject to registration on the bond register as provided in the Crossing Trust Indenture; (viii) be payable in lawful money of the United States of America; (ix) be payable at an office of the trustee as provided in the Crossing Trust Indenture; (x) be subject to optional redemption prior to maturity and subject to redemption as otherwise provided in the Crossing Financing Agreements; (xi) be issued in one or more series; and (xii) contain such other terms and provisions as may be provided in the Crossing Financing Agreements.

(b) The principal of the Crossing Bonds and the interest thereon do not and shall never constitute an indebtedness of, or a charge against the general credit or taxing power of, the City, but shall be special and limited obligations of the City, payable solely from revenues and other amounts derived from the Crossing Financing Agreements, including (i) all real property tax increment revenues generated from the Crossing Allocation Area and deposited in the Crossing Allocation Fund pursuant to IC 36-7-14-39 pursuant to the terms of the pledge of such revenues to the Crossing Bonds by the Redevelopment Commission and (ii) to the extent available and necessary to pay principal and interest due and owing on the Crossing Bonds excess real property tax increment revenues generated from each of (A) the Yard Allocation Area and deposited in the Yard Allocation Fund pursuant to IC 36-7-14-39 after the payment from the Yard Allocation Fund of all debt service and administrative costs associated with the each of the City of Fishers, Indiana Taxable Economic Development Revenue Bonds, Series 2018A (The Yard Retail Project) and the City of Fishers, Indiana Economic Development Revenue Bonds, Series 2018B (The Yard Garage Project), and (B) the Stations Allocation Area and deposited in the Stations Allocation Fund pursuant to IC 36-7-14-39 after the payment from the Stations Allocation Fund of all debt service and administrative costs associated with the City of Fishers, Indiana Taxable Economic Development Revenue Bonds, Series 2019C (The Stations Project), collectively, and in any year in an aggregate amount not to exceed Five Hundred Thousand Dollars (\$500,000) pursuant to the terms of the pledge of such revenues to the Crossing Bonds by the Redevelopment Commission, on a subordinate basis to the pledge of such revenues to the payment of the City of Fishers, Indiana Taxable Economic Development Revenue Bonds, Series 2025 (Union Project).

5. Sale of the Crossing Bonds. The Mayor and the Controller of the City are hereby authorized and directed, in the name and on behalf of the City, to sell the Crossing Bonds to a purchaser or purchasers selected by such officers (the "Purchaser") at such prices and on such terms as may be determined at the time of sale and approved by the Mayor and the Controller of the City. The Mayor and the Controller of the City are hereby authorized to approve and execute a bond purchase agreement for the Crossing Bonds with the Purchaser, in a form approved by such officers, such approval to be conclusively evidenced by the execution thereof.

6. Execution and Delivery of Crossing Financing Agreements. Forms of the Crossing Financing Agreements are before this meeting and are by this reference incorporated in this Bond Ordinance, and the Controller of the City is hereby directed, in the name and on behalf of the City, to insert them into the minutes of the Common Council and to keep them on file. The Mayor and the Controller of the City are hereby authorized and directed, in the name and on behalf of the City, to execute or endorse and deliver the Crossing Bonds and each of the Crossing Financing Agreements, submitted to the Common Council, which are hereby approved in all respects.

7. Changes in Crossing Financing Agreements. The Mayor and the Controller of the City are hereby authorized, in the name and on behalf of the City, without further approval of the Common Council or the Commission, to approve such changes in the Crossing Financing Agreements as may be permitted by the Act, such approval to be conclusively evidenced by their execution thereof. The Mayor and the Controller of the City are hereby authorized and directed, to select a financial institution to serve as the Trustee.

8. Public Approval. The Common Council hereby approves the issue of the Crossing Bonds and the Project to be financed by the Crossing Bonds, which facilities are described in the published notice of the Public Hearing.

9. General. The Mayor and the Controller of the City, and each of them, are hereby authorized and directed, in the name and on behalf of the City, to execute or endorse any and all agreements, documents and instruments, perform any and all acts, approve any and all matters, and do any and all other things deemed by them, or either of them, to be necessary or desirable in order to carry out and comply with the intent, conditions and purposes of this Bond Ordinance (including the preambles hereto and the documents mentioned herein), the Project, the issuance and sale of the Crossing Bonds, and the securing of the Crossing Bonds under the Crossing Financing Agreements, including, but not limited to, such agreements, documents and instruments as are contemplated under the Project Agreement, and any such execution, endorsement, performance or doing of other things heretofore effected be, and hereby is, ratified and approved.

10. Binding Effect. The provisions of this Bond Ordinance and the Crossing Financing Agreements shall constitute a binding contract between the City and the holders of the Crossing Bonds, and after issuance of the Crossing Bonds this Bond Ordinance shall not be repealed or amended in any respect which would adversely affect the rights of the holders of the Crossing Bonds as long as the Crossing Bonds or interest thereon remains unpaid.

Principal installments on the 2026 Bonds shall be payable (solely from the sources set forth herein) as set forth in Schedule B hereto (such schedule to be updated as purchases of the 2026 Bonds occur on the Funding Dates as provided in Section 4.4 of the below-described Indenture).

The proceeds of this 2026 Bond or credits related thereto may be advanced from time to time at the written request of the Company, subject to the approval of the Issuer. All payments of interest hereon will be made by the Trustee by check mailed on each Interest Payment Date to the Registered Owner hereof at the address shown on the registration books of the Trustee as maintained by the Trustee, as registrar, determined on the Record Date next preceding such Interest Payment Date, or by wire transfer of immediately

If the payment date occurs on a date when financial institutions are not open for business, the wire transfer shall be made on the next succeeding business day. This Bond shall only need to be presented for payment to the Trustee upon final maturity or upon redemption in full.

This Bond is the only one of an authorized issue of the Issuer's Taxable Economic Development Revenue Bonds, Series 2026 (Crossing Project) (hereinbefore and hereinafter the, "2026 Bonds") which are being issued under the hereinafter described Indenture in the aggregate principal amount of not to exceed [\$XX,XXX,XXX]. The 2026 Bonds are being issued for the purpose of providing funds to the acquisition, construction, renovation and equipping of approximately 275 multifamily units, approximately 10,000 square feet of retail and restaurant space, and a structured parking facility with approximately 394 parking spaces and the completion of related improvements ("Project"), to be constructed by [TTRG IN Fishers Swordfish LLC] (the "Company"), and costs of issuance, by providing such funds to the Company pursuant to the [Loan Agreement], dated as of [_____ 1, 2026] ("[Loan Agreement]") between the Company and the Issuer.

The 2026 Bonds are issued under and entitled to the security of a Trust Indenture dated as of [_____ 1, 2026] ("Indenture") duly executed and delivered by the Issuer to [TRUSTEE], as Trustee (the term "Trustee" where used herein referring to the Trustee or its successors), pursuant to which Indenture, the Pledged TIF Revenues[, Taxpayer Payments] and all other rights of the Issuer under the [Taxpayer Agreement], [the [2026 Note], and the [Loan Agreement], except certain rights to payment for expenses, indemnity rights and rights to perform certain discretionary acts as set forth in the [Loan Agreement],] are pledged and assigned by the Issuer to the Trustee as security for the 2026 Bonds. THE OWNER OF THIS BOND, BY ACCEPTANCE OF THIS 2026 BOND, HEREBY AGREES TO ALL OF THE TERMS AND PROVISIONS IN THE INDENTURE AND THIS 2026 BOND, AND ACKNOWLEDGES THAT:

1. It is a sophisticated investor and is familiar with securities such as the Bonds.
2. It is familiar with the Issuer, the Fishers Redevelopment Commission ("Commission") and the Fishers Redevelopment District ("District"); it has received such information concerning the Issuer, the 2026 Bonds, the Indenture, the [Loan Agreement], the [2026 Note], the [Taxpayer Agreement], and the Pledged TIF Revenues, as it deems to be necessary in connection with investment in the 2026 Bonds. It has received, read and had an opportunity to comment upon and has consented to the provisions of the Indenture, the 2026 Bonds and the [Loan Agreement]. Prior to the purchase of the 2026 Bonds, it has been provided with the opportunity to ask questions of and receive answers from the representatives of the Issuer concerning the terms and conditions of the 2026 Bonds, the tax status of the 2026 Bonds, legal opinions and enforceability of remedies, the security therefor, and property tax reform (including the hereinafter defined Circuit Breaker), and to obtain any additional information needed in order to verify the accuracy of the information obtained to the extent that the Issuer possess such information or can acquire it without unreasonable effort or expense. It is not relying on Barnes & Thornburg LLP, the Trustee or Lindsey Bennett, City Attorney, for information concerning the financial status of

the Issuer, the Economic Development Commission or the District, or the ability of the Issuer or the Economic Development Commission to honor their financial obligations or other covenants under the 2026 Bonds, the Indenture or the [Loan Agreement]. It understands that the projection of TIF Revenues prepared by Baker Tilly Municipal Advisors, LLC in connection with the issuance of the 2026 Bonds has been based on assessed value estimates provided by the Company.

3. It understands that the Issuer's collection of the TIF Revenues may be limited by operation of IC 6-1.1-20.6, which provides Taxpayer with tax credits for property taxes attributable to different classes of property in an amount that exceeds certain percentages of the gross assessed value of the property ("Circuit Breaker"). The Issuer may not increase its property tax levy or borrow money to make up any shortfall due to the application of this tax credit. It further understands that neither the Issuer nor the Economic Development Commission has the authority to levy a tax to pay the principal of the 2026 Bonds.

4. It is acquiring the 2026 Bonds for its own account with no present intent to resell; and it will not sell, convey, pledge or otherwise transfer the 2026 Bonds without prior compliance with applicable registration and disclosure requirements of state and federal securities law, though in no instance shall Issuer approval or consent be required prior to any sale, conveyance, pledge, or transfer.

5. It has investigated the security for the 2026 Bonds, to its satisfaction, and it understands that the 2026 Bonds are payable solely from [payments received under] the [2026 Note], Pledged TIF Revenues, [and Taxpayer Payments].

6. It recognizes that: (a) the opinions it has received express the professional judgment of the attorneys participating in the transaction as to the legal issues addressed herein; (b) by rendering such opinions, the attorneys do not become insurers or guarantors of (i) that expression of professional judgment; (ii) the transaction opined upon; or (iii) the future performance of parties to such transaction; and (c) the rendering of the opinions does not guarantee the outcome of any legal dispute that may arise out of the transaction.

7. It understands that the Issuer has no continuing disclosure obligations with regard to the 2026 Bonds.

[It is provided in the Indenture that the Issuer may hereafter issue Additional Bonds (as defined in the Indenture) from time to time under certain terms and conditions contained therein. ([Such Additional Bonds and the] 2026 Bonds are hereinafter [collectively] referred to as the "Bonds.") Reference is made to the Indenture and to all indentures supplemental thereto and to the [Loan Agreement] for a description of the nature and extent of the security, the rights, duties and obligations of the Issuer and the Trustee, the rights of the holders of the Bonds, [the issuance of Additional Bonds] and the terms on which the Bonds are or may be issued and secured, and to all the provisions of which the holder hereof by the acceptance of this 2026 Bond assents.]

The 2026 Bonds are issuable in registered form in the denominations of \$100,000 and integral multiples of \$1,000 in excess thereof. This 2026 Bond is transferable by the registered holder hereof in person or by its attorney duly authorized in writing at the designated corporate trust operations office of the Trustee, but only in the manner, subject to the limitations and upon

payment of the charges provided in the Indenture and upon surrender and cancellation of this 2026 Bond. Upon such transfer a new registered bond will be issued to the transferee in exchange therefor.

The Issuer, the Trustee and the Paying Agent may deem and treat the Registered Owner hereof as the absolute owner hereof for the purpose of receiving payment of or on account of principal hereof and premium, if any, hereon and interest due hereon and for all other purposes, and neither the Issuer nor the Trustee nor the Paying Agent shall be affected by any notice to the contrary.

If sufficient funds are on deposit in the Bond Fund pursuant to the applicable terms of the [Loan Agreement], the 2026 Bonds shall be subject to redemption prior to maturity at the option of the Issuer at the direction of the [Borrower] on any date after [August 1, 2036], upon not less than [six (6) months'] notice, in whole or in part in such order of maturity as the Issuer shall direct and by lot within maturities on any date, from any moneys made available for that purpose, at face value and without premium, plus in each case accrued interest to the date fixed for redemption.

If any of the 2026 Bonds are called for redemption as aforesaid, notice thereof identifying the 2026 Bonds to be redeemed will be given by mailing a copy of the redemption notice by first class mail not less than [one hundred eighty (180)] days nor more than [two hundred ten (210)] days prior to the date fixed for redemption to the Registered Owner of the 2026 Bonds to be redeemed at the address shown on the registration books; provided, however, that failure to give such notice by mailing, or any defect therein with respect to any registered 2026 Bond, shall not affect the validity of any proceedings for the redemption of other 2026 Bonds.

All 2026 Bonds so called for redemption will cease to bear interest on the specified redemption date, provided funds for their redemption are on deposit at the place of payment at that time, and shall no longer be protected by the Indenture and shall not be deemed to be outstanding under the provisions of the Indenture.

This 2026 Bond is transferable by the Registered Owner hereof at the designated trust office of the Trustee upon surrender and cancellation of this 2026 Bond and on presentation of a duly executed written instrument of transfer, and thereupon a new 2026 Bond or 2026 Bonds of the same aggregate principal amount and maturity and in authorized denominations will be issued to the transferee or transferees in exchange therefor, subject to all of the terms herein.

The 2026 Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer. The 2026 Bonds, as to both principal and interest, are not an obligation or liability of the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and payable solely and only from the trust estate consisting of funds and accounts held under the Indenture, the Pledged TIF Revenues [and Taxpayer Payments] pledged and assigned for their payment in accordance with the Indenture ("Trust Estate"). Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of, premium, if any, or the interest on this 2026 Bond. The 2026 Bonds do not grant the owners or holders thereof any right to have the Issuer, the

State of Indiana or its General Assembly, or any political subdivision or taxing authority of the State of Indiana, levy any taxes or appropriate any funds for the payment of the principal of, premium, if any, or interest on the 2026 Bonds. No covenant or agreement contained in the 2026 Bonds or the Indenture shall be deemed to be a covenant or agreement of the Fishers Redevelopment Commission (“Redevelopment Commission”), the Fishers Economic Development Commission (the “Commission”), the Issuer or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the 2026 Bonds shall be liable personally on the 2026 Bonds or be subject to any personal liability or accountability by reason of the issuance of the 2026 Bonds.

The holder of this 2026 Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture, or to institute, appear in or defend any suit or other proceedings with respect thereto, except as provided in the Indenture. In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Bonds issued under the Indenture and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Indenture, or of any supplements thereto, may be made to the extent and in the circumstances permitted by the Indenture. The Issuer’s obligation to pay Pledged TIF Revenues shall not be subject to acceleration.

It is hereby certified that all conditions, acts and things required to exist, happen and be performed under the laws of the State of Indiana and under the Indenture precedent to and in the issuance of this 2026 Bond, exist, have happened and have been performed, and that the issuance, authentication and delivery of this 2026 Bond have been duly authorized by the Issuer.

This 2026 Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the certificate of authentication hereon shall have been duly executed by the Trustee.

Upon the execution and delivery of this Indenture, the Issuer shall execute and deliver to the Trustee the 2026 Bonds in the aggregate principal amount not to exceed [\$XX,XXX,XXX]. The Trustee shall authenticate such Bonds and deliver them to the Bond Purchaser thereof upon receipt of:

- (i) A copy, duly certified by the Clerk of the Issuer, of the 2026 Bond Ordinance adopted and approved by the Issuer authorizing the execution and delivery of the [Loan Agreement] and this Indenture and the issuance of the 2026 Bonds.
- (ii) A copy, duly certified by the Secretary of the Redevelopment Commission, of the resolution adopted and approved by the Redevelopment Commission pledging the Pledged TIF Revenues [and Taxpayer Payments] to the payment of the 2026 Bonds.
- (iii) Executed counterparts of the [Loan Agreement], the [Taxpayer Agreement], and this Indenture.
- (iv) The [2026 Note] in the same principal amount as the principal amount of the 2026 Bonds, duly executed by the [Borrower] and endorsed by the Issuer to the order of the Trustee.
- (v) A written request of the Issuer to the Trustee requesting the Trustee to authenticate, or cause to be authenticated, and deliver the 2026 Bonds to the Bond Purchaser in the principal amount not to exceed [\$XX,XXX,XXX].
- (vi) Such other documents as shall be reasonably required by the Bond Purchaser.

The proceeds of the 2026 Bonds shall be paid over to the Trustee and deposited to the credit of various Funds as hereinafter provided under Section 3.1 hereof.

The 2026 Bonds initially issued and authenticated hereunder shall be registered in the name of the Bond Purchaser.

Section 2.8. Issuance of Additional Bonds. One series of Additional Bonds additional to the 2026 Bonds may be authenticated and delivered for the purpose of financing the cost or estimated cost of completing the Project or of acquiring and/or constructing additional improvements to the Project, and, in each case, obtaining additional funds to pay the costs to be incurred in connection with the issuance of such Additional Bonds, to establish reserves with respect thereto and to pay interest during the estimated construction period of completing the additional improvements, if any. [Such Additional Bonds may only be issued for the benefit of the [Borrower], on a subordinate basis to the 2026 Bonds,] and in conformity with the terms of an ordinance adopted by the Issuer approving the issuance of such Additional Bonds.

Prior to the delivery by the Issuer of any such Additional Bonds, there shall be filed with the Trustee:

- (i) A supplement to this Indenture executed by the Issuer and the Trustee authorizing the issuance of such Additional Bonds, specifying the terms thereof and providing for the disposition of the proceeds of the sale thereof.

Any Additional Bonds issued in accordance with the terms of this Section 2.8 shall be secured exclusively by the Project TIF Revenues which comprise only a portion of the Trust Estate under this Indenture and will be issued on a subordinate basis in regard to the pledge of such Project TIF Revenues to the 2026 Bonds. Such Additional Bonds may bear such date or dates and such interest rate or rates, and have such maturities, redemption dates and premiums as may be agreed upon by the Issuer, at the direction of the Company, and the purchaser of such Additional Bonds [and shall not be secured by Taxpayer Payments, Adjacent Excess TIF Revenues (as defined in the Pledge Resolution) or the Reserve (as defined in the Pledge Resolution)].

Section 2.9. Mutilated, Lost, Stolen, or Destroyed Bonds. If any 2026 Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate, upon the written direction of the Issuer, a new 2026 Bond of like date, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that, in the case of any mutilated 2026 Bond, such mutilated

2026 Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen or destroyed 2026 Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it.

If any such 2026 Bond shall have matured, instead of issuing a duplicate 2026 Bond the Issuer may pay the same without surrender thereof; provided, however, that in the case of a lost, stolen or destroyed 2026 Bond, there shall be first furnished to the Trustee evidence of such loss, theft or destruction satisfactory to the Trustee, together with indemnity satisfactory to it. The Trustee may charge the holder or owner of such 2026 Bond with its fees and expenses in this connection. Section 2.10. Registration and Exchange of 2026 Bonds; Persons Treated as Owners. The Issuer shall cause books for the registration and for the transfer of the 2026 Bonds as provided in this Indenture to be kept by the Trustee, which is hereby constituted and appointed the registrar of the Issuer. Upon surrender for transfer of any fully registered 2026 Bond at the principal office of the Trustee, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to, the Trustee and duly executed by the registered owner or his attorney duly authorized in writing, the Issuer shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new fully registered 2026 Bond or 2026 Bonds of the same series and the same maturity for a like aggregate principal amount. The execution by the Issuer of any fully registered 2026 Bond without coupons of any denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such registered 2026 Bond. The Trustee shall not be required to transfer or exchange any fully registered 2026 Bond during the period between the Record Date and any interest payment date of such 2026 Bond, nor to transfer or exchange any 2026 Bond after the mailing of notice calling such Bond for redemption has been made, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

As to any fully registered 2026 Bond, the person in whose name the same shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of principal or interest thereon shall be made only to or upon the order of the registered owner thereof or its legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

ARTICLE IV.

REVENUE AND FUNDS

Section 4.1. Source of Payment of Bonds. The Bonds herein authorized and all payments to be made by the Issuer hereunder are not general obligations of the Issuer but are limited obligations payable solely from the Trust Estate, including Pledged TIF Revenues [and Taxpayer Payments] as authorized by the Act and as provided herein. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of the Issuer or of any member, director, officer, agent, attorney or employee of the Issuer in his or her individual capacity, and neither the Issuer nor any member, director, officer, agent, attorney, or employee of the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 4.2. 2026 Bond Fund. The Trustee shall establish and maintain, so long as any of the Bonds are outstanding, a separate fund to be known as the “2026 Bond Fund.” Money in the 2026 Bond Fund shall be applied as provided in this Section 4.2.

There shall be deposited in the 2026 Bond Fund, as and when received by the Trustee: (a) Pledged TIF Revenues, as provided in Section 4.7; (b) all interest and other income derived from investments of 2026 Bond Fund moneys as provided herein; [(c) any and all Taxpayer Payments under the [Taxpayer Agreement]; [(d) all payments received pursuant to the [2026 Note]; and (e) all other moneys received by the Trustee under and pursuant to any of the provisions of the [Loan Agreement] which are required or which are accompanied by directions that such moneys are to be paid into the 2026 Bond Fund. The Issuer hereby covenants and agrees that so long as any of the Bonds issued hereunder are outstanding, it will deposit, or cause to be paid to Trustee for deposit in the 2026 Bond Fund for its account, sufficient sums derived from revenues and receipts derived from the Pledged TIF Revenues, [Taxpayer Payments,] and/or the [2026 Note], as and when received by the Issuer, promptly to meet and pay the principal of and interest on the Bonds as the same become due and payable. In the event of a deficiency of available Pledged TIF Revenues to make the next debt service payment, [the Trustee shall notify the Issuer, and the Issuer shall notify each taxpayer under the applicable Taxpayer Agreements, of the amount needed to remedy the deficiency by no later than the next January 5 or July 5, as applicable]. Nothing herein should be construed as requiring the Issuer to deposit or cause to be paid to Trustee for deposit in the 2026 Bond Fund, funds from any source other than receipts derived from the Pledged TIF Revenues, [Taxpayer Payments,] and the [2026 Note].

Moneys in the 2026 Bond Fund shall be used by the Trustee to pay Administrative Fees and then to pay interest and principal on the Bonds as they become due upon each Interest Payment Date, at maturity or upon redemption. The Trustee shall transmit such funds to the Paying Agent for the 2026 Bonds in sufficient time to insure that such interest will be paid as it becomes due. If Pledged TIF Revenues [and Taxpayer Payments] on deposit in the 2026 Bond Fund are not sufficient to pay the principal and interest then due, Pledged TIF Revenues [and Taxpayer Payments] shall be applied first to pay unpaid interest and then to unpaid and due principal; provided, however, that no interest shall be due or paid on any unpaid interest.

Section 4.3. Surplus Fund. The Trustee shall establish and maintain a separate fund to be known as the “Surplus Fund.” Money in the Surplus Fund shall be applied as provided in this Section 4.3.

The Trustee shall deposit in the Surplus Fund, as and when received, all Pledged TIF Revenues in excess of payments due on the Bonds and/or Annual Fees on the next Interest Payment Date as provided in Section 4.2 hereof. Without further action or authorization moneys in the Surplus Fund shall be used (i) to pay amounts due on the Bonds, [(ii) to reimburse the Taxpayer for any Taxpayer Payments made], [(iii) to reimburse the [Borrower] for any Trustee fees paid], and (iv) to redeem or defease the 2026 Bonds in whole or in part in increments of \$1,000.

Section 4.4. Project Fund. The Issuer shall establish with the Trustee a separate fund to be known as the Project Fund, to the credit of which the deposits are to be made as required by Section 3.1 hereof. The Project Fund shall consist of a Cost of Issuance Account (the “Cost of Issuance Account”) and a Construction Account (the “Construction Account”). Moneys in the Project Fund shall be applied as provided in this Section 4.4

The Purchaser shall be credited with the purchase of the 2026 Bonds in the same principal amount as amounts paid by the Purchaser on each of the Funding Dates, which the Trustee shall record upon receipt by the Trustee of payment from the Purchaser on any Funding Date. The Trustee shall deposit any principal amount paid by the Purchaser on each Funding Date in the Construction Account.

Moneys on deposit in the Construction Account, as and when deposited, shall be paid out from time to time by the Trustee to or upon the order of the Company to pay for the Costs of Construction of the Project. Upon receipt by the Trustee of a written request in the form attached hereto as Exhibit B signed by the Authorized Representative of the Company. After the full principal amount of the Bonds has been paid by the Purchaser on one or more Fundings Dates, once all funds are paid out of the Construction Account, the Construction Account shall be closed.

The Issuer shall use the amount deposited to the Cost of Issuance Account pursuant to Section 3.1 hereof to pay Bond Issuance Costs set forth in a disbursement request in the form provided in Exhibit A provided to the Trustee and the Trustee’s fees set forth on Exhibit C, which shall be paid by check or wire transfer at closing to the entities listed. Execution of this Indenture shall constitute the irrevocable authorization for these payments.

Section 4.5. [RESERVED].

Section 4.6. [RESERVED].

Section 4.7. Pledged TIF Revenues. So long as any Bonds remain outstanding hereunder, on or before each January 15 and July 15 commencing with the first January 15 or July 15 that Pledged TIF Revenues are available, the Issuer shall transfer the Pledged TIF Revenues to the Trustee. The Trustee is hereby directed to transfer to the 2026 Bond Fund, as appropriate, on each January 15 and July 15, the Pledged TIF Revenues received, and shall use such amounts deposited to the 2026 Bond Fund in accordance with Section 4.2 hereof. Any amounts remaining after the deposits to the 2026 Bond Fund shall be transferred to the Surplus Fund and used as set forth in Section 4.3 hereof.

Section 4.8. Trust Funds. The Bonds, and the interest payable thereon, do not and shall not represent or constitute a debt of the Issuer within the meaning of the provisions of the constitution or statutes of the State of Indiana or a pledge of the faith and credit of the Issuer. The Bonds, as to both principal and interest, are not an obligation or liability of the State of Indiana, or of any political subdivision or taxing authority thereof, but are a special limited obligation of the Issuer and are payable solely and only from Pledged TIF Revenues, [payments on the [2026 Note],[and Taxpayer Payments]. Neither the faith and credit nor the taxing power of the Issuer, the State of Indiana or any political subdivision or taxing authority thereof is pledged to the payment of the principal of, premium, if any, or the interest on the Bonds. The Issuer has no taxing power with respect to the Bonds. No covenant or agreement contained in the Bonds or this Indenture shall be deemed to be a covenant or agreement of the Redevelopment Commission, the Economic Development Commission, the Issuer or of any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer in his or her individual capacity, and neither the Redevelopment Commission, the Economic Development Commission, the Issuer nor any member, director, officer, agent, attorney or employee of the Redevelopment Commission, the Economic Development Commission or the Issuer executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds.

Section 6.2. Performance of Covenants. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Indenture, in any and every Bond executed, authenticated and delivered hereunder and in all proceedings of its members pertaining thereto. The Issuer represents that it is duly authorized under the constitution and laws of the State of Indiana to issue the Bonds authorized hereby and to execute this Indenture, and to pledge the Pledged TIF Revenues, [payments on the [2026 Note], [and Taxpayer Payments] in the manner and to the extent herein set forth; that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the holders and owners thereof are and will be valid and enforceable obligations of the Issuer according to the import thereof, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws, judicial decisions and principles of equity relating to or affecting creditors' rights generally and subject to the valid

exercise of the constitutional powers of the Issuer, the State of Indiana and the United States of America.

Section 6.3. Filing of Indenture, [Loan Agreement] and Security Instruments. The Issuer, upon the written direction and at the sole expense of the Company, shall cause this Indenture, the [Loan Agreement] and all supplements thereto as well as such other security instruments, financing statements and all supplements thereto and other instruments as may be required from time to time to be filed in such manner and in such places as may be required by law in order to fully preserve and protect the lien hereof and the security of the holders and owners of the Bonds and the rights of the Trustee hereunder. The Company shall provide a copy of any written direction provided under this Section 6.3 to the Trustee at the same time as such written direction is provided to the Issuer. This Section 6.3 shall impose no duty to record or file the instruments noted above where filing or recordation is not required by law in order to perfect a security interest. Continuation of financing statements may be filed without consent of the debtor parties thereto. The Trustee shall not be under any duty to record or file instruments noted pursuant to this Section 6.3.

Section 6.4. Inspection of Books. The Issuer covenants and agrees that all books and documents in its possession relating to the Project and the revenues derived from the Project shall at all times be open to inspection by such accountants or other agents as the Trustee may from time to time designate.

Section 6.5. List of Bondholders. The Trustee will keep on file at the designated corporate trust office of the Trustee a list of names and addresses of the holders of all Bonds. At reasonable times and under reasonable regulations established by the Trustee, said list may be inspected and copied by the Company or by holders and/or owners (or a designated representative thereof) of 25% or more in principal amount of Bonds then outstanding, such ownership and the authority of any such designated representative to be evidenced to the satisfaction of the Trustee.

Section 6.6. [Rights Under [Loan Agreement]. The Issuer agrees that the Trustee in its name or in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Company under and pursuant to the [Loan Agreement] for and on behalf of the Bondholders, whether or not the Issuer is in default hereunder.]

Section 6.7. Investment of Funds. Moneys in the Funds established hereunder may be invested in Qualified Investments to the extent and in the manner provided for in Section 3.7 of the [Loan Agreement] and in the absence of written direction the Trustee shall invest in funds in the [_____], which is hereby deemed to constitute a Qualified Investment. The Trustee shall not be liable or responsible for any loss resulting from any such investment. The interest accruing thereon and any profit realized from such investments shall be credited, and any loss resulting from such investments shall be charged to, the fund in which the money was deposited.

The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of the directed investments. Ratings of permitted investments shall be determined at the time of purchase of such permitted investments and without regard to ratings subcategories. The Trustee may make any and all such investments through its own investment

department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades, including investment maintenance fees.

Although the Issuer and the Company each recognizes that it may obtain a broker confirmation or written statement containing comparable information at no additional cost, the Issuer and the Company hereby agree that confirmations of permitted investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

Section 6.8. Non-presentment of Bonds. If any Bond shall not be presented for payment when the principal thereof becomes due, either at maturity, or at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay any such Bond shall have been made available to Paying Agent for the benefit of the holder or holders thereof, all liability of Issuer to the holder thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of Paying Agent to hold such funds for five (5) years without liability for interest thereon, for the benefit of the holder of such Bond, who shall thereafter be restricted exclusively to such funds, for any claim of whatever nature on his part under this Indenture or on, or with respect to, such Bond.

Any moneys so deposited with and held by the Paying Agent not so applied to the payment of Bonds within five (5) years after the date on which the same shall become due shall be repaid by the Paying Agent to the [Borrower] and thereafter the Bondholders shall be entitled to look only to Borrower for payment, and then only to the extent of the amount so repaid, and Borrower shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 6.9. Direction of Bondholders. Whenever any action, direction or consent is required of the Trustee, the Trustee shall consult with the holders of the Bonds and shall take such action, give such direction or give such consent as the Trustee shall be directed in writing by the Requisite Bondholders upon receipt of satisfactory indemnity provided to the Trustee. The Trustee may, in its sole discretion, require an opinion of Bond Counsel prior to taking any action and the cost of such opinion shall constitute a Trustee Fee hereunder.

ARTICLE VII.

DEFAULTS AND REMEDIES

Section 7.1. Events of Default. Each of the following events is hereby declared an “event of default” under this Indenture:

(a) [any event of default as defined in Sections 5.1(a)(i), (a)(ii), (a)(iii) or (a)(iv) of the [Loan Agreement] shall occur and be continuing]; or

(b) the Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Indenture or any agreement supplemental hereof on the part of the Issuer to be performed, and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the Issuer and the Company by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of all of the Bonds then outstanding hereunder.

(c) the Issuer fails to apply collected Pledged TIF Revenues [or Taxpayer Payments] as required by Article IV of this Indenture.

The insufficiency of Pledged TIF Revenues [and Taxpayer Payments] to pay debt service due on the 2026 Bonds shall not constitute an event of default hereunder.

Section 7.2. Remedies; Rights of Bondholders.

- (i) If an event of default occurs, the Trustee may pursue any available remedy by suit at law or in equity to enforce the payment of the principal of, premium, if any, and interest on the Bonds then outstanding, to enforce any obligations of the Issuer hereunder, and of the Company under the [Loan Agreement], the [2026 Note], and the [Taxpayer Agreement], with the consent and direction of the Bondholders.
- (ii) Upon the occurrence of an event of default, and if directed in writing so to do by the Requisite Bondholders and indemnified as provided in Section 8.1 hereof, the Trustee shall be obliged to exercise such one or more of the rights and powers conferred by this Article as the Trustee shall be directed in writing to exercise by the Requisite Bondholders.
- (iii) No remedy by the terms of this Indenture conferred upon or reserved to the Trustee (or to the Bondholders) is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Trustee or to the Bondholders hereunder or now or hereafter existing at law or in equity or by statute.
- (iv) No delay or omission to exercise any right or power accruing upon any event of default shall impair any such right or power or shall be construed

to be a waiver of any event of default or acquiescence therein, and every such right and power may be exercised from time to time as may be deemed expedient.

- (v) No waiver of any event of default hereunder, whether by the Trustee or by the Bondholders, shall extend to or shall affect any subsequent event of default or shall impair any rights or remedies consequent thereon.

Section 7.3. Right of Bondholders to Direct Proceedings. Anything in this Indenture to the contrary notwithstanding, the holders of all Bonds then outstanding shall have the right, at any time, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the time, the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture, or for the appointment of a receiver or any other proceedings hereunder; provided, that such direction shall not be otherwise than in accordance with the provisions of law and of this Indenture, and provided that the Trustee shall pursue its remedies under the provisions of Section 7.2 hereof before any other remedies are sought.

Section 7.4. Application of Moneys. All moneys received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such moneys and of the fees, expenses, liabilities and advances incurred or made by the Trustee or the Issuer, be deposited in the 2026 Bond Fund and all moneys in the 2026 Bond Fund shall be applied as follows:

- (a) Unless the principal of all the Bonds shall have become or shall have been declared due and payable, all such moneys shall be applied:

First: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discriminations or privilege; and

Second: To the payment to the persons entitled thereto of the unpaid principal of and premium, if any, of the Bonds which shall have become due (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of this Indenture), in the order of their due dates (or principal installment dates, as appropriate), with interest on such Bonds from the respective dates upon which they become due, and if the amount available shall not be sufficient to pay in full Bonds (or principal installment dates, as appropriate) due on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any discrimination or privilege.

Third: To the payment of the balance, if any, to (a) to the Issuer, if the Bonds have been paid in full, or (b) if and to the extent the Bonds have not been paid in full, to the Company or its successors or assigns, upon the written request of the Company or to

whosoever may be lawfully entitled to receive the same upon its written request, or as any court of competent jurisdiction may direct.

(b) If the principal of all the Bonds shall have become due or shall have been declared due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, without preference or priority of principal over interest or of interest over any other installment of interest, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or privilege.

(c) If the principal of all the Bonds shall have been declared due and payable, and if such declaration shall thereafter have been rescinded and annulled under the provisions of this Article then, subject to the provisions of subsection (b) of this Section in the event that the principal of all the Bonds shall later become due or be declared due and payable, the moneys shall be applied in accordance with the provisions of subsection (a) of this Section.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. Whenever the Trustee shall apply such funds, it shall fix the date (which shall be an interest payment date unless it shall deem another date more suitable) upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such dates shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the deposit with it of any such moneys and of the fixing of any such date and shall not be required to make payment to the holder of any Bond until such Bond shall be presented to the Trustee for appropriate endorsement or for cancellation if fully paid.

Section 7.5. Remedies Vested In Trustee. All rights of action (including the right to file proof of claims) under this Indenture, the [Loan Agreement], the [2026 Note], the [Taxpayer Agreement], or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto, and any such suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining as plaintiffs or defendants any holders of the Bonds, and any recovery of judgment shall, subject to the provisions of Section 7.4 hereof, be for the equal benefit of the holders of the outstanding Bonds.

Section 7.6. Rights and Remedies of Bondholders. No holder of any Bond shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust thereof or for the appointment of a receiver or any other remedy hereunder, unless a default has occurred of which the Trustee has been notified as provided in subsection (g) of Section 8.1, or of which by said subsection it is deemed to have notice, nor unless also such default shall have become an event of default and the holders of all Bonds then outstanding shall have made written request to the Trustee and shall have offered reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, nor unless also they have offered to the Trustee indemnity as provided in Section 8.1 hereof, nor unless the Trustee shall thereafter fail or refuse to exercise the powers hereinbefore granted, or to institute such action, suit or proceeding in its, his, or their own name or names. Such notification, request and offer of indemnity are hereby

declared in every case at the option of the Trustee to be conditions precedent to the execution of the powers and trusts of this Indenture, and to any action or cause of action for the enforcement of this Indenture, or for the appointment of a receiver or for any other remedy hereunder; it being understood and intended that no one or more holders of the Bonds shall have any right in any manner whatsoever to affect, disturb or prejudice the lien of this Indenture by its, his or their action or to enforce any right hereunder except in the manner herein provided, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner herein provided and for the equal benefit of the holders of all Bonds then outstanding. Nothing in this Indenture contained shall, however, affect or impair the right of any Bondholder to enforce the covenants of the Issuer to pay the principal of and interest on each of the Bonds issued hereunder to the respective holders thereof at the time, place, from the source and in the manner in said Bonds expressed.

Section 7.7. Termination of Proceedings. In case the Trustee shall have proceeded to enforce any right under this Indenture by the appointment of a receiver, or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Company and the Trustee shall be restored to their former positions and rights hereunder, respectively, with respect to the Trust Estate, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 7.8. Waivers of Events of Default. The Trustee may waive any event of default hereunder and its consequences and rescind any declaration of maturity of principal of and interest on the Bonds, and shall do so upon the written request of the holders of (1) all the Bonds then outstanding in respect of which default in the payment of principal and/or premium, if any, and/or interest exists, or (2) all Bonds then outstanding in the case of any other default; provided, however, that there shall not be waived (a) any event of default in the payment of the principal of any outstanding Bonds at the date of maturity specified therein, or (b) any default in the payment when due of the interest on any such Bonds unless prior to such waiver or rescission, arrears of interest, with interest (to the extent permitted by law) at the rate borne by the Bonds in respect of which such default shall have occurred on overdue installments of interest or all arrears of payments of principal and premium, if any, when due, as the case may be, and all expenses of the Trustee in connection with such default shall have been paid or provided for, and in case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee and the Bondholders shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 7.9. [Rights Under Taxpayer Agreements. The Issuer hereby directs the Trustee to, and the Trustee shall, in its name or in the name of the Issuer, enforce all rights of the Issuer and all obligations of the Taxpayer under and pursuant to the [Taxpayer Agreement] for and on behalf of the Issuer and the Bondholders, whether or not the Issuer is in default hereunder. Additionally, upon the occurrence of any nonpayment of the Bonds when due, the Bondholders shall have the right under this Trust Indenture to direct the Trustee to enforce the rights of the Issuer under the Trust Indenture and the [Taxpayer Agreement], and the obligations of the Owner under and pursuant to the [Taxpayer Agreement], and to take any action under this Trust Indenture

that would otherwise be available to the Bondholders upon the occurrence and continuance of an Event of Default (whether or not an Event of Default has actually occurred).]

Section 7.10. Insufficient Pledged TIF Revenues. . Notwithstanding any other provision of this Indenture or in any other document relating to the Bonds to the contrary, that any failure of the Issuer to make all or a portion of a scheduled principal payment or interest payment on the 2026 Bonds as a result of (1) an insufficiency of Pledged TIF Revenues, [(2) nonpayment or delay in collecting or enforcing Taxpayer Payments,] or [(3) nonpayment or delay in payment by the [Borrower] on its [2026 Note] issued under the [Loan Agreement] to evidence the [Borrower]'s repayment obligations thereunder], shall not create a default of the Issuer under this Indenture or any other instrument. After [August 1, 2051], all 2026 Bonds shall be deemed to be paid and no longer outstanding for all purposes of this Indenture, all obligations of the Issuer hereunder shall terminate, and under no circumstances shall any payments be due on any 2026 Bonds after [August 1, 2051].

ARTICLE VIII.

THE TRUSTEE AND PAYING AGENT

Section 8.1. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, and agrees to perform said trusts as a corporate trustee ordinarily would perform said trusts under a corporate indenture, but no implied covenants or obligations shall be read into this Indenture against the Trustee.

(a) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or if appointed through attorneys, agents, receivers or employees but shall not be answerable for the conduct of the same in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney (who may be the attorney or attorneys for the Issuer or the Company). The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice.

(b) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of the Trustee endorsed on the Bonds), or for insuring the property herein conveyed or collecting any insurance moneys, or for the validity of the execution by the Issuer of this Indenture or of any supplements thereto or instruments of further assurance, or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, or for the value or title of the property herein conveyed or otherwise as to the maintenance of the security hereof; and [the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Company under the [Loan Agreement]; but the Trustee may require of the Issuer or the Company full information and advice as to the performance of the covenants, conditions and agreements aforesaid as to the condition of the property herein conveyed]. [The Trustee shall have no obligation to perform any of the duties of the Issuer under the [Loan Agreement], and the Trustee shall] not be responsible or liable for any loss suffered in connection with any investment of funds made by it in accordance with the provisions of this Indenture.

(c) The Trustee shall not be accountable for the use of any Bonds authenticated by it or the Paying Agent or delivered hereunder. The Trustee may become the owner of Bonds secured hereby with the same rights which it would have if not Trustee.

(d) The Trustee shall be fully and conclusively protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof.

(e) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer or the Company by its duly authorized officers as sufficient evidence of the facts therein contained and prior to the occurrence of a default of which the Trustee has been notified as provided in subsection (g) of this Section, or of which said subsection it is deemed to have notice, shall also be at liberty to accept a similar certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Issuer or the Company under its seal to the effect that an ordinance or resolution in the form therein set forth has been adopted by the Issuer or the Company as conclusive evidence that such ordinance or resolution has been duly adopted, and is in full force and effect.

(f) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its gross negligence or willful misconduct in connection with the performance of its duties hereunder.

(g) The Trustee shall not be required to take notice or be deemed to have notice of any event of default hereunder (other than payment of the principal and interest on the Bonds) unless the Trustee shall be specifically notified in writing of such default by the Issuer or by the holders of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding and all notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the designated corporate trust office of the Trustee, and in the absence of such notice so delivered, the Trustee may conclusively assume there is no default except as aforesaid.

(h) None of the Trustee or any of its officers, directors, employees or agents shall be personally liable for any debts contracted or for damages to persons or to personal property injured or damaged, or for salaries or nonfulfillment of contracts during any period in which it may be in possession of or managing the Trust Estate.

(i) At any and all reasonable times and upon reasonable prior written notice, the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect the Trust Estate, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property, or any action whatsoever within the purview of this Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of such action by the Trustee, deemed desirable for the authentication of any Bonds, the withdrawal of any cash, or the taking of any other action by the Trustee.

(l) Before taking any action under this Section 8.1 and under Article VII hereunder the Trustee may require that a satisfactory indemnity bond or other indemnity be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, including liability incurred in connection with the enforcement of the terms and provisions of this Indenture, except liability which is finally adjudicated to have resulted from its gross negligence or willful misconduct in connection with any action so taken. Such indemnity shall survive the termination of this Indenture.

(m) All moneys received by the Trustee or the Paying Agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor the Paying Agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) If any event of default under this Indenture shall have occurred and be continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture as it shall be directed to in writing by the Requisite Bondholders.

(o) None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

(p) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. Under no circumstances does the Trustee assume any responsibility or liability for the issuance of the Bonds as obligations the interest on which is excludable from gross income for purposes of federal income taxation or for the maintenance of such tax-exempt status subsequent to the date of issuance of the Bonds.

(q) The Trustee shall not be accountable for the use or application by the Company of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture or drawn down by the Company in accordance with the provisions of this Indenture and the [Loan Agreement] or for the use and application of money received by any paying agent.

Section 8.2. Fees, Charges and Expenses of Trustee and Paying Agent. The Trustee and Paying Agent shall be entitled to payment and/or reimbursement for fees for its services rendered hereunder and all advances, counsel fees and other expenses made or incurred by the Trustee or Paying Agent in connection with such services. Upon an event of default, but only upon an event of default, the Trustee shall have a right of payment prior to payment on account of interest or principal of, or premium, if any, on any Bond for the foregoing advances, fees, costs

and expenses incurred. In the event of a bankruptcy, the fees and expenses of the Trustee shall constitute administrative expenses.

Section 8.3. Notice to Bondholders if Default Occurs. If an event of default occurs of which the Trustee is by subsection (g) of Section 8.1 hereof required to take notice or if notice of an event of default be given as in said subsection (g) provided, then the Trustee shall give written notice thereof by registered or certified mail to the last known holders of all Bonds then outstanding shown by the list of Bondholders required by the terms of this Indenture to be kept at the office of the Trustee.

Section 8.4. Intervention by Trustee. In any judicial proceeding to which the Issuer is a party, the Trustee shall intervene on behalf of Bondholders subject to the provisions of Section 8.1(l), upon being directed in writing by the owners of at least twenty-five percent (25%) in aggregate principal amount of all Bonds then outstanding to intervene in such proceeding. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 8.5. Successor Trustee. Any corporation, association or other entity into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation, association or other entity resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, ipso facto, shall be and become successor Trustee hereunder and vested with all of the title to the whole property or trust estate and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 8.6. Resignation by the Trustee. The Trustee and any successor Trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer and the Company and by registered or certified mail to each registered owner of Bonds then outstanding and to each holder of Bonds as shown by the list of Bondholders required by this Indenture to be kept at the office of the Trustee, and such resignation shall take effect at the end of such thirty (30) days, or upon the earlier appointment of a successor Trustee by the Bondholders or by the Issuer. Such notice to the Issuer and the Company may be served personally or sent by registered or certified mail.

Section 8.7. Removal of the Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by all the Bondholders. The accrued and unpaid fees and expenses of the Trustee shall be paid prior to the effectiveness of any removal.

Section 8.8. Appointment of Successor Trustee by the Bondholders; Temporary Trustee. In case the Trustee hereunder shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under control of any public officer or officers, or of a receiver appointed by a court, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or

by their attorneys-in-fact, duly authorized; provided, nevertheless, that in case of such vacancy, the Issuer, by an instrument executed by one of its duly authorized officers, may appoint a temporary Trustee to fill such vacancy until a successor Trustee shall be appointed by the Bondholders in the manner above provided; and any such temporary Trustee so appointed by the Issuer shall immediately and without further act be superseded by the Trustee so appointed by such Bondholders. Every such Trustee appointed pursuant to the provisions of this Section shall be a trust company or bank, having a reported capital and surplus of not less than One Hundred Million Dollars (\$100,000,000) if there be such an institution willing, qualified and able to accept the trust upon reasonable or customary terms.

Section 8.9. Concerning Any Successor Trustees. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Issuer and the Company an instrument in writing accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Issuer, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its successor. Should any instrument in writing from the Issuer be required by any successor Trustee for more fully and certainly vesting in such successor the estate, rights, powers and duties hereby vested or intended to be vested in the predecessor any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Issuer. The resignation of any Trustee and the instrument or instruments removing any Trustee and appointing a successor hereunder, together with all other instruments provided for in this Article shall be filed by the successor Trustee in each office, if any, where the Indenture shall have been filed.

Section 8.10. Trustee Protected in Relying Upon Resolutions, etc. Subject to the conditions contained herein, the resolutions, ordinances, opinions, certificates and other instruments provided for in this Indenture may be accepted by the Trustee as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for the release of property and the withdrawal of cash hereunder.

Section 8.11. Appointment of Paying Agent and Registrar; Resignation or Removal of Paying Agent. The Trustee is hereby appointed as “Registrar” and “Paying Agent” under this Indenture. Any Registrar and Paying Agent may at any time resign and be discharged of the duties and obligations created by this instrument and any supplemental indenture by giving at least 60 days’ written notice to the Issuer, the Company and the Trustee. Any Registrar and Paying Agent may be removed at any time by an instrument, filed with such Registrar, Paying Agent and the Trustee and signed by the Issuer and the Company. Any successor Registrar and Paying Agent shall be appointed by the Issuer at the direction of the Company and shall be a bank or trust Company duly organized under the laws of any state of the United States or a national banking association, in each case having a capital stock and surplus aggregating at least \$100,000,000, willing and able to accept the office on reasonable and customary terms and authorized by law to perform all the duties imposed upon it by this Indenture.

In the event of the resignation or removal of any Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys or securities held by it as Paying Agent to its successors, or if there is no successor, to the Trustee.

Section 8.12. Indemnification. To the extent permitted by law, the Issuer hereby agrees to indemnify and save harmless the Trustee from all losses, liabilities, costs and expenses, including attorney fees and expenses, which may be incurred by it as a result of its acceptance of or arising from the performance of its duties hereunder, unless such losses, liabilities, costs and expenses shall have been finally adjudicated to have resulted from the gross negligence or willful misconduct of the Trustee, and such indemnification shall survive its resignation or removal of the Trustee or the defeasance of this Indenture.

The Trustee may conclusively rely on the written determination of the Issuer with respect to a supplemental indenture entered into pursuant to Section 9.1(d).

Section 9.4. Supplemental Indenture Effectiveness Upon Trustee. The Trustee need not enter into or consent to any supplemental indenture which it determines to be materially prejudiced to it.

Section 11.2. Defeasance of Bonds. Any Bond shall be deemed to be paid and no longer Outstanding within the meaning of this Article and for all purposes of this Indenture when (a) payment of the principal and interest of such Bond either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided for by irrevocably depositing with the Trustee in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment or (2) direct obligations of (including obligations issued or held in book entry form on the books of) the Department of the Treasury of the United States of America, the principal of and the interest on which when due will provide sufficient moneys, and (b) all necessary and proper fees, compensation, indemnities and expenses of the Trustee and the Issuer pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for. At such time, the Trustee shall be provided with a defeasance opinion by nationally recognized Bond Counsel. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, such Bond shall no longer be secured by or entitled to the benefits of this Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed payment of such Bonds as aforesaid until (a) proper notice of redemption of such Bonds shall have been previously given in accordance with Section 5.2 of this Indenture, or if the Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Company shall have given the Trustee in form satisfactory to the Trustee irrevocable instructions to notify, as soon as practicable, the Owners of the Bonds, that the deposit required by the preceding paragraph has been made with the Trustee and that the Bonds are deemed to have been paid in accordance with this Section 11.2 and stating the maturity or redemption date upon which moneys are to be available for the payment of the principal of and the applicable redemption premium, if any, on said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of the Bonds.

All moneys so deposited with the Trustee as provided in this Section 11.2 may also be invested and reinvested, at the written direction of the Company, in Governmental Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Governmental Obligations in the hands of the Trustee pursuant to this Section 11.2 which is not required for the payment of principal of the Bonds and interest and premium, if any, thereon with respect to which such moneys shall have been so deposited shall be deposited in the 2026 Bond Fund as and when realized and collected for use and application as are other moneys deposited in the 2026 Bond Fund.

Anything in Article IX hereof to the contrary notwithstanding, if moneys or Governmental obligations have been deposited or set aside with the Trustee pursuant to this Section 11.2 for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment to the provisions of this Section 11.2 shall be made without the consent of the Owner of each Bond affected thereby.

In determining the sufficiency of the moneys and/or Government Obligations deposited pursuant to this Section 11.2, the Trustee shall receive, at the expense of the Company, and may rely on a verification report of a firm of nationally recognized independent certified public accountants. The right to register the transfer of or to exchange Bonds shall survive the discharge of this Indenture.

Section 11.3. Cancellation of 2026 Bonds. If the Bondholders of any 2026 Bonds presents that Bond to the Trustee with an instrument satisfactory to the Trustee waiving all claims for payment of that Bond, the Trustee shall cancel that 2026 Bond and the Bondholder shall have no further claim against the Trust Estate, the Issuer or the Company with respect to that 2026 Bond.

Section 11.4. Application of Trust Money. All money or investments deposited with or held by the Trustee pursuant to Section 11.1 shall be held in trust for the holders of the Bonds, and

Section 11.5. Consents, etc., of Bondholders. Any consent, request, direction, approval, objection or other instrument required by this Indenture to be executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be executed by such Bondholders in person or by agent appointed in writing. Provided, however, that wherever this Indenture or the [Loan Agreement] requires that any such consent or other action be taken by the holders of a specified percentage, fraction or majority of the Bonds outstanding, any such Bonds held by or for the account of the following persons shall not be deemed to be outstanding hereunder for the purpose of determining whether such requirement has been met: the Issuer, any of its members, the Company, or the directors, trustees, officers or members of the Company. For all other purposes, Bonds held by or for the account of such person shall be deemed to be outstanding hereunder. Proof of the execution of any such consent, request, direction, approval, objection or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Indenture, and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) The fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of the holding by any person of Bonds transferable by delivery and the amounts and numbers of such Bonds, and the date of the holding of the same, may be proved by a certificate executed by any trust company, bank or bankers, wherever situated, stating that at the date thereof the party named therein did exhibit to an officer of such trust company or bank or to such banker, as the property of such party, the Bonds therein mentioned if such certificate shall be deemed by the Trustee to be satisfactory. The Trustee may, in its discretion, require evidence that such Bonds have been deposited with a bank, bankers or trust company, before taking any action based on such ownership. In lieu of the foregoing, the Trustee may accept other proofs of the foregoing as it shall deem appropriate.

For all purposes of this Indenture and of the proceedings for the enforcement hereof, such person shall be deemed to continue to be the holder of such Bond until the Trustee shall have received notice in writing to the contrary.

Section 11.6. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture, or the Bonds is intended or shall be construed to give to any person other than the parties hereto, and the Company, and the holders of the Bonds, any legal or equitable right, remedy or claim under or in respect to this Indenture or any covenants, conditions and provisions herein contained, this Indenture and all of the covenants, conditions and provisions hereof being intended to be and being for the sole and

exclusive benefit of the parties hereto and the Company and the holders of the Bonds as herein provided.

Section 11.7. Severability. If any provision of this Indenture shall be held or deemed to be or shall, in fact, be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever. The invalidity of any one or more phrases, sentences, clauses or Sections in this Indenture contained, shall not affect the remaining portions of this Indenture, or any part thereof.

Section 11.8. Notices. All notices, demands, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by registered or certified mail, postage prepaid, with proper address as indicated below. The Issuer, the Company, and the Trustee may, by written notice given by each to the others, designate any address or addresses to which notices, demands, certificates or other communications to them shall be sent when required as contemplated by this Indenture. [Until otherwise provided by the respective parties, all notices, demands, certificates and communications to each of them shall be addressed as provided in Section 9.4 of the [Loan Agreement].

Notwithstanding the foregoing, the Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Indenture and the [Loan Agreement] and delivered using Electronic Means; provided, however, that the Issuer and the Company, as the case may be, shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Issuer and the Company, as the case may be, whenever a person is to be added or deleted from the listing. If the Issuer and the Company, as the case may be, elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Issuer and the Company each understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Issuer and the Company, as the case may be, shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Issuer and the Company, as the case may be, and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer and the Company, as the case may be. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer and the Company each agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various

methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer and the Company, as the case may be; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. “Electronic Means” shall mean the following communications methods: S.W.I.F.T., e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.

Section 11.9. Counterparts. This Indenture may be simultaneously executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

Section 11.10. Applicable Law. This Indenture shall be governed exclusively by the applicable laws of the State of Indiana.

Section 11.11. Immunity of Officers and Directors. No recourse shall be had for the payment of the principal of or premium or interest on any of the Bonds or for any claim based thereon or upon any obligation, covenant or agreement in this Indenture contained against any past, present or future members, officer, directors, agents, attorneys or employees of the Issuer, or any incorporator, member, officer, director, agents, attorneys, employees or trustee of any successor corporation, as such, either directly or through the Issuer or any successor corporation, under any rule of law or equity, statute or constitution or by the enforcement of any assessment or penalty or otherwise, and all such liability of any such incorporator, members, officers, directors, agents, attorneys, employees or trustees as such is hereby expressly waived and released as a condition of and consideration for the execution of this Indenture and issuance of such Bonds.

Section 11.12. Holidays. If any date for the payment of principal or interest on the Bonds is not a business day then such payment shall be due on the first business day thereafter with the same force and effect as if made on such date.

Section 11.13. Shortfall of Pledged TIF Revenues. Notwithstanding any other provision of this Indenture, any portion of the principal or interest due on the 2026 Bonds that remains unpaid due to a shortfall in Pledged TIF Revenues shall trigger a Taxpayer Payment under one or more of the [Taxpayer Agreement], as applicable, which payment when collected shall be distributed to the Bondholders, but the portion of the 2026 Bonds not paid with Pledged TIF Revenue shall not be deemed defeased or otherwise satisfied, shall not be considered paid, and shall continue to be due and owing until the earlier of: (i) full payment by the Issuer; or (ii) the maturity date of the 2026 Bonds. Payment of any unpaid portion of the 2026 Bonds from future Pledged TIF Revenues shall be disbursed by the Trustee to Taxpayer who have made one or more payments under Taxpayer Agreements for reimbursement for such payments, on a pro-rata basis, provided, however, that notwithstanding the foregoing, the Issuer shall have no obligations whatsoever related to the 2026 Bonds after the final maturity date of the 2026 Bonds even if amounts paid under one or more Taxpayer Agreements have not been reimbursed for lack of Pledged TIF

Revenues on or prior to that date. Interest shall not accrue on the interest that remains unpaid beyond the applicable debt service payment date.

Issuer hereby directs Borrower and Borrower hereby agrees to pay to the Paying Agent at its designated office all amounts payable by Borrower pursuant to this Section 3.2 and the Notes.

(f) The Borrower: (i) will not suspend or discontinue any payments of the Loan; (ii) will perform and observe all of its other agreements contained in this Loan Agreement; and (iii)

will not terminate this Loan Agreement for any cause, including, without limiting the generality of the foregoing, failure of the Borrower to complete the Project, the occurrence of any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax laws of the United States of America or of the State of Indiana or any political subdivision of either thereof, or any failure of the Issuer or the Trustee to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the Indenture, other than a failure by the Issuer to deposit, or cause to be deposited, the Pledged TIF Revenues as contemplated by Section 3.2(a) hereof.

(g) It is understood and agreed that Borrower shall be obligated to continue to pay the amounts specified herein and in the Notes whether or not the Project is damaged, destroyed or taken in condemnation and that there shall be no abatement of any such payments and other charges by reason thereof.

Section 3.3. Maintenance of Existence. The Borrower will maintain its existence and not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with another entity or permit one or more other entities to consolidate with it except as provided in this Section 3.3. Before the Project is substantially complete, the Borrower may dissolve or otherwise dispose of all or substantially all of its assets if (i) an affiliate of the Borrower assumes all of the Borrower's obligations under this Loan Agreement and agrees to complete the Project and (ii) the owners of all of the Series 2026 Bonds and the Issuer consent in writing, which consent shall not be unreasonably withheld. Once the Project is substantially complete, the Borrower may dissolve or otherwise dispose of all or substantially all of its assets with the written consent of the owners of all of the Series 2026 Bonds and the Issuer, which consent shall not be unreasonably withheld. Any sale, lease or other disposition of the Project or any portion thereof is subject to the conditions of Section 3.12 hereof.

Section 3.4. Project Agreement and Taxpayer Agreement. The Borrower agrees to cause Thompson Thrift to perform all material matters provided in the Project Agreement applicable to Thompson Thrift to be performed by Thompson Thrift and further agrees to perform all material matters provided in that certain [Taxpayer Agreement] to which the Borrower is a party (for the avoidance of doubt, with respect to the Taxpayer Agreement, in the Borrower's capacity as Taxpayer thereunder) applicable to the Borrower to be performed by the Borrower. The Borrower further agrees to cause Thompson Thrift to comply with all material provisions of the Project Agreement applicable to Thompson Thrift, and the Project and to comply with all material provisions of that certain [Taxpayer Agreement] to which the Borrower is a party applicable to the Borrower and the Project, in each case to the extent that a failure to so perform or comply is expressly provided under the terms of the Project Agreement and [Taxpayer Agreement] applicable to Thompson Thrift or the Borrower, as applicable to be an event of default by Thompson Thrift or the Borrower, as applicable, or, with the passage of time or the giving of notice, or both, would constitute an event of default on the part of Thompson Thrift under the Project Agreement or the Borrower under that certain [Taxpayer Agreement] to which the Borrower is a party.

Section 3.5. Indemnity. The Borrower will pay, and protect, indemnify and save the Issuer (including members, directors, officials, officers, agents, attorneys and employees thereof),

the Bondholders, the Trustee and the Paying Agent harmless from and against, all liabilities, losses, damages, costs, expenses (including attorneys' fees and expenses of the Issuer, the Trustee and the Paying Agent), causes of actions, suits, claims, demands and judgments of any nature arising from or relating to:

- (a) Violation of any agreement or condition of this Loan Agreement or the Indenture, except by the Issuer or the Trustee;
- (b) Violation of any contract, agreement or restriction by the Borrower relating to the Project, or a part thereof;
- (c) Violation of any law, ordinance or regulation arising out of the ownership, occupancy or use of the Project, or a part thereof;
- (d) Any act, failure to act, or misrepresentation by the Borrower, or any of the Borrower's agents, contractors, servants, employees or licensees;
- (e) The provision of any information or certification furnished by the Borrower in connection with the issuance and sale of the Series 2026 Bonds and the Project;
- (f) As a result of the Trustee and Paying Agent's acceptance of or arising from the performance of its duties hereunder or under the Indenture.

The foregoing indemnification shall survive the removal or resignation of the Trustee and Paying Agent or the termination and discharge of the Indenture.

The foregoing shall not be construed to prohibit the Borrower from pursuing its remedies against either the Issuer or the Trustee for damages to the Borrower resulting from personal injury or property damage caused by the intentional misrepresentation or willful misconduct of either the Issuer or the Trustee.

Section 3.6. Issuance of Substitute Notes. Upon the surrender of any Note, the Borrower will execute and deliver to the holder thereof a new Note dated the date of the Note being surrendered but with appropriate notations thereon to reflect payments of principal and interest thereon; provided, however, that there shall never be outstanding at any one time more than one Note of any one series.

Section 3.7. Payment of Expenses of Issuance of Series 2026 Bonds. The Borrower agrees to be liable for and pay for any filing expenses, trustee's acceptance fees, commitment fees, legal fees, printing expenses and other fees and expenses incurred or to be incurred by or on behalf of the Issuer, the Trustee and the Paying Agent in connection with or as an incident to the issuance and sale of the Series 2026 Bonds; provided, however, that the Borrower may, without creating a default under the Loan Agreement, contest in good faith any such fees, charges or expenses. Pursuant to Section 4.2 of the Indenture, the Issuer has authorized the use of certain proceeds of the Series 2026 Bonds to defray the Borrower's obligations under this Section.

Section 3.8. Funding of Indenture Funds; Investments. The Issuer shall deposit with the Trustee all proceeds from the sale of the Series 2026 Bonds, as and when received, in the manner

specified in Article 3.1 of the Indenture, and the Trustee shall deposit such proceeds in the manner specified in Article 3.1 of the Indenture.

The Borrower and the Issuer agree that all moneys in any Fund established by the Indenture may, at the written direction of the Borrower, be invested in Qualified Investments.

The Trustee is hereby authorized to trade with itself in the purchase and sale of securities for such investments. The Trustee shall not be liable or responsible for any loss resulting from any such investment. All such investments shall be held by or under the control of the Trustee and any income resulting therefrom shall be applied in the manner specified in the Indenture.

Section 3.9. Other Amounts Payable by the Borrower. The Borrower covenants and agrees to pay the following:

(a) To the extent Pledged TIF Revenues are not then available, all reasonable fees, charges and expenses, including reasonable agent and counsel fees and expenses, of the Trustee incurred under the Indenture, as and when the same become due.

(b) To the extent Pledged TIF Revenues are not then available, all reasonable costs incident to the payment of the principal of, premium, if any, and interest on the Series 2026 Bonds as the same become due and payable, including all reasonable costs and expenses in connection with the call, redemption, and payment of Series 2026 Bonds.

(c) To the extent Pledged TIF Revenues are not then available, an amount sufficient to reimburse the Issuer for all reasonable expenses incurred by the Issuer under this Loan Agreement and in connection with the performance of its obligations under this Loan Agreement or the Indenture.

(d) All reasonable expenses incurred in connection with the enforcement of any rights under this Loan Agreement or the Indenture by the Issuer, the Trustee or the Bondholders.

(e) To the extent Pledged TIF Revenues are not then available (and to the extent such payments may be lawfully made from the Pledged TIF Revenues), all other payments of whatever nature which the Borrower has agreed to pay or assume under the provisions of the Loan Agreement.

Notwithstanding anything in this Section 3.9 to the contrary, the Borrower may, without creating an event of default as herein defined, after making the payments required by this Section 3.9, contest in good faith the necessity for any such services, fees, charges or expenses of the Issuer or the Trustee or the Bondholders.

Section 3.10. Credits on Notes. Notwithstanding any provision contained in this Loan Agreement or in the Indenture to the contrary, in addition to any credits on the Notes resulting from the payment or prepayment thereof from other sources:

(a) subject to the provisions of Article IV with respect to partial prepayment of the Note, any moneys deposited by the Trustee in the Bond Fund for payment on the Series 2026 Bonds (including without limitation [any Bond proceeds to be used for Capitalized Interest Costs,])

any Pledged TIF Revenues [and Taxpayer Payments]) shall be credited against the obligation of the Borrower to pay the principal, premium, if any, and interest on the Notes as the same become due; and

(b) the principal amount of Bonds of any series and maturity acquired by the Borrower and delivered to the Paying Agent, or acquired by the Paying Agent and canceled, shall be credited against the obligation of the Borrower to pay the principal of the Note evidencing the loan made by the Issuer with the proceeds of the sale of Bonds of such series maturing on the maturity date of the Bonds so acquired and delivered or canceled, including in connection with any mandatory sinking fund payment for any series of Bonds subject to a mandatory sinking fund requirement.

Section 3.11. Completion of Project. (a) Borrower agrees that it will make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other persons, firms, corporations or partnerships and in general do all things which may be requisite or proper, all for constructing and completing the Project, to the extent permitted by law, by not later than [_____, 20__].

(b) In the event the moneys in the Project Fund are insufficient to pay in full the costs to be paid therefrom, the Borrower agrees, for the benefit of the Issuer and the Series 2026 Bondholders and in order to fulfill the purposes of the Act, to complete the construction of the Project and to pay that portion of the costs therefor as may be in excess of the moneys available therefor in the Project Fund. The Issuer does not make any warranty, either express or implied, that the moneys, which will be paid into the Project Fund and which under the provisions of this Loan Agreement will be available for payment of the costs of the construction of the Project, will be sufficient to pay all the costs which will be incurred in that connection. The Borrower agrees that if after exhaustion of the moneys in the Project Fund, the Borrower should pay pursuant hereto any portion of the costs of construction of the Project, it shall not be entitled to any reimbursement therefor from the Issuer, the Trustee, or the holders of any of the Series 2026 Bonds, nor shall it be entitled to any diminution in or abatement or postponement of the amounts payable hereunder or under the Series 2026 Note.

(c) The Issuer has, in the Indenture, authorized and directed the Trustee to make payments from the Construction Account of the Project Fund to pay the costs of construction of the Project, or to reimburse the Borrower for any costs of construction paid by it. The Borrower agrees to submit disbursement requests in accordance with Section 4 of the Indenture as may be necessary to effect payments out of the Construction Account of the Project Fund.

(d) Upon its determination that the Project has been completed, the Borrower shall deliver to the Trustee, the Bondholders, and the Issuer a certificate signed by an authorized representative of Borrower stating that, except for amounts retained by Trustee at Borrower's direction for any Costs of Construction not then due and payable or being contested in good faith, (i) the construction of the Project has been completed and any and all labor, services, materials and supplies used in such construction have been paid for, (ii) all other items necessary in connection with the Project have been constructed and all costs and expenses incurred in connection therewith have been paid, and (iii) the Project meets the required standards set forth in Exhibit A-2 (such certificate, the "Certificate of Completion"). Notwithstanding the foregoing,

such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

(e) Upon receipt of the Certificate of Completion, the Issuer shall determine in its reasonable discretion whether or not the Project has been completed in accordance with the required standards set forth on Exhibit A-2. If the Issuer determines that the Project has been completed in the accordance with the required standards set forth in Exhibit A-2, the Issuer shall approve the Certificate of Completion and deliver such approved Certificate of Completion to the Trustee.

Section 3.12. Full Performance Under Project Agreement. The Borrower agrees to cause Thompson Thrift to perform all matters provided by the Project Agreement to be performed by Thompson Thrift and to cause Thompson Thrift to comply with all provisions of the Project Agreement applicable to Thompson Thrift, in each case to the extent that a failure to so perform or comply is expressly provided under the terms of the Project Agreement to be an event of default by Thompson Thrift or, with the passage of time or the giving of notice, or both would constitute an event of default on the part of Thompson Thrift, under the Project Agreement. The Borrower hereby represents that all of Thompson Thrift's covenants in the Project Agreement remain accurate as of the date of this Agreement and acknowledges that the Issuer is relying on this representation by Borrower in making the loan under this Agreement. Sale, Substitution, or Lease of Project; Sale of Project. The Borrower may sell, lease or transfer or otherwise dispose of the Project or any portion thereof. Notwithstanding the foregoing, in the event of any sale of all or any portion of the Project so long as the Series 2026 Bonds are outstanding, Borrower shall obtain, and provided a copy to the Issuer, a covenant from the purchaser confirming the purchaser of the Project will fully comply with the representations in Section 2.2 hereof.

ARTICLE IV.

PREPAYMENT OF SERIES 2026 NOTE

Section 4.1. Pledged TIF Revenues. The Issuer covenants that, to the extent collected, it will pay the Pledged TIF Revenues to the Trustee as provided in Section 4.7 of the Indenture, provided that the Issuer shall have no other obligation with respect to the payment of the Series 2026 Bonds. Optional PrepaymentThe Series 2026 Note may be prepaid, in whole or in part, on any date at the principal amount thereof and without premium, plus in each case accrued interest to the date fixed for redemption.

To exercise such option to prepay the Series 2026 Note, in whole or in part, the Borrower must cause funds to be deposited with the Trustee to pay the principal of, premium, if any, and accrued interest, through the applicable date of redemption, on the portion of the Series 2026 Note to be prepaid and the corollary redemption of the Series 2026 Bonds. Any amount so paid which is less than the full unpaid principal amount of the Series 2026 Bonds shall be credited against the installment or installments of principal due on the Series 2026 Note corresponding to the maturity of the Series 2026 Bonds being redeemed, and shall also be a credit against any mandatory sinking fund obligation and the corresponding Series 2026 Note obligation with respect thereto in the sequence in which such mandatory sinking fund obligation becomes due.

Section 4.3. Notice of Prepayment. The Borrower shall give the Trustee not less than five (5) days prior written notice of any prepayment of the Series 2026 Note pursuant to Section 4.2 hereof, which notice shall designate the date of prepayment and the amount thereof, indicate the section or subsection pursuant to which prepayment shall occur, and direct the redemption of the Series 2026 Bonds in the amounts corresponding to the Series 2026 Note to be prepaid.

ARTICLE V.

EVENTS OF DEFAULT AND REMEDIES THEREFOR

Section 5.1. Events of Default. (a) The occurrence and continuance of any of the following events shall constitute an “event of default” hereunder:

(i) failure of the Borrower to pay any installment of interest, principal, or any premiums, on any Note when the same shall become due and payable, whether at maturity or upon any date fixed for prepayment or by acceleration or otherwise, unless the Requisite Bondholders shall have consented thereto;

(ii) failure of the Borrower to observe and perform any other covenant, condition or provision hereof (including any failure of observance or performance by Thompson Thrift of any matter which Borrower has agreed it shall cause Thompson Thrift to observe and perform) and to remedy such default within 30 days after notice thereof from the Trustee to the Borrower, unless the Requisite Bondholders shall have consented thereto;

(iii) the entry of a decree or order for relief by a court having jurisdiction in the premises in respect of the Borrower in an involuntary case under any applicable bankruptcy, insolvency or similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or other similar official) of the Borrower or for any substantial part of its property, or ordering the windup or liquidation of its affairs; or the filing and pendency for thirty days without dismissal of a petition initiating an involuntary case under any other bankruptcy, insolvency or similar law; or

(iv) the commencement by the Borrower of any voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, whether consent by it to an entry to an order for relief in an involuntary case and under any such law or to the appointment of or the taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Borrower or of any substantial part of its property, or the making of it by any general assignment for the benefit of creditors, or the failure of the Borrower generally to pay its debts as such debts become due, or the taking of corporate action by the Borrower in furtherance of any of the foregoing; or

(v) Any event of default under Section 7.1 of the Indenture.

(b) During the occurrence and continuance of any event of default hereunder, the Trustee, as assignee of the Issuer pursuant to the Indenture, shall have the rights and remedies hereinafter set forth, in addition to any other remedies herein or by law provided.

(c) Upon the occurrence of an event of default described in this Section 5.1:

(i) Right to Bring Suit, Etc. The Trustee, with or without entry, personally or by attorney, may in its discretion, proceed to protect and enforce its rights by a suit or suits in equity or at law, whether for damages or for the specific performance of any covenant

or agreement contained in the Notes, this Loan Agreement or in aid of the execution of any power herein granted, or for any foreclosure hereunder, or for the enforcement of any other appropriate legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce any of its rights or duties hereunder; provided, however that all costs incurred by the Trustee and the Issuer under this Article shall be paid to the Issuer and the Trustee by the Borrower on demand.

(ii) Waiver of Events of Default. If after any event of default occurs and prior to the Trustee exercising any of the remedies provided in this Loan Agreement, the Borrower will have completely cured such default, then in every case such default will be waived, rescinded and annulled by the Trustee by written notice given to the Borrower.

Section 5.2. Trustee May Enforce Demand. In case the Borrower shall have failed to pay such principal and interest and other amounts upon demand, the Trustee, in its own name, may institute such actions or proceedings at law or in equity for the collection of the amounts so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Borrower and collect the moneys adjudged or decreed to be payable out of the property of the Borrower wherever situated, in the manner provided by law.

The Trustee shall, if permitted by law, be entitled to recover judgment as aforesaid either before or after or during the pendency of any proceedings for the enforcement of the lien of this Loan Agreement; and the right of the Trustee, to recover such judgment shall not be affected by the exercise of any other right, power or remedy for the enforcement of the provisions of this Loan Agreement.

Any moneys thus collected by the Trustee under this Section shall be applied by the Trustee as follows:

FIRST: to the payment of all reasonable advances by the Issuer or by the Trustee with interest at the prime rate of interest charged by the Trustee from time to time, and all reasonable expenses (including, without limitation, all legal expenses) and disbursements.

SECOND: to the payment of the amounts then due and unpaid upon the Notes in respect of which such money shall have been collected, ratably and without preference or priority of any kind, according to the amounts due and payable upon the Notes, upon presentation of the Notes and the notation thereon of such payment, if partly paid, and upon surrender thereon if fully paid.

Section 5.3. Remedies Cumulative. No remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. *[Notwithstanding anything in this Loan Agreement to the contrary, the Requisite Bondholders shall control the declaration or waiver of events of default under Section 5.1, and may exercise, and shall control the exercise of, all remedies under this Loan Agreement, including those set forth in Sections 5.1 and 5.2.]*

Section 5.4. Delay or Omission Not a Waiver. No delay or omission of the Trustee to exercise any right or power accruing upon any event of default shall impair any such right or

power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by this Loan Agreement to the Trustee may be exercised from time to time and as often as may be deemed expedient by the Trustee.

Section 5.5. Waiver of Extension, Appraisement or Stay Laws. To the extent permitted by law, the Borrower will not during the continuance of any event of default hereunder insist upon, or plead, or in any manner whatever claim or take any benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants and terms of performance of this Loan Agreement; and the Borrower hereby expressly waives all benefits or advantage of any such law or laws and covenants not to hinder, delay or impede the execution of any power herein granted or delegated to the Trustee, but to suffer and permit the execution of every power as though no such law or laws had been made or enacted.

Section 5.6. Remedies Subject to Provisions of Law. All rights, remedies and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law in the premises, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Loan Agreement invalid or unenforceable under the provisions of any applicable law.
